**Notes:**

1. In view of the COVID-19 pandemic, the Ministry of Corporate Affairs, Government of India ("MCA") has permitted conducting Annual General Meeting through video conferencing ("VC") or other audio-visual means ("OAVM"). In this regard, MCA issued Circular No. 14/2020 dated 8th April 2020, Circular No. 17/2020 dated 13th April 2020, Circular No. 20/2020 dated 5th May 2020, Circular No. 21/2021 dated 14th December 2021, Circular No. 2/2022 dated 5th May 2022 and Circular No. 10/2022 dated 28th December 2022 ("MCA Circulars"), prescribing the procedure and manner of conducting the Annual General Meeting through VC / OAVM.
2. In compliance with the applicable provisions of the Companies Act, 2013 ("Act") read with Ministry of Corporate Affairs (MCA) Circulars, the 57<sup>th</sup> Annual General Meeting ("AGM") of the Members of the Company will be held through VC / OAVM. The Securities and Exchange Board of India ("SEBI") also vide its Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May 2020; Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13th May 2022; and Circular No. SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 5th January 2023 ("SEBI Circulars") has provided certain relaxations from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") due to the COVID-19 pandemic. Hence, Members can attend and participate in the AGM through VC / OAVM only. The venue of the Meeting shall be deemed to be the Registered Office of the Company.
3. In line with the MCA Circulars and SEBI Circulars, this Notice along with the Annual Report for FY 2022-23 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company / their Depository Participants ("DPs"), unless any Member has requested for a physical copy of the same.
4. A Member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote instead of himself and a proxy need not be a member of the company. Since this AGM is being held through VC / OAVM, in terms of the MCA Circulars and SEBI Circulars, the facility for appointment of proxies by the Members will not be available for this AGM.
5. Institutional / Corporate Members (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC/OAVM on its behalf and to vote through remote e-voting to [secretarial@tapariatools.com](mailto:secretarial@tapariatools.com).
6. The statement setting out the material facts pursuant to Section 102 of the Act concerning the Special Business in the Notice is annexed hereto and forms part of this Notice. The relevant details as required under Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Secretarial Standards on General Meetings issued by The Institute of Company Secretaries of India (ICSI) as approved by the Central Government, is also annexed to this Notice.
7. The Register of Members and Share Transfer Books of the Company will remain closed from Tuesday 27<sup>th</sup> June 2023 to Monday 3<sup>rd</sup> July 2023 (both days inclusive) for determining the names of the members eligible for dividend on Equity Shares, if declared at the Meeting.
8. Dividend payment and Tax on Dividend:

The Board of Directors, in its meeting held on March 4<sup>th</sup>, 2023 has declared an Interim Dividend @775 % (Rs. 77.50/- per share) on the paid-up equity share capital of the Company which was paid on 28<sup>th</sup> March 2023. Further, the Board of Directors, in its Meeting held on May 30, 2023 has recommended a final dividend @ 775%(Rs.77.50/-per share) on the paid-up equity share capital of the Company.

The Company has fixed 26<sup>th</sup> June 2023 as record date for the purpose of payment of the final dividend. Final dividend, if approved at the AGM shall be paid on or before 3<sup>rd</sup> August, 2023.

9. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the Shareholders w.e.f. April 1, 2020 and the Company is required to deduct TDS from dividend paid to the Members at rates prescribed under the Income Tax Act, 1961 ("IT Act"). To enable compliance with TDS requirements, Members are requested to complete and / or update their Residential Status, PAN, Category as per the Income Tax Act, 1961 ("IT Act") with their Depository Participants ('DPs') or in case shares are held in physical form, with the Company/RTA by sending the required documents by 26<sup>th</sup> June 2023.
10. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. The Members, whose unclaimed dividends/ shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in Form No. IEPF-5 available on [www.iepf.gov.in](http://www.iepf.gov.in).
11. Issue of Bonus Shares:  
The Board of Directors at its Meeting held on 30<sup>th</sup> May 2023 has recommended the issuance of fully paid bonus equity shares in the proportion of 4:1 i.e. 4 (Four) new equity share of Rs. 10/- each shall be issued for every 1 (One) existing equity share of Rs. 10/- each fully paid up held by the shareholders.  
  
The Company has fixed 11<sup>th</sup> July 2023 as record date for the purpose of issuance of fully paid bonus equity shares. Bonus Equity Shares if approved at the AGM shall be issued on or before 25<sup>th</sup> July 2023.
12. SEBI has mandated that securities of listed companies can be transferred only in dematerialized form. In view of the above and to avail various benefits of dematerialization, Members are advised to dematerialize shares held by them in physical form, for ease in portfolio management. The Intimation letters of the same have been given by RTA to the Members for dematerialization of shares.
13. SEBI has also mandated the updation of PAN, contact, Bank account, specimen signature and nomination details against folio / demat account. PAN is also required to be updated for participating in the securities market, deletion of name of deceased holder and transmission / transposition of shares. As per applicable SEBI Circular, PAN details are to be compulsorily linked to Aadhar details, specified by Central Board of Direct Taxes.
14. Members are requested to submit PAN, contact details, Bank account, nomination details and specimen signature (as applicable) in case of holding the shares in physical form to their DP for dematerializing the shares in a specified form to RTA (Form ISR-1, Form ISR-2 and Form ISR-3 (as applicable)).
15. As per the provisions of the Act and applicable SEBI Circular, Members holding shares in physical form may file nomination in the prescribed Form SH-13 or make changes to their nomination details through Form SH-14 and Form ISR-3. In respect of shares held in dematerialized form, the nomination form may be filed with the respective DP or Company.
16. The Annual Report of FY 2022-2023 of the Company along with the Notice convening this AGM will be made available on the Company's website at [www.tapariatools.com](http://www.tapariatools.com) as well as on the Stock Exchange websites ([www.bseindia.com](http://www.bseindia.com)).

- 
17. The statutory documents and relevant documents referred to in this Notice of Annual General Meeting and statement setting out material facts, will be available at the Registered Office of the Company on all working days, (i.e. except Saturdays and public holidays) during business hours up to the date of the Annual General Meeting.
  18. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.

### **CDSL e-Voting System – For e-voting and Joining Virtual meetings.**

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020, 22/2020 dated 15-06-2020, 33/2020 dated 28-09-2020, 39/2020 dated 31-12-2020, 10/2021 dated 23-06-2021, 20/2021 dated 08-12-2021 and 10/2022 dated 28-12-2022 and other applicable circulars issued by the Securities and Exchange Board of India (SEBI), have allowed the Companies to conduct the AGM through Video Conferencing (VC) or Other Audio Visual Means (OAVM) up to 30<sup>th</sup> September 2023. The forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at [www.tapariatools.com](http://www.tapariatools.com) . The Notice can also be accessed from the website of BSE (Bombay Stock Exchange) Limited at [www.bseindia.com](http://www.bseindia.com). The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA

Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020, 22/2020 dated 15-06-2020, 33/2020 dated 28-09-2020, 39/2020 dated 31-12-2020, 10/2021 dated 23-06-2021 and 20/2021 dated 08-12-2021 and 10/2022 dated 28-12-2022.

8. In continuation of this Ministry's general circular no 10/2022 dated 28<sup>th</sup> December 2022 and after due examination, it has been decided to allow Company whose AGM were due to be held in the year 2023, to conduct their AGM on or before 30<sup>th</sup> September 2023.

**THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Friday the 30<sup>th</sup> June 2023 on 9.00 A.M. and ends on Sunday 2<sup>nd</sup> July 2023 on 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) 26/06/2023, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09-12-2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. ## ***Management Discussion and Analysis***

### **GLOBAL ECONOMY OVERVIEW**

World economic activity has proven more resilient than expected in the past three months, but the outlook for global growth in 2023 has deteriorated. This reflects the prospect of faster-than-anticipated monetary policy tightening and a darkening outlook for China's property sector. The global growth is expected to fall to 1.4% next year which would, abstracting from the pandemic in 2020, be the weakest expansion since 2008.

Russia's war of aggression against Ukraine continues to overshadow the world economy. Despite recent signs of improvement, recovery over the next two years is expected to be moderate. The outlook remains fragile and downside risks predominate. High uncertainty generated by the war could take a heavy toll on activity. Trade tensions are high and could worsen.

A key factor in the improvement in activity and sentiment in early 2023 was the recent decline in energy and food prices. While levels are still relatively high compared to pre-war, this is boosting purchasing power for most firms and households and is helping to lower headline inflation. The earlier-than-expected re-opening in China is also expected to have a positive impact on global activity, reducing supply chain pressures and giving a boost to international tourism.

### **INDIAN ECONOMY OVERVIEW**

India to witness GDP growth of 6.0 per cent to 6.8 per cent in 2023-2024, depending on the trajectory of economic and political developments globally. The International Monetary Fund (IMF) expects India to grow by 5.9% in FY 2023-2024 and by an average rate of 6.1% over the next five years.

Indian economy staging a broad based recovery across sectors, positioning to ascend to pre-pandemic growth path in Financial Year 2022-2023. Strong economic growth in the first quarter of FY 2022-2023 helped India overcome the UK to become the fifth-largest economy after it recovered from repeated waves of COVID-19 pandemic shock.

In spite of strong global headwinds, India's overall exports were projected to grow at 17.33% in the last Quarter (from January to March 2022-2023) over same period last year (April-January 2021-2022).

The Indian startup ecosystem is facing several challenges despite recording an increase in the number of startups to 84,012 in 2022 from 452 in 2016, according to the Economic Survey Report 2022-2023. The Department for Promotion of Industry and Internal Trade (DPIIT) recognized that startups have created more than 9 Lakh direct jobs, according to the report.

### **HAND TOOLS MARKET**

The global hand tools market is classified on the basis of type, distribution channel, end-user, and region. By type, the market is segmented into wrench, plier, screw drivers, hammers, cable cutter, and others. By distribution channel, the market is bifurcated into in store and online. By end user, the market is categorized into DIY, commercial, and industrial.

The Covid-19 pandemic continues to transform the culture of various industries. The Hand Tools Market has witnessed a moderate growth over the past few years. The number of major

manufacturing plants and industries has increased significantly in the recent past where hand tools are majorly utilized for maintenance purpose. After the slow-down of pandemic wave, the demand for professional hand tools has been increased. The industrialization and growing investment in the infrastructure sector are key trends in the Hand Tools Market.

The center-of-gravity of the economic world will further re-balance with by simultaneous shifts, from west to east, from rural to urban, ageing to young economies. Asia's role in global hand tools demand and trade will be even greater over the next decade.

Professional market contributes the larger share of power and hand tools. Professional market comprises of individuals who work in industries such as construction, manufacturing, and other. Increase in technical jobs and employment is a great opportunity for the hand tools market to expand in terms of quality and pricing, as professionals use high end tools and are willing to pay more for such products. Over the last few years, manufacturers have been focusing on the development of innovative products with high durability and improved efficiency, which in turn has led to an increase in R & D spending.

This will further create market for new and innovative products and cater to the growing demand from customers. The global hand tools market is significantly fragmented and manufacturers are witnessing strong competition from fellow players.

## **BUSINESS REVIEW AND PERFORMANCE**

The current market conditions are improving in a balanced manner and there are hopes of steady recovery from the past effects of pandemic situation. The Company will continue to pursue the long lasting and stable growth based on its philosophy of generating profits through creation of the "Greatest Value" for its Customers and Stakeholders.

The Company has paid Interim Dividend to its Shareholders @775% for the Financial Year 2022-2023 and also declared Final Dividend Financial Year 2022-2023. Company has always shared its growth with its Shareholders.

I have examined the compliance of the conditions of Corporate Governance by Taparia Tools Limited ('the Company'), for the year ended March 31, 2023 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as "SEBI Listing Regulations, 2015).

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. My examination was limited to a review of procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of my information and explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations, 2015.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## ***Independent Auditor's Report***

To the Members of Taparia Tools Ltd.

### **Report on the Financial Statements**

#### **Opinion**

We have audited the accompanying financial statements of **Taparia Tools Ltd** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### **i. Provisions for Contingencies and Litigations and disclosure of Contingent liabilities**

##### **Description of Key Audit Matter:**

At March 31, 2023, the Company held provisions of Rs.61.42 lakhs in respect of legal claims and has disclosed total contingent liabilities of Rs.148.37 lakhs. These provisions are based on judgments and accounting estimates made by management in determining the likelihood and magnitude of claims. Accordingly, unexpected adverse outcomes could significantly impact the Company's reported profit and balance sheet position.

Refer Note 2 f of financial statements for accounting policy of provisions and contingent liabilities

and related disclosures.

**Our response:**

- We evaluated the design and tested the operating effectiveness of controls in respect of the determination of the provisions. We determined that the operation of the controls provided us with evidence over the completeness, accuracy and valuation of the provisions.
- We read the summary of litigation matters provided by management and held discussions with the management and their legal counsels. We requested legal letters from some of the Company's external legal advisors with respect to the matters included in the aforesaid disclosures. Where appropriate, we examined correspondence connected with the cases.
- For litigation provisions, we tested the calculation of the provisions, assessed the assumptions against third party data, where available and assessed the estimates against historical trends.

We considered management's judgements on the level of provisioning and disclosures in respect of the aforesaid matters, which we considered to be appropriate.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Responsibility of Management for Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our knowledge and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - (b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - (c) Based on audit procedures performed, nothing has come to our attention that causes us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided in (a) and (b) above, contain any material misstatement.
- v. (a) The Interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with section 123 of the Act.
  - (b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording trail (edit log) facility is applicable to the Company with effect from April 1, 2023 and accordingly reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

Accordingly, reporting under paragraph (iv) of the Order is not applicable.
- (v) According to information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any relevant provisions of the Act and rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable.
- (vi) To the best of our knowledge and as explained the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the products of the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities.
- According to the information and explanations given to us, no undisputed statutory dues referred above were in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no outstanding dues in respect of provident fund, income tax, sales tax, value added tax, duty of customs, Goods and service tax, cess that have not been deposited by the Company on account of dispute.
- viii) According to the information and explanations given to us, no transactions have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which was not recorded in the books of account. Accordingly, paragraph 3(viii) of the Order is not applicable.
- (ix) (a) According to the information and explanations given to us and on the basis of our audit procedures, the Company has not taken any loans from any lender during the year. Accordingly, paragraph 3(ix)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our audit procedures, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us and based on our examination of the records of the Company, no term loans were obtained or utilised during the year by the Company. Accordingly, paragraph 3(ix)(c) of the Order is not

applicable.

- (d) In our opinion and according to the information and explanations given to us and based on the audit procedures performed by us, no funds have been raised on short term basis by the Company.
- (e) According to the information and explanations given to us and based on the audit procedures performed by us, the Company does not have any subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanations given to us and based on the audit procedures performed by us, the Company does not have any subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(f) of the Order is not applicable.
- (x) (a) According to the information and explanations given to us and based on the audit procedures performed by us, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, paragraph 3(ix)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partly or optionally) during the year.
- (xi) (a) According to the information and explanations given to us, no fraud by the company or any fraud on the company has been noticed or reported during the year.
- (b) According to the information and explanations given to us and based on the audit procedures performed by us, no report under sub-section (12) of section 143 of the Companies Act in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was filed with the Central Government during the year or upto the date of the Report.
- (c) As represented to us by the management, no whistle blower complaints were received by the Company during the year.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a 'nidhi' company and it has not accepted any deposits. Accordingly, paragraph 3(xii)(a), paragraph 3(xii)(b) and paragraph 3(xii)(c) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on the audit procedures performed by us, transactions with the related parties during the year were in compliance with sections 188 of the Act where applicable and details of such transactions have been disclosed in the Ind AS financial statements as required by the applicable accounting standards. Provisions of Section 177 of the Act are not applicable to the Company.
- (xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.

- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- (xv) According to the information and explanations given to us and based on the audit procedures performed by us, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, provisions of section 192 of the Act and paragraph 3(xv) of the Order are not applicable.
- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, paragraph 3(xvi)(a) of the Order is not applicable.
- (b) According to the information and explanations given to us and based on audit procedures performed by us, the Company has not conducted any Non-Banking Financial or Housing Finance activities during the year. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable.
- (c) In our opinion and according to the information and explanations given to us, the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable.

## ***Annexure - B to the Auditor's Report***

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

#### **Opinion**

We have audited the internal financial controls over financial reporting of Taparia Tools Ltd ("the Company") as of March 31, 2023 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Taparia Tools Limited

### Notes to the financial statements for the year ended 31 March 2023

---

#### 1. Reporting entity

Taparia Tools Ltd (the 'Company') is a Company domiciled in India, with its registered office situated at 52-B, MIDC Satpur, Nashik - 422007. The equity shares of the company are listed on the Bombay stock exchange (BSE) in India. The Company is primarily involved in manufacturing and trading of hand tools.

The manufacturing facility of the Company is located at Nashik and Goa.

#### 1.1 Basis of preparation

##### a. Statement of compliance

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements were authorised for issue by the Company's Board of Directors on 30th May, 2023.

Details of the Company's accounting policies are included in Note 2.

##### b. Functional and presentation currency

These financial statements are presented in Indian Rupees (Rs.), which is also the Company's functional currency. All amounts have been rounded off to two decimal places to the nearest lakhs, unless otherwise indicated.

##### c. Basis of measurement

The financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities and defined benefit plan assets/liabilities measured at fair value.

##### d. Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported

---

amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

#### ***Judgements***

Information about judgements made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 31 – lease; whether an arrangement contains a lease and:
- Note 31 – lease classification

#### ***Assumptions and estimation uncertainties***

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending 31 March 2023 is included in the following notes:

- Note 3 – useful life of Property, plant and equipment
- Note 4– useful life of Intangible assets
- Note 32 – employee benefit plans
- Note 26 – Income taxes
- Note 29 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources;

#### **e. Measurement of fair values**

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data

---

**Taparia Tools Limited****Notes to the financial statements for the year ended 31 March 2023**

---

(unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

**2. Significant accounting policies****a. Property, plant and equipment*****i. Recognition and measurement***

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

**Taparia Tools Limited**

**Notes to the financial statements for the year ended 31 March 2023**

**ii. Subsequent expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

**iii. Depreciation**

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss.

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

<b>Asset</b>	<b>Management estimate useful life</b>	<b>Useful life as per Schedule II of the Companies Act, 2013</b>
Building	30 Years	30 Years
Plant and machinery (including moulds)	15 years	15 years
Office equipment's	5 years	5 years
Furniture and fixtures	10 years	10 years
Computers	3 years	3 years
Computer server	3 years	6 years
Vehicles- Motor car	8 years	8 years
Electric fittings	10 years	10 years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

**Taparia Tools Limited****Notes to the financial statements for the year ended 31 March 2023**

---

**b. Intangible assets****i. Acquired intangible**

Intangible assets comprise purchased technical know-how are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

**ii. Subsequent expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

**iii. Amortisation**

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method and is included in depreciation and amortisation in Statement of Profit and Loss.

Intangible assets are amortised over a period of 10 years for technical know-how and 3 years for others.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

**C. Inventories**

Inventories are valued at the lower of cost and net realisable value. Cost includes purchase price, duties, transport & handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition.

The basis of determination of cost remains as follows:

- a) Raw material, packing material: Moving weighted average cost.
- b) Spares & stores: Moving weighted average cost.
- c) Work-in-progress: Cost of input plus overhead up to the stage of completion.
- d) Finished Goods: Cost of input plus appropriate overhead.

- e) Scrap: at net realisable value.

**d. Impairment**

***Impairment of non-financial assets***

- a) An asset is deemed impairable when recoverable value is less than its carrying cost and the difference between the two represents provisioning exigency.
- b) Recoverable value is the higher of the 'Value in Use' and fair value as reduced by cost of disposal.
- c) Test of impairment of PPE, investment in subsidiaries / associates / joint venture and goodwill are undertaken under Cash Generating Unit (CGU) concept. For Intangible Assets and Investment Properties it is undertaken in asset specific context.
- d) Test of impairment of assets are generally undertaken based on indication of impairment, if any, from external and internal sources of information outlined in para 12 of Ind AS-36.

Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

**e. Employee benefits**

**i. *Short-term employee benefits***

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

**ii. *Defined contribution plans***

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund and Employee State Insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

**Taparia Tools Limited****Notes to the financial statements for the year ended 31 March 2023**

---

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

***iii. Defined benefit plans***

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

***iv. Other long-term employee benefits***

The Company's net obligation in respect of long-term employee benefits other than post-employment benefits is the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The obligation is measured on the basis of an annual independent actuarial valuation using the projected unit credit method. Remeasurements gains or losses are recognised in profit or loss in the period in which they arise.

**f. Provisions and contingent liabilities**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

**g. Leases*****As a lessee***

In the statement of profit and loss for the year, instead of rent expenses (as accounted under previous periods), amortisation of right of use has been accounted under depreciation and amortisation expenses and unwinding of discount on lease liabilities has been accounted under finance cost.

The Company's leases primarily consist of leases of land and office premises. The Company

assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the Company recognizes a ROU and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and/or low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Currently, ROU assets are being amortised over a period of 3-5 years based on lease term being lower of lease term and estimated useful life of underlying assets.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing activities in statement of cash flows.

#### ***As a lessor***

Lease income from operating leases where the Company is a lessor is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

#### **h. Borrowing costs**

Borrowing costs directly attributable to the acquisition or construction of those property, plant and equipment which necessarily takes a substantial period of time to get ready for their intended use are capitalised. All other borrowing costs are expensed in the period in which they incur in the statement of profit and loss.

#### **i. Revenue**

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms. Revenue is measured on the basis of contracted / transaction price, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Accumulated experience is used to estimate the provision for such discounts and rebates. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur. Our customers have the contractual right to return goods only when authorised by the Company. An estimate is made of goods that will be returned and a liability is recognised for this amount using a best estimate based on accumulated experience.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Interest income is recognised using the effective interest rate (EIR) method.

#### **j. Foreign currency transactions**

Transactions in foreign currencies are initially recorded by the company at their functional currency spot rates at the date of the transaction.

Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

#### **k. Recognition of interest income or expense**

For all debt instruments measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter

---

period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

#### **i. Government grant**

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the statement of profit and loss on a systematic basis over the periods to which they relate. When the grant relates to an asset, it is treated as deferred income and recognised in the statement of profit and loss on a systematic basis over the useful life of the asset.

#### **m. Income tax**

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

##### ***i. Current tax***

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

##### ***ii. Deferred tax***

Deferred tax is recognised in respect of temporary differences between the carrying

## Taparia Tools Limited

### Notes to the financial statements for the year ended 31 March 2023

---

amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used.

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis

#### **n. Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding after adjusting for the effects of all potential dilutive ordinary shares.

#### **o. Cash flow statement**

Cash Flows are reported using indirect method, where by profit /loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

**p. Financial instruments**

**i. *Recognition and initial measurement***

The Company initially recognises financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are measured at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

**ii. *Classification and subsequent measurement***

***Financial assets***

*Financial assets carried at amortised cost*

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

*Financial assets at fair value through other comprehensive income*

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

*Financial assets at fair value through profit or loss*

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

*Financial liabilities*

Financial liabilities are subsequently carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

**iii. *Derecognition***

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Impairment of financial assets

The company assesses impairment based on expected credit losses (ECL) model at an amount equal to:

- 12 months expected credit losses, or
- Lifetime expected credit losses

depending upon whether there has been a significant increase in credit risk since initial recognition.

However, for trade receivables, the company does not track the changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

**iv. *Offsetting***

Financial assets and financial liabilities are offset and the net amount presented in the

balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously.

**p. Recent amendments to Indian Accounting Standards:**

On March 31, 2023, Ministry of Corporate Affairs ('MCA') issued the Companies (Indian Accounting Standards) Amendment Rules, 2023 ('the Rules'), applicable for annual reporting periods beginning on or after April 01, 2023, which are as below:

**1. Ind AS 1 – Presentation of Financial Statements:**

Entities are required to disclose its 'material accounting policy information' instead of its 'significant accounting policies'. Guidance has been added to explain how an entity can identify material accounting policy information and to give examples of when accounting policy information is likely to be material. The amendments also clarify that-

a. accounting policy information may be material because of its nature, even if the related amounts are immaterial;

b. accounting policy information is material if users of an entity's financial statements would need it to understand other material information in the financial statements; and

c. if an entity discloses immaterial accounting policy information, such information shall not obscure material accounting policy information.

These amendments are not expected to have a material impact on the financial statements of the Company and the management will evaluate the disclosures requirements for the subsequent annual financial reporting.

**2. Ind AS 8 – Accounting policies, Changes in Accounting estimates and Error:**

The definition of 'change in accounting estimates' is replaced with a definition of 'accounting estimates'. As per the new definition accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". The amendments have also added explanation for treatment and recognition of changes in accounting estimates.

These amendments are not expected to have a material impact on the financial statements of

---

**Taparia Tools Limited****Notes to the financial statements for the year ended 31 March 2023**

---

the Company.

**3. Ind AS 12 – Income taxes:**

Transactions which give rise to equal taxable and deductible temporary differences (at time of the transaction) have been added to exceptions to the initial recognition exemption provided in the Ind AS 12. The amendments also apply to taxable and deductible temporary differences associated with right-of-use assets and lease liabilities, and decommissioning obligations and corresponding amounts recognised as assets at the beginning of the earliest comparative period presented and requires recognition of the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at that date.

The Company is in the process of evaluating the impact of these amendments, however, these amendments are not expected to have a material impact on the financial statements of the Company as the Company already recognised the deferred taxes associated with right-of-use assets and lease liabilities that are already aligned with the proposed amendments.

**4. Amendments pertaining to other Ind AS** [i.e. Ind AS 34 - Interim Financial Reporting, Ind AS 101 – First Time Adoption of Indian Accounting Standards, Ind AS 102 – Share-based Payments, Ind AS 103 – Business Combinations, Ind AS 107 – Financial Instruments Disclosures, Ind AS 109 – Financial Instruments and Ind AS 115 – Revenue from Contracts with Customers] contained in the said Rules are in the nature of either certain corrections of errors or consequential cross reference in respect of the above mentioned amendments and do not have impact on accounting principles.

The company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgement is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income by each jurisdiction in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

**28 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the parent by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares.

**29.1** Contingent liabilities above represent estimates made mainly for probable claims arising out of litigation and disputes pending with tax authorities. The probability and timing of outflow with regard to these matters depend on the final outcome of litigations / disputes. Hence the Company is not able to reasonably ascertain the timing of the outflow.

**29.2** The Company is subject to legal proceedings and claims which arise in the ordinary course of business. The Company has reviewed all its pending litigations and proceedings and has adequately provided for where provisions are required and disclosed as contingent liability, where applicable. The management does not reasonably expect that these legal actions, when ultimately concluded and determined, will have a material and adverse effect on the Company's operations or financial condition.

**30** The Company was set up with the objective of manufacturing Handtools business segment. This is the only activity performed and is thus also the main source of risks and returns. Accordingly, the Company has a single reportable segment. Further, as the Company does not operate in more than one geographical segment hence the relevant disclosures as per Ind AS 108 are not applicable to the company.

**31** The company has taken certain building premises under cancellable operating leases. In the rent agreements there are no terms for purchase option or any restriction such as those concerning dividend and additional debts. Lease agreements of the company do not contain any variable lease payment or any residual value guarantees. The company has not entered into any sublease agreement.

**Significant estimates: actuarial assumptions and sensitivity**

The significant actuarial assumptions were as follows:

	For the year ended March 31, 2023	For the year ended March 31, 2022
Discount rate	7.39%	6.85%
Salary growth rate	20% for the next 1 years.&10% p.a.thereafter	20% for the next 1 years.&10% p.a.thereafter
Retirement age	58 & 75 Years	58 & 75 Years
Withdrawal rates	2.00%	2.00%
Weighted average duration of defined benefit obligation	9	9.00

Assumptions regarding future mortality rates are based on Indian Assured Lives Mortality (2012-14) Ultimate as published by Insurance Regulatory and Development Authority (IRDA).

The actuarial valuation is carried out yearly by an independent actuary. The discount rate used for determining the present value of obligation under the defined benefit plan is determined by reference to market yields at the end of the reporting period on Indian Government Bonds. The currency and the term of the government bonds is consistent with the currency and term of the defined benefit obligation.

**The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:**

(₹ in lakhs)

	As at March 31, 2023	As at March 31, 2022
Projected Benefits Obligations on Current Assumptions	875.20	796.36
Delta Effect +1% Change in Rate of Discounting	(41.40)	(40.37)
Delta Effect -1% Change in Rate of Discounting	46.04	45.01
Delta Effect +1% Change in Rate of Salary Increase	42.53	40.49
Delta Effect -1% Change in Rate of Salary Increase	(39.53)	(37.50)
Delta Effect +1% Change in Rate of Employee Turnover	(6.41)	(7.94)
Delta Effect -1% Change in Rate of Employee Turnover	6.97	8.63

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period

**35 Financial Instrument - Accounting classifications and fair values measurements**

The fair value of the assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in forced or liquidation sale. The following methods and assumptions were used to estimate the fair value:

- 1 Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to the short term maturities of these instruments.
- 2 Financial instruments with fixed and variable interest rates are evaluated by the company based on parametes such as interest rate and individual credit worthiness of the counterparty. Based on this evaluation, allowance are taken to the account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2 : other techniques for which all inuts which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

The Following table shows thw company amounts and fair values of financial assets and financial liabilities, incuding their levels of in the fair value hierarchy :

The Company has not disclosed the fair values for financial instruments such as trade receivables, cash and cash equivalents, other bank balances, loans, borrowings, trade payable, other financial assets and financial liabilities, because their carrying amounts are a reasonable approximation of fair value.

#### Financial risk management objectives and policies

The Company has exposure to the following risks arising from financial instruments :

- Credit risk
- Liquidity risk
- Market risk
- Interest risk

#### Risk management framework

The Company's management has overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company conduct yearly risk assessment activities to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company has a system in place to ensure risk identification and ongoing periodic risk assessment is carried out. The Board of directors periodically monitors the risk assessment.

#### i) Credit risk

Credit risk is the risk that counterparty will not meet its obligation under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables and deposits to landlords) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments. The company generally doesn't have collateral.

The carrying amounts of financial assets represent the maximum credit risk exposure. The maximum exposure to credit risk at the reporting date was:

	As at March 31, 2023	As at March 31, 2022
Trade receivables	6,597.13	6,115.81
Cash and cash equivalents	659.05	571.06
Loans	6.47	6.58
Other financial assets	171.37	96.17

#### Trade receivables

Customer credit risk is managed as per Company's established policy, procedures and control relating to customer credit risk management. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

## 35 (Contd...)

**Trade receivables (contd...)**

An impairment analysis is performed for all major customers at each reporting date on an individual basis. In addition, a large number of minor receivables are grouped into homogenous group and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed in note 9. The company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several industries and operate in largely independent markets.

**Bank balances and deposits with banks**

Credit risk from balances with banks is managed by the company's finance department as per Company's policy. Investment of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Board of directors. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk. During the current year the Company has provided for impairment loss of Rs 5.55 lakh related to trade receivables.

**ii) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

**Exposure to liquidity risk**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

**As at March 31, 2023**

	Carrying amount	Total	Not Due	Contractual cash flows				
				Less than 1 year	1-2 year	2-3 year	More than 3 year	More than 5 years

(₹ in lakhs)

**iii) Market risk**

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowing.

The company manages market risk through a risk management committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing/mitigation them accordingly to company's objectives and declared policies in specific context of impact thereof on various segments of financial instruments.

**Currency risk**

The Company is exposed to currency risk to the extent that there is a mismatch between the currencies in which purchases are denominated and the functional currency of Company. The functional currency of the Company is Indian Rupees. However the Company is not exposed to foreign currency fluctuation between the foreign currency and Indian Rupees.

**iv) Interest risk**

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments was as follows

(₹ in lakhs)

	As at March 31, 2023	As at March 31, 2022
<b>Fixed rate instruments</b>		
Financial assets		
Deposit with banks		6.09
<b>Total</b>	<b>6.09</b>	<b>6.09</b>
<b>Variable-rate instruments</b>		
Financial liabilities
