BOARD'S REPORT

Dear Shareholders,

Your Directors have pleasure in submitting herewith their Annual Report together with the Audited Statement of Accounts for the financial year ended on 31st March, 2025.

FINANCIAL RESULTS

(in INR Lakhs)

Particulars	March 31, 2025	March 31, 2024
Earnings Before Interest, Depreciation and Tax Adjustments	944.12	1,845.50
Less: Interest and Finance Charges	74.82	63.15
Less: Depreciation & Amortisation Expense	66.45	56.46
Less: Provision for Taxation (Current Tax and Adjustment for prior year tax)	242.14	483.80
Less/(Add) Deferred Tax	(34.88)	21.79
Earnings for the year	595.59	1,220.30
Other comprehensive income	(18.38)	(10.45)
Items not to be reclassified to profit or loss, net of tax		
Total comprehensive income for the year	577.21	1,209.85

- **Industry structure and development**

Amol Minechem Limited is the largest producer of Perlite based products in the country with a sizeable market share. It commands a strong leadership position in the product market. The Company produces high quality Perlite based products and supplies to domestic as well as international markets. The Company has a wide range of products to cater different industries depending upon the applications.

In addition to being well-known in the industry as a pioneer, its product commands a strong brand image. Due to the efforts made by the Company in new applications and customer development, the domestic market has significantly developed over the years.

- **Operation**

During the year under review, sales, operating and other income has been INR 6,695.18 Lakhs compared to last year's INR 6,810.85 Lakhs. Earnings before Interest, Depreciation and Tax Adjustment (EBIDTA) have been INR 944.12 Lakhs as against INR 1,845.50 Lakhs of last year. Net profit for the year is at INR 595.59 Lakhs as against INR 1,209.85 Lakhs of last year after providing tax liability.

Due to Global Geo Political issues, there has been an headwinds in the Indian Economy which has impacted the Indian Industries. Further stringent measures by the apex bank to curb the inflation has an effect for demand. This has resulted into subdued revenue for the reporting period which has impacted on the profits of the Company.

The company continues to work to develop new markets and applications. We have met with some success and some other trials continue. Costs are under control but showing an increasing trend. This is going to be a challenge in the years to come. Order book for insulation jobs is reasonable and we anticipate more orders in time to come. Thermal

insulation products are getting more acceptance and we hope to convert this to more business in future.

- **Outlook**

Geopolitical Issues has created substantial disruption in business and uncertainty. Economy is under lot of stress and overall sentiments are weak. Business is bound to suffer. However, your company is making all efforts to maintain the volumes of business to the extent possible without taking undue risks. Considering all aspects Perlite business does not seem to be affected much, during this year.

STATEMENT CONCERNING DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY OF THE COMPANY:

The Company has adopted a Risk Management Policy for a systematic approach to control risks. The Risk Management Policy of the Company lays down procedures for risk identification, evaluation, monitoring, review and reporting. The Risk Management Policy has been developed and approved by the Senior Management in accordance with the business strategy.

- **Internal control system and their adequacy**

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operation. The scope of Internal Audit is well defined in the organization. The Internal Audit Report regularly placed before the Audit Committee of the Board. The Management monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies. Based on the report of Internal Auditor, process owners undertake corrective action in their respective areas and thereby strengthening the controls continuously. The current status of the Company is unlisted due to transfer of the Company to the dissemination Board, and hence the requirement for appointment of Internal Audit is not applicable now onwards.

- **Human Resources**

Talent acquisition, retention and development are an integral part of the HR initiatives. The Company has got very cordial relations with the employees at all the levels particularly with the workers. There is no increase in number of people except replacement of any resignation/ retirements. During the year no strikes or lock outs and the industrial relations are being maintained cordial.

TRANSFER TO RESERVES

The Company proposes to retain an amount of INR 4,740.21 Lakhs as surplus in statement of profit and loss account. The amount which are transferred to other reserves are mentioned in 'Schedule 15 – Other Equity' of the Standalone Financial Statement for the period under review.

DIVIDEND

Your directors recommend the payment of dividend of INR 2.50/- per share (25 %) for the financial year ended on 31st March, 2025.

TRANSFER TO THE INVESTOR EDUCATION AND PROTECTION FUND

In accordance with the provisions of sections 124 and 125 of the Act and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividends of the Company which remained unpaid or unclaimed for a period consecutive seven years from the date of transfer to the unpaid dividend account shall be transferred by the

Company to the Investor Education and Protection Fund (“IEPF”).

In terms of the foregoing provisions of the Act, the Company will transfer outstanding unpaid or unclaimed dividend and corresponding shares for the Financial Year ending on March 31, 2017 to the IEPF authorities during the year under review.

FIXED DEPOSITS

The Company has neither accepted nor invited any Deposit falling within the purview of Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules, 2014 as amended from time to time, during the year under review and therefore details mentioned in Rule 8 (5) (v) & (vi) of Companies (Accounts) Rules, 2014 relating to deposits, covered under Chapter V of the Act is not required to be given.

SUBSIDIARIES AND CONSOLIDATED FINANCIAL STATEMENTS

Two foreign Companies viz. Amol Cryogenic Insulation (USA) Inc. and Amol Cryogenic Insulation Ltd. UAE continue to be the subsidiaries of the Company during the last financial year ended on 31st March, 2025.

The Consolidated Financial Statements include the financials of two foreign subsidiaries of the Company namely; Amol Cryogenic Insulation (USA) Inc. and Amol Cryogenic Insulation Ltd. UAE. The Consolidated Financial Statements of the Company are prepared in accordance with the applicable accounting standards issued by the Institute of Chartered Accountants of India are attached herewith and form part of their Report.

INDEPENDENT AUDITORS' REPORT

To the Members of Amol Minechem Limited

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of Amol Minechem Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the Standalone Financial Statements including a summary of material accounting policies and other explanatory information.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Matter of Emphasis

We draw attention to Note 5 to financial statement regarding company's investment of Rs. 20.14 Lakhs in the Equity shares of Amol Cryogenic Insulations (USA) Inc., 100% subsidiary (ACI). Over and above this investment, Company has outstanding loan of Rs. 397.70 Lakhs (31 March 2024 Rs. 393.15 Lakhs) ACI has incurred significant losses over last several years and its net worth has been completely eroded. As at December 31, 2024 it has negative net worth of Rs. 590.56 Lakhs (31 December 2023: Rs. 606.76 Lakhs). Management, based on the review of performance of ACI of current and previous years and ongoing negotiations for future orders and the investments made by the company from which it expects prospective returns has formed a view that ACI would be able to pay loan and other trade liabilities. However, Management feels that the value of investment may not be recoverable accordingly the diminution in value of investment had been provided in previous years.

Our opinion is not modified in respect of this matter.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management and Board of Directors' Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the applicable Indian Accounting Standards (Ind AS) specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors (i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143 (3) of the Act, based on our audit, we report that:
 - (a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended;
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), and Statement of Cash Flow Statement and statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of written representations received from the directors as on March 31, 2025, and taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2025, from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the Internal Financial Controls with reference to Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our audit report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls with reference to the Standalone Financial Statements.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Standalone Financial Statements disclosed the impact of pending litigations on the financial position of the Company – Refer Note 35 to the Standalone Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in Note 40(B)(6) of the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 40(B)(7) of the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The final dividend proposed in the preceding year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable. Further, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. Such dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks and also as stated in Note No 45, The Company maintains its books of account using accounting software that includes an audit trail (edit log) feature. This functionality has been active since November 8, 2024, and captures all relevant transactions, including changes at the master level. There have been no instances observed of tampering with the audit trail feature since its implementation. The Company has also ensured the preservation of audit trail records in compliance with applicable statutory record retention requirements.

Annexure A to Auditors' Report

Referred to in Annexure referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Standalone Financial Statements as of and for the year ended March 31, 2025

- i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and the situation of Property, Plant and Equipment.
- (B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
- (b) The Company has a program of verification of Property, Plant and Equipment so as to cover all the items once in every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain items of Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee, and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment or intangible assets during the year.
- (e) According to the information and explanations given by the management, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended) and rules made thereunder. Hence the reporting requirements under clause (i) (e) of the said order are not applicable.
- ii) (a) The inventory has been physically verified by the Management during the year at regular intervals. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. The discrepancies noticed on verification between the physical stocks and the book records were not 10% or more in aggregate and have been appropriately dealt with in the books of account.
- (b) The Company has been sanctioned working capital limits in excess of Rs. five crores in aggregate from banks during the year on the basis of security of current assets of the Company. The quarterly returns / statements filed by the Company with such banks are in agreement with the unaudited books of accounts of the Company of the respective months.
- iii) The company has granted unsecured loans to its subsidiaries, directors, related parties and other parties:
- (a) In our opinion and according to the information and explanations given to us and the records produced to us for our verification, during the year the Company has provided loans as follows:

(Rupees in Lakhs)	
Particulars	Loans
Aggregate Amount granted / provided during the year	
- Related Parties	1,351.84
- Others	2,244.97
Balances outstanding as at balance sheet date	
- Subsidiaries	510.24
- Related Parties	1,139.05
- Director	157.50
- Others	3,224.31

Annexure to Auditors' Report

Referred to in Annexure referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Standalone Financial Statements as of and for the year ended March 31, 2025

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, we are of the opinion that rate of interest and other terms and conditions of the investments made and loans granted by the Company are not, prima facie, prejudicial to the interest of Company.
- (c) In respect of loans granted by the company, the schedule of repayment of principal and payment of interest has been stipulated and the repayment or receipts are regular.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the Balance Sheet date.
- (e) According to the information and explanation given to us and on the basis of our examination of the records of the company, the no loans had fallen due and have been renewed or extended during the year.
- (f) The Company has not granted any loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment. Accordingly, the requirement to report on clause 3(iii)(f) of the Order is not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the company has complied with provisions of section 185 and 186 of the companies Act, 2013 in respect of loans, investments, guarantees and security.
- v) The Company has neither accepted deposits from the public nor accepted any amount which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Rules made thereunder. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi) We have broadly reviewed the books of account maintained by the Company in respect of products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been prescribed under sub-section (1) of Section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii) (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing undisputed statutory dues including income tax, duty of custom, goods and service tax, cess, provident fund and other material statutory dues, as applicable, with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of statutory dues as referred to above were in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.

- (b) According to the records of the Company, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025 on account of any dispute are given below:

Annexure to Auditors' Report

Referred to in Annexure referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Standalone Financial Statements as of and for the year ended March 31, 2025

Name of the Statute	Nature of Dues	Amount (Rs. In Lakhs)	Amount paid under protest	Period to which the amount relates	Forum where the dispute is pending
Gujarat Value Added Tax Act, 2003 & Central Sales Tax Act, 1956	VAT & CST	13.28	-	2015 to 2017	Assistant Commissioner of State Tax

- viii) According to the information and explanations given to us, the Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- ix) (a) According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any default in repayment of loan from banks or Financial Institution or other borrowings or in the payment of interest thereon (where due) to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) According to the information and explanations given to us and based on our examination of the records of the company, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the standalone financial statements of the company, we report that, prima facie, no funds raised on short term basis have been used by the company for long-term purposes.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The company does not have any associates or joint ventures.
- (f) According to the information and explanations given to us and based on the overall examination of balance sheet, the company has not raised loans by providing investments held in subsidiaries as a security for availment of loan. The company does not have any associates or joint ventures.
- x) (a) The Company has not raised money by way of initial public offer or further public offer (including debt instruments). Accordingly, the provisions of Clause 3(x)(a) of the Order are not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares /fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- xi) (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year nor have we been informed of any such case by the Management.

Annexure to Auditors' Report

Referred to in Annexure referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Standalone Financial Statements as of and for the year ended March 31, 2025

- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by auditors in Form ADT – 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii) The company is not a Nidhi Company. Accordingly, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii) In our opinion, the Company is in compliance with Sections 177 and 188 of the Act, where applicable, for all transaction with related parties and details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv) The provisions of Section 138 of the Companies Act, 2013 are not applicable to the company. Therefore, the requirement to report under clause 3(xiv)(a) and (b) of the Order is not applicable to the Company.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions, within the meaning of Section 192 of the Act, with directors or persons connected with them.
- xvi) (a) According to information and explanations given by management and to the best of our knowledge, the company is not required to be registered under sections 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi)(a) of the Order are not applicable to the Company.

(b) In our opinion and according to the information and explanations given to us, the company has not conducted any Non-Banking Financial or Housing Finance activities.

(c) In our opinion and according to the information and explanations given to us, the company is not a Core Investing Company (CIC) as defined in the regulations made by the Reserve Bank of India.

(d) Based on the written representation provided to us by the management, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause (xvi) (d) of the Order is not applicable.
- xvii) The company has not incurred cash losses during the financial year covered by our audit or immediately preceding financial year.
- xviii) There has been no resignation of the statutory auditors during the year and accordingly the requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- xix) On the basis of the financial ratios disclosed in Note 40 to the standalone financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the

Annexure to Auditors' Report

Referred to in Annexure referred to in paragraph 1 under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Standalone Financial Statements as of and for the year ended March 31, 2025

facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) The Company has fully spent the required amount towards Corporate Social responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a fund specified in Schedule VII of the Act or special account in compliance with the provision of sub-section (6) of Section 135 of the Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

Annexure B to Independent Auditors' Report

Referred to in Annexure referred to in paragraph 2 (f) under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the financial statements as of and for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Amol Minechem Limited as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management and Board of Directors' Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to the standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external

Annexure B to Independent Auditors' Report

Referred to in Annexure referred to in paragraph 2 (f) under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the financial statements as of and for the year ended March 31, 2025

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

1. Background

Amol Minechem Limited (CIN : U14100GJ1979PLC003439) having its registered office at 401, Akshay, 53, Shrimali Society, Navrangpura, Ahmedabad, Gujarat was incorporated on 2nd July 1979 to produce, for the first time in India, Perlite Filteraids and Perlite products. The company started commercial production at the Plant located at Kadi in Mehsana District, Gujarat in the year 1982, its Corporate Office is at Ahmedabad. The company makes steady progress in developing import substitution products in Filteraids and has successfully met the requirements of majority of users. From a small beginning of 600 M.Tons per annum, company has now reached 9000 M.Tons and developed many new applications. The company also undertakes cryogenic insulation jobs. It has specially designed Portable Plants to carry out ON-SITE jobs. In 2022, the NCLT approved the amalgamation of Perlcon Premix Private Limited, established in 2010 and known for eco-friendly premix building materials, with Amol Minechem Limited.

2. Material Accounting Policies

This Note provides a list of the Material Accounting Policies adopted by the Company in the preparation of these Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

The financial statements are presented in INR and all values are rounded to the nearest lakh, except otherwise indicated. Amount less than Rs. 500 are indicated as "0.00" in the financial statements.

i) Compliance with Ind AS:

The Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act as amended.

ii) Historical cost convention:

The Financial Statements have been prepared on a historical cost basis except for the following:

- a) Certain financial assets and liabilities that are measured at fair value
- b) Defined benefit plans: plan assets measured at fair value

iii) Recent accounting pronouncements:

Standards issued / amended but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial

b) Foreign currency transactions:

i) Functional and presentation currency:

Items included in the Financial Statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('functional currency'). The Financial Statements of the Company are presented in Indian currency (INR), which is also the functional and presentation currency of the Company.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gain/(loss) resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss except that they are deferred in equity if they relate to qualifying cash flow hedges. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gain/(loss) are presented in the Statement of Profit and Loss on a net basis within other

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain/(loss).

c) Revenue recognition:

Timing of recognition:

Revenue from Contracts with Customers:

The Company derives revenues primarily from Sale of Goods and Services. The Company recognises revenue as per Ind AS 115, 'Revenue from Contracts with Customers' whereby revenue is recognised when control of goods is transferred to a customer in accordance with the terms of the contract. The control of the goods is transferred upon delivery to the customers either at factory gate of the Company or specific location of the customer or when the goods are handed over to the freight carrier, as per the terms of the contract. A receivable is recognised by the Company when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. Revenue from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Measurement:

Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging upto 180 days. The contracts do not grant any rights of return to the customer. Returns of Goods are accepted by the Company only on an exception basis. Revenue excludes any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax.

Other Revenue:

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

d) Income Taxes:

Tax on Income comprises current tax and deferred tax. These are recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions where appropriate.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

e) Property, Plant and Equipment:

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

Depreciation methods, estimated useful lives and residual value:

Premium on lease hold land is amortised over the period of lease. Depreciation is provided as under:

Useful Life Schedule

Class of Assets	Amol Unit		Perlcon Unit	
	Useful Life	Method of Depreciation	Useful Life	Method of Depreciation
Leasehold land	Lease Tenure	Straight Line Method	NA	NA
Buildings	3 to 60	Straight Line Method	30 Years	Written Down Value
Plant and Machinery	8 to 22	Straight Line Method	15 Years	Written Down Value
Laboratory Equipment's	10 Years	Straight Line Method	10 Years	Written Down Value
Electric Installation	10 Years	Straight Line Method	10 Years	Written Down Value
Furniture & Fixtures	5 Years	Straight Line Method	10 Years	Written Down Value
Office Equipment	5 Years	Straight Line Method	5 Years	Written Down Value
Computer Systems	3 Years	Straight Line Method	3 Years	Written Down Value
Vehicles	8 to 10	Straight Line Method	NA	NA

Depreciation is calculated on a pro-rata basis from the date of acquisition/installation till the date the assets are sold or disposed off.

The useful lives have been determined based on technical evaluation done by the Management experts which are similar to the useful life prescribed in Part C of Schedule II to the Companies Act, 2013 in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

f) Impairment of assets:

The carrying amount of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/external factors. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognised.

g) Inventories:

Cost of Inventories is arrived at on First-In First-Out (FIFO) basis and valued at cost or net realisable value whichever is lower. Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

h) Investments and other financial assets:

Classification:

The Company classifies its financial assets in the following measurement categories:

- i) Those to be measured subsequently at fair value (either through Other Comprehensive Income, or through profit or loss).
- ii) Those measured at amortised cost.

The classification depends the business model of the entity for managing financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or Other Comprehensive Income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through Other Comprehensive Income.

Initial recognition and measurement:

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Subsequent measurement:

After initial recognition, financial assets are measured at:

- i) Fair value (either through Other Comprehensive Income (FVOCI) or through profit or loss (FVPL)) or,
- ii) Amortised cost

Measured at amortised cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the EIR method less impairment, if any, the amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

Measured at fair value through Other Comprehensive Income (OCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through Other Comprehensive Income. Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain/(loss) previously recognised in OCI is reclassified from the equity to other income in the Statement of Profit and Loss.

Measured at fair value through profit or loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Statement of Profit and Loss.

Equity instruments:

The Company subsequently measures all investments in equity instruments other than subsidiary companies, associate company, joint venture company and unquoted investments at fair value. The Management of the Company has elected to present fair value gains and losses on such equity investments in Other Comprehensive Income, and there is no subsequent reclassification of these fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments continue to be recognised in profit or loss as other income when the right to receive payment is established.

Investments in Subsidiary Companies:

Investments in subsidiary companies, associate company and joint venture company are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies, associate company and joint venture company, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

Impairment of Financial Assets:

The Company assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition:

A financial asset is de-recognised only when the Company

- i) has transferred the rights to receive cash flows from the financial asset or
- ii) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

Financial liabilities:

i) Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

ii) Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

iv) De-recognition

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or expires.

i) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

j) Provisions and contingent liabilities:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the Management of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k) Employee benefits:

Short-term employee benefits:

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits etc. are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations within the Balance Sheet. Termination benefits are recognised as an expense as and when incurred. Short-term leave encashment is provided at undiscounted amount during the accounting period based on service rendered by employees.

Other long-term employee benefits:

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss. The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Defined contribution plan:

Contributions to defined contribution schemes such as contribution to Provident Fund, Superannuation Fund, Employees' State Insurance Corporation, National Pension Scheme and Labours Welfare Fund are charged as an expense to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined benefit plan:

Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Balance Sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. Company pays regular premium to insurance company towards Gratuity liabilities. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Statement of Profit and Loss. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

1) Segment Reporting

The company's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit that different products and serves different markets. The analysis of geographical segments is based on the geographical location of the customers.

3. Critical estimates and judgements

Preparation of the Financial Statements requires use of accounting estimates which, by definition, will seldom equal the actual results. This Note provides an overview of the areas that involved a higher degree of judgements or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas involving critical estimates or judgements are:

- 1) Estimation of useful life of tangible assets
- 2) Impairment of investments and recoverability of loans to foreign subsidiaries of the company
- 3) Estimation of Fair Value of the Unquoted Investments.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Nature and Purpose of Reserves:

Capital Redemption Reserve: Capital Redemption Reserve is created on account of buyback of equity shares of the company and can be used for issue of fully paid up bonus shares of the company.

Capital Reserve: The Company has recognised capital reserve pursuant to Scheme of Amalgamation approved by NCLT of Perlcon Premix Private Limited with the company.

General Reserve: The general reserve is used from time to time to transfer profit from retained earnings for apportion purposes.

Retained Earnings: Retained Earnings represents the amount of profits or losses of the company earned till date net of appropriation.

Amol Minechem Limited

34. Events occurring after the reporting period

The proposed dividend on Equity shares at **Rs. 2.50 per** share is recommended by the Board of Directors which is subject to the approval of Shareholders in the ensuing Annual General Meeting.

35. Details of loans given, investments made and guarantees given under Section 186(4) of the Companies Act, 2013

Particulars	Purpose	As at	As at
		31st March, 2025	31st March, 2024
Loans to Subsidiary Company:			
Amol Croyogenic Insulation (USA) Inc.	Business working capital loan	397.70	393.15
Amol Croyogenic Insulation Limited	Business working capital loan	112.54	108.41

*includes Interest converted into loans during the year ended 31 March, 2025 of Rs. 25.34 Lakhs (31 March 2024: Rs. 24.07 Lakhs)

Note: The loanees did not hold any shares in the Share capital of the Company.

36. Segment Reporting

As the Company's business activity falls within a single primary segment viz. Filter Aid - Perlite Products and Activites, the disclosure requirement of IND AS - 108 'Operating Segments' notified under the Companies (Indian Accounting Standards) Rules, 2015, is not applicable with regards to primary segment.

Secondary Segment - Geographical

Particulars	In India		Outside India		Total	
	2024-25	2023-24	2024-25	2023-24	2024-25	2023-24
Segment Revenue	5,750.96	5,529.58	415.36	709.73	6,166.32	6,239.31
Carrying cost of segment assets	8,139.35	7,735.80	574.51	592.81	8,713.86	8,328.61
Addition to assets	236.57	28.06	-	-	236.57	28.06

37. Foreign Currency Risk Exposure

The Company has international operations and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognised Financial assets and liabilities denominated in a currency that is not the functional currency (INR) of the Company. The risk also includes highly probable foreign currency cash flows.

The company has exposure arising out of imports, exports, loans and other transactions other than functional risks. The exposure to foreign currency risk of the company at the end of the reporting period expressed in Rupee, as follows:

Particulars	As at		As at	
	31st March, 2025		31st March, 2024	
	INR	Foreign Currency	INR	Foreign Currency
	In Lakhs	In Actuals	In Lakhs	In Actuals
Financial Liabilities				
Trade payables	-	-	-	-
Net exposure to foreign currency risk (liabilities)	-	-	-	-
Financial Assets				
Trade Receivables	12.56	USD 14,671	-	-
Loans and advances	510.24	USD 5,96,217	501.56	USD 6,01,611
Net exposure to foreign currency risk (Assets)	522.80	USD 6,10,888	501.56	USD 6,01,611
Excess of financial liabilities over financial assets	(522.80)	USD (6,10,888)	(501.56)	USD (6,01,611)

Foreign currency sensitivity analysis:

Movement in the foreign currency impacts the revenue and cost of borrowings. The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a parallel foreign exchange rates shift in the foreign exchange rates of each currency by 1%, which represents management's assessment of the reasonably possible change in foreign exchange rates.

The following table details the Company's sensitivity movement in the foreign currencies:

Particulars	Increase In Assumption	Decrease In Assumption
	USD	USD
Change in assumption by 1%		
As at 31st March, 2025	(5.23)	5.23
As at 31st March, 2024	(5.02)	5.02

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025*(Rupees In Lakhs)***38. Financial Instrument****Capital management**

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Company determines the amount of capital required on the basis of annual planning and budgeting and its plan for working capital and long-term borrowings. The funding requirements are met through equity, internal accruals and a combination of both long-term and short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity and maturity profile of the overall debt portfolio of the Company.

Particulars		As at	As at
		31st March, 2025	31st March, 2024
Gross debt (long-term and short-term borrowings including current maturities)		617.96	632.68
	Total Debt	617.96	632.68
Equity		81.91	81.91
Other Equity		7,281.14	6,744.89
	Total Equity	7,363.05	6,826.80
Debt Equity Ratio		0.08	0.09

Financial risk management

The Company's activities expose it to a variety of financial risks viz., market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Market risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes can not be normally predicted with reasonable accuracy.

Interest rate risk management:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

Particulars		As at	As at
		31st March, 2025	31st March, 2024
Fixed rate borrowings		317.36	285.64
Floating rate borrowings		300.60	347.04
	Total borrowings	617.96	632.68

A 50 basis point increase or decrease represents management's assessment of the reasonably possible change in interest rates. If interest rates had been 50 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31st March, 2025 would decrease / increase by Rs. 0.97 Lakhs (March 2024 Rs. 1.12 Lakhs). This is mainly attributable to interest rates on variable rate borrowings.

Equity price risk:

Equity price risk is related to the change in market reference price of the investments in quoted equity securities. The fair value of some of the Company's investments exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

Equity price sensitivity analysis:

The fair value of equity instruments as at 31st March 2025 was Rs. 2.32 Lakhs (31 March 2024 - Rs. 2.06 Lakhs). A 10% change in prices of equity instruments held as at 31 March 2025 would result in an increase / decrease of Rs. 0.23 Lakhs (31 March 2024 - 0.21 Lakhs) in fair value of equity instruments.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk is managed by the Company through monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The credit terms are generally based on the terms and conditions mentioned in tender documents bidding through which contracts of revenue are being awarded to the Company. The major customers are generally from the public sector undertakings and related entities. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Receivables which are past due but not impaired are assessed on individual case to case basis and relate to a number of independent third party historically the amount outstanding for more than one year does not exceed 6.79% of the total receivables on the respective reporting date. Accordingly, the management does not anticipate a significant loss on account of time value of money.

The details in respect of percentage of revenues generated from top customer and top 10 customers are as follows:

Particulars		As at	As at
		31st March, 2025	31st March, 2024
Revenue from top customer		7.42%	7.41%
Revenue from top-10 customers		43.19%	50.57%

Liquidity risk

Liquidity risk refers to the risk that the Company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. As a prudent liquidity risk management measure, the Company closely monitors its liquidity position for the Company's short term and long term funding and liquidity requirement.

The Company manages liquidity risk by maintaining adequate balances on hand, banking facilities from both domestic and international banks/ financial institutions, reserve borrowing facilities and continuously monitoring actual cash flow and by matching the maturity profiles of financial assets and liabilities. Based on past performance and current expectations, the Company believes that the cash and cash equivalents, cash generated from operations and available un-drawn credit facilities, will satisfy its working capital needs, capital expenditure and other liquidity requirements associated with its existing operations, through at least the next twelve months.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Consolidated Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the 3 levels prescribed under the Accounting Standard. An explanation of each level is given below the table:

Particulars	Note	Level 1	Level 2	Level 3	Total
Assets and liabilities measured at fair value - recurring fair value measurements					
As at 31st March, 2025					
Financial investments at FVOCI:					
Quoted Equity shares		2.31	-	-	2.31
Financial investments at FVPL:					
Alternative Investment Fund		-	366.95	-	366.95
Total Financial asset		2.31	366.95	-	369.26
As at 31st March, 2024					
Financial investments at FVOCI:					
Quoted Equity shares		2.06	-	-	2.06
Financial investments at FVPL:					
Alternative Investment Fund		-	328.90	-	328.90
Total Financial asset		2.06	328.90	-	330.96

Note:

(a) Investments in subsidiaries are measured at cost in accordance with Ind AS - 27 and hence excluded from the aforesaid disclosure.

(b) Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual fund units that have a quoted price. The fair value of all equity instruments which are traded on the Stock Exchanges is valued using the closing price as at the reporting period. The mutual fund units are valued using the closing net assets value.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which minimise the use of observable market data and rely as little as possible on observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(c) The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with creditors, dividend receivable, other liabilities (including discount payable) and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025**(Rupees In Lakhs)****41. Employee Benefits****a) Defined contribution plan:**

Eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. Amount recognized as expense amounts to Rs. 43.77 Lakhs (31 March 2024 - Rs 37.55 Lakhs)

b) Defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with an insurance company in the form of a qualifying insurance policy.

The following tables summaries the components of net benefit expense recognised in statement of profit and loss and the funded status and amounts recognised in the balance sheet for the respective plans.

(Rupees In Lakhs)		
Particulars	As at 31st March, 2025	As at 31st March, 2024
I - Expense recognized in the Statement of Profit and Loss (as employee cost):		
Current service cost	9.16	7.43
Net interest cost	0.10	0.08
Expense recognized during the period	9.26	7.51
II - Re-measurements recognized in Other Comprehensive Income (OCI):		
Actuarial losses on obligation for the period	20.08	11.99
Return on plan assets excluding interest income	0.30	2.05
Net (income)/expense for the period recognized in OCI	20.38	14.04
III - Reconciliation of present value of defined benefit obligation:		
PV of defined benefit obligation at the beginning of the period	157.83	143.71
Current service cost	9.16	7.43
Interest cost	11.41	10.78
Benefits paid from the fund	(16.94)	(16.08)
Actuarial (Gain) / Loss on obligation	20.08	11.99
PV of defined benefit obligation at the end of the period	181.54	157.83
IV - Reconciliation of the net benefit liability (asset) :		
As at the beginning of the period	1.33	1.07
Expenses recognized during the period	9.26	7.51
Expenses recognized in OCI	20.38	14.04
Net (liability)/asset transfer out (Employer's contribution)	(4.27)	(21.29)
As at the end of the period	26.70	1.33
V - Reconciliation of present value of plan assets:		
Present value of plan assets at the beginning of the period	156.49	142.63
Expected return on plan assets	11.31	10.70
Contributions by the employer	4.27	21.29
Actuarial gains / (losses) on plan assets	(0.30)	(2.05)
Benefits paid	(16.94)	(16.08)
Present value of plan assets at the end of the period	154.83	156.49
VI - Net liability recognized in the Balance Sheet		
Present value of obligation as at the end of the period	181.54	157.83
Fair value of plan assets as at the end of the period	(154.83)	(156.49)

Notes to the Standalone Financial Statements for the year ended on 31st March, 2025

(Rupees In Lakhs)

XIII - Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Changes In Assumptions		Increase In Assumptions		Decrease In Assumptions	
	31st March, 2025	31st March, 2024	31st March, 2025	31st March, 2024	31st March, 2025	31st March, 2024
Discounting rate	1%	1%	(14.89)	(12.26)	17.16	14.11
Salary escalation rate	1%	1%	16.79	13.87	(14.87)	(12.28)
Employee turnover	1%	1%	(1.49)	(0.76)	1.65	0.84

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative or the actual change in the projected benefit as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

XIV - Maturity Analysis of the Benefit Payments: From the Fund

Particulars	As at	As at
	31st March, 2025	31st March, 2024
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	6.06	16.12
2nd Following Year	7.67	3.46
3rd Following Year	25.32	8.44
4th Following Year	16.68	23.66
5th Following Year	6.60	14.57
Sum of Years 6 to 10	82.25	69.61
Sum of Years 11 and above	227.94	196.40

XV - Assumptions

Particulars	As at	As at
	31st March, 2025	31st March, 2024
Discount Rate	6.79%	7.23%
Rate of Return on Plan Assets	6.79%	7.23%
Salary Escalation	8.00%	8.00%
Attrition Rate	2.00%	2.00%

Characteristics of defined benefit plans

The Company has defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered funds.

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to he following risks:

Interest rate risk : A fall in the discount rate which is linked to the G.Sec. Rate will measure the present value of the liability requiring higher provisions. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk : The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment risk : The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit.

Asset Liability Matching Risk : The plan faces ALM risk so as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risks : Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk : Plan is having a concentration risk as all the assets are invested wit the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelienes.

INDEPENDENT AUDITOR'S REPORT

To the Members of Amol Minechem Limited

Report on the Indian Accounting Standards (Ind AS) Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of Amol Minechem Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and notes to the Consolidated Financial Statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2025, and their consolidated profit and other comprehensive income, its consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the standalone financial statements, Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management and Board of Directors' Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the applicable Indian Accounting Standards ("Ind AS") specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group, its associate and its joint ventures, are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors and management of the companies and entities included in the Group and its associate and its joint ventures, are also responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. Subsidiaries of the company being foreign entities, the Companies (Auditors Report) Order (CARO) is not applicable to them. Also, no adverse remark is reported in CARO Report of holding company for standalone financial statements. Hence, the requirement to report on clause 3(xxi) of the Order is not applicable.

2. As required by Section 143(3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, as amended;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), and the Consolidated Statement of Cash Flow and consolidated statement of changes in equity in dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2025 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies are disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statement of the Holding Company, to which requirements of the Act are applicable and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the group's internal financial controls with reference to the Consolidated Financial Statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the holding Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 33 to the Consolidated Financial Statements.
 - ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the holding company.

- iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The final dividend proposed in the preceding year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable. Further, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. Such dividend proposed is in accordance with section 123 of the Act, as applicable.
- vi) Based on our examination which included test checks and also as stated in Note No 46, the Company maintains its books of account using accounting software that includes an audit trail (edit log) feature. This functionality has been active since November 8, 2024, and captures all relevant transactions, including changes at the master level. There have been no instances observed of tampering with the audit trail feature since its implementation. The Company has also ensured the preservation of audit trail records in compliance with applicable statutory record retention requirements.

Annexure A to Independent Auditors' Report

Referred to in Annexure referred to in paragraph 2 (f) under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Consolidated Financial Statements as of and for the year ended March 31, 2025

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Amol Minechem Limited ("the holding company") as of and for the year ended 31 March 2025, we have audited the internal financial controls over financial reporting of Amol Minechem Limited as of that date.

Management and Board of Directors' Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting with reference to the Consolidated Financial Statements.

Annexure A to Independent Auditors' Report

Referred to in Annexure referred to in paragraph 2 (f) under the heading "Report on other legal and regulatory requirements" of our report of even date to the members of **Amol Minechem Limited** on the Consolidated Financial Statements as of and for the year ended March 31, 2025

Meaning of Internal Financial Controls Over Financial Reporting

A group's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A group's internal financial control over financial reporting includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the group; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025

1. Background

Amol Minechem Limited (CIN : U14100GJ1979PLC003439) having its registered office at 401, Akshay, 53, Shrimali Society, Navrangpura, Ahmedabad, Gujarat was incorporated on 2nd July 1979 to produce, for the first time in India, Perlite Filteraids and Perlite products. The company started commercial production at the Plant located at Kadi in Mehsana District, Gujarat in the year 1982, its Corporate Office is at Ahmedabad. The company makes steady progress in developing import substitution products in Filteraids and has successfully met the requirements of majority of users. From a small beginning of 600 M.Tons per annum, company has now reached 9000 M.Tons and developed many new applications. The company also undertakes cryogenic insulation jobs. It has specially designed Portable Plants to carry out ON-SITE jobs. In 2022, the NCLT approved the amalgamation of Perlcon Premix Private Limited, established in 2010 and known for eco-friendly premix building materials, with Amol Minechem Limited.

2. Material Accounting Policies

This Note provides a list of the Material Accounting Policies adopted by the Group in the preparation of these Financial Statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Basis of preparation:

The financial statements are presented in INR and all values are rounded to the nearest lakh, except otherwise indicated. Amount less than Rs. 500 are indicated as "0.00" in the financial statements.

i) Compliance with Ind AS:

The Financial Statements comply in all material respects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act as amended.

ii) Historical cost convention:

The Financial Statements have been prepared on a historical cost basis except for the following:

- a) Certain financial assets and liabilities that are measured at fair value
- b) Defined benefit plans: plan assets measured at fair value

iii) Recent accounting pronouncements:

Standards issued / amended but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2025, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its financial statements.

b) Foreign currency transactions:

i) Functional and presentation currency:

Items included in the Financial Statements of the Group are measured using the currency of the primary economic environment in which the Group operates ('functional currency'). The Financial Statements of the Group are presented in Indian currency (INR), which is also the functional and presentation currency of the Group.

ii) Transactions and balances:

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gain/(loss) resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss except that they are deferred in equity if they relate to qualifying cash flow hedges. Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gain/(loss) are presented in the Statement of Profit and Loss on a net basis within other income/(expense).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain/(loss).

c) Revenue recognition:

Timing of recognition:

Revenue from Contracts with Customers:

The Group derives revenues primarily from Sale of Goods and Services. The Group recognises revenue as per Ind AS 115, 'Revenue from Contracts with Customers' whereby revenue is recognised when control of goods is transferred to a customer in accordance with the terms of the contract. The control of the goods is transferred upon delivery to the customers either at factory gate of the Company or specific location of the customer or when the goods are handed over to the freight carrier, as per the terms of the contract. A receivable is recognised by the Group when the goods are delivered to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. Revenue from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Measurement:

Contracts with customers are for short-term, at an agreed price basis having contracted credit period ranging upto 180 days. The contracts do not grant any rights of return to the customer. Returns of Goods are accepted by the Group only on an exception basis. Revenue excludes any taxes or duties collected on behalf of the government which are levied on sales such as goods and services tax.

Other Revenue:

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025

d) Income Taxes:

Tax on Income comprises current tax and deferred tax. These are recognised in Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in other comprehensive income.

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in Other Comprehensive Income or in Equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations for which applicable tax regulations are subject to interpretation and revises the provisions where appropriate.

Minimum Alternate Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the Statement of Profit and Loss. The credit available under the Act in respect of MAT paid will be recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set off against the normal tax liability. Such an asset is reviewed at each balance sheet date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

e) Property, Plant and Equipment:

All items of property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the carrying amount of asset or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred. Gains or losses arising on retirement or disposal of assets are recognised in the Statement of Profit and Loss.

Depreciation methods, estimated useful lives and residual value:

Premium on lease hold land is amortised over the period of lease. Depreciation is provided as under:

Useful Life Schedule

Class of Assets	Amol Unit		Perlcon Unit	
	Useful Life	Method of Depreciation	Useful Life	Method of Depreciation
Leasehold land	Lease Tenure	Straight Line Method	NA	NA
Buildings	3 to 60	Straight Line Method	30 Years	Written Down Value
Plant and Machinery	8 to 22	Straight Line Method	15 Years	Written Down Value
Laboratory Equipments	10 Years	Straight Line Method	10 Years	Written Down Value
Electric Installation	10 Years	Straight Line Method	10 Years	Written Down Value
Furniture & Fixtures	5 Years	Straight Line Method	10 Years	Written Down Value
Office Equipment	5 Years	Straight Line Method	5 Years	Written Down Value
Computer Systems	3 Years	Straight Line Method	3 Years	Written Down Value
Vehicles	8 to 10	Straight Line Method	NA	NA

Depreciation is calculated on a pro-rata basis from the date of acquisition/installation till the date the assets are sold or disposed off.

The useful lives have been determined based on technical evaluation done by the Management experts which are similar to the useful life prescribed in Part C of Schedule II to the Companies Act, 2013 in order to reflect the actual usage of the assets. The residual values are not more than 5% of the original cost of the asset. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

The carrying amount of an asset is written down immediately to its recoverable amount if the carrying amount of the asset is greater than its estimated recoverable amount.

f) Impairment of assets:

The carrying amount of assets are reviewed at each Balance Sheet date to assess if there is any indication of impairment based on internal/external factors. An impairment loss on such assessment will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount of the assets is net selling price or value in use, whichever is higher. While assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in the circumstances and to the extent that carrying amount of the assets does not exceed the carrying amount that will be determined if no impairment loss had previously been recognised.

g) Inventories:

Cost of Inventories is arrived at on First-In First-Out (FIFO) basis and valued at cost or net realisable value whichever is lower. Cost comprises all costs of purchase, costs of conversion and other costs incurred in bringing the inventory to the present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025

h) Investments and other financial assets:

Classification:

The Group classifies its financial assets in the following measurement categories:

- i) Those to be measured subsequently at fair value (either through Other Comprehensive Income, or through profit or loss).
- ii) Those measured at amortised cost.

The classification depends the business model of the entity for managing financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or Other Comprehensive Income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through Other Comprehensive Income.

Initial recognition and measurement:

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Subsequent measurement:

After initial recognition, financial assets are measured at:

- i) Fair value (either through Other Comprehensive Income (FVOCI) or through profit or loss (FVPL)) or,
- ii) Amortised cost

Measured at amortised cost:

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest, are subsequently measured at amortised cost using the EIR method less impairment, if any, the amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

Measured at fair value through Other Comprehensive Income (OCI):

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through Other Comprehensive Income. Fair value movements are recognised in the OCI. Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On de-recognition, cumulative gain/(loss) previously recognised in OCI is reclassified from the equity to other income in the Statement of Profit and Loss.

Measured at fair value through profit or loss:

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as other income in the Statement of Profit and Loss.

Equity instruments:

The Group subsequently measures all investments in equity instruments, other than subsidiary companies, associate company, joint venture company and unquoted investments, at fair value. The Management of the Company has elected to present fair value gains and losses on such equity investments in Other Comprehensive Income, and there is no subsequent reclassification of these fair value gains and losses to the Statement of Profit and Loss. Dividends from such investments continue to be recognised in profit or loss as other income when the right to receive payment is established.

Impairment of Financial Assets:

The Group assesses on a forward looking basis the expected credit losses associated with its financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

De-recognition:

A financial asset is de-recognised only when the Group

- i) has transferred the rights to receive cash flows from the financial asset or
- ii) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is de-recognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not de-recognised. Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025

Financial liabilities:

i) Classification as debt or equity

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

ii) Initial recognition and measurement

Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the fair value.

iii) Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

iv) De-recognition

A financial liability is de-recognised when the obligation specified in the contract is discharged, cancelled or expires.

i) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

j) Provisions and contingent liabilities:

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. These are reviewed at each year end and reflect the best current estimate. Provisions are not recognised for future operating losses. Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of best estimate of the Management of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

k) Employee benefits:

Short-term employee benefits:

All employee benefits payable within 12 months of service such as salaries, wages, bonus, ex-gratia, medical benefits etc. are recognised in the year in which the employees render the related service and are presented as current employee benefit obligations within the Balance Sheet. Termination benefits are recognised as an expense as and when incurred. Short-term leave encashment is provided at undiscounted amount during the accounting period based on service rendered by employees.

Other long-term employee benefits:

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss. The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer settlement for at least 12 months after the reporting period, regardless of when the actual settlement is expected to occur.

Defined contribution plan:

Contributions to defined contribution schemes such as contribution to Provident Fund, Superannuation Fund, Employees' State Insurance Corporation, National Pension Scheme and Labours Welfare Fund are charged as an expense to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Group has no further defined obligations beyond the monthly contributions.

Defined benefit plan:

Gratuity:

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Balance Sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. Group pays regular premium to insurance company towards Gratuity liabilities. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Statement of Profit and Loss. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025

Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

I) Segment Reporting

The group's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit that different products and serves different markets. The analysis of geographical segments is based on the geographical location of the customers.

3. Critical estimates and judgements

Preparation of the Financial Statements requires use of accounting estimates which, by definition, will seldom equal the actual results. This Note provides an overview of the areas that involved a higher degree of judgements or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

The areas involving critical estimates or judgements are:

- 1) Estimation of useful life of tangible assets
- 2) Estimation of Fair Value of the Unquoted Investments.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

1. Advances for Capital Assets includes Rs. 213.58 Lakhs (PY : Rs. 213.58 Lakhs) given to WTC Noida Development Company Limited for acquisition of a unit in World Trade Centre, GIFT City, Gandhinagar, Gujarat. However, due to delayed construction and unfulfilled financial commitments, the advance given is disputed in nature, and accordingly interest income @ 12% p.a. has not been accrued during the year. However, management based on legal counsel, is of view that no allowance is required to be made on such advances.		
2. Advances for Capital Assets includes Rs. 10.00 Lakhs (PY : Rs Nil) given for Purchase of Units in Alternative Investment Fund of Beams Fintech Fund - 1.		
8. Inventories

Nature and Purpose of Reserves:

Capital Redemption Reserve: Capital Redemption Reserve is created on account of buyback of equity shares of the company and can be used for issue of fully paid up bonus shares of the company.

Capital Reserve: The Company has recognised capital reserve pursuant to Scheme of Amalgamation approved by NCLT of Perlcon Premix Private Limited with the company.

General Reserve: The general reserve is used from time to time to transfer profit from retained earnings for apportion purposes.

Amol Minechem Limited

Carrying cost of segment assets	8,137.42	7,735.80	145.48	147.75	8,282.90	7,883.55
Addition to assets	236.57	28.06	-	-	236.57	28.06

36. Foreign Currency Risk Exposure

The Company has international operations and is exposed to foreign exchange risk arising from foreign currency transactions. Foreign exchange risk arises from future commercial transactions and recognised Financial assets and liabilities denominated in a currency that is not the functional currency (INR) of the Company. The risk also includes highly probable foreign currency cash flows.

The company has exposure arising out of imports, exports, loans and other transactions other than functional risks. The exposure to foreign currency risk of the company at the end of the reporting period expressed in Rupee, as follows:

Particulars	As at 31st March, 2025		As at 31st March, 2024	
	INR	Foreign Currency	INR	Foreign Currency
	In Lakhs	In Actuals	In Lakhs	In Actuals
Financial Liabilities				
Trade payables	-	-	-	-
Net exposure to foreign currency risk (Liabilities)	-	-	-	-
Financial Assets				
Investments	22.94	USD 26,810	22.19	USD 26,810
Balances in Current Accounts	56.87	USD 66,454	9.30	USD 11,160
Trade Receivables	12.56	USD 14,671	22.81	USD 27,440
Net exposure to foreign currency risk (Assets)	92.37	USD 14,671	54.30	USD 65,410
Excess of financial liabilities over financial assets	(92.37)	USD (14,671)	(54.30)	USD (65,410)

Foreign currency sensitivity analysis:

Movement in the foreign currency impacts the revenue and cost of borrowings. The foreign exchange rate sensitivity is calculated for each currency by aggregation of the net foreign exchange rate exposure of a currency and a parallel foreign exchange rates shift in the foreign exchange rates of each currency by 1%, which represents management's assessment of the reasonably possible change in foreign exchange rates.

The following table details the Company's sensitivity movement in the foreign currencies:

Particulars	Increase In Assumption USD	Decrease In Assumption USD
Change in assumption by 1%		
As at 31st March, 2025	(0.13)	0.13
As at 31st March, 2024	(0.55)	0.55

In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025**(Rupees In Lakhs)****37. Financial Instrument****Capital management**

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Company determines the amount of capital required on the basis of annual planning and budgeting and its plan for working capital and long-term borrowings. The funding requirements are met through equity, internal accruals and a combination of both long-term and short-term borrowings. The Company monitors the capital structure on the basis of total debt to equity and maturity profile of the overall debt portfolio of the Company.

Particulars	As at	
	31st March, 2025	31st March, 2024
Gross debt (long-term and short-term borrowings including current maturities)	617.96	632.68
Total Debt	617.96	632.68
Equity	81.91	81.91
Other Equity	6,849.10	6,299.85
Total Equity	6,931.01	6,381.76
Debt Equity Ratio	0.09	0.10

Financial risk management

The Company's activities expose it to a variety of financial risks viz., market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to the Company is foreign exchange risk. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

Market risk

Market risk is the risk that changes in market prices, liquidity and other factors that could have an adverse effect on realizable fair values or future cash flows to the Company. The Company's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates as future specific market changes can not be normally predicted with reasonable accuracy.

Interest rate risk management:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The following table provides a break-up of the Company's fixed and floating rate borrowings:

Particulars	As at	
	31st March, 2025	31st March, 2024
Fixed rate borrowings	317.36	285.64
Floating rate borrowings	300.60	347.04
Total borrowings	617.96	632.68

A 50 basis point increase or decrease represents management's assessment of the reasonably possible change in interest rates. If interest rates had been 50 basis points higher / lower and all other variables were held constant, the Company's profit for the year ended 31st March, 2025 would decrease / increase by Rs. 0.97 Lakhs (March 2024 Rs. 1.12 Lakhs). This is mainly attributable to interest rates on variable rate borrowings.

Equity price risk:

Equity price risk is related to the change in market reference price of the investments in quoted equity securities. The fair value of some of the Company's investments exposes the Company to equity price risks. In general, these securities are not held for trading purposes.

Equity price sensitivity analysis:

The fair value of equity instruments as at 31st March 2025 was Rs. 2.32 Lakhs (31 March 2024 - Rs. 2.06 Lakhs). A 10% change in prices of equity instruments held as at 31 March 2025 would result in an increase / decrease of Rs. 0.23 Lakhs (31 March 2024 - 0.21 Lakhs) in fair value of equity instruments.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk is managed by the Company through monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The credit terms are generally based on the terms and conditions mentioned in tender documents bidding through which contracts of revenue are being awarded to the Company. The major customers are generally from the public sector undertakings and related entities. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. Receivables which are past due but not impaired are assessed on individual case to case basis and relate to a number of independent third party historically the amount outstanding for more than one year does not exceed 6.79% of the total receivables on the respective reporting date. Accordingly, the management does not anticipate a significant loss on account of time value of money.

The details in respect of percentage of revenues generated from top customer and top 10 customers are as follows:

Particulars	As at	
	31st March, 2025	31st March, 2024
Revenue from top customer	7.24%	7.41%
Revenue from top-10 customers	42.15%	50.57%

Liquidity risk

Liquidity risk refers to the risk that the Company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. As a prudent liquidity risk management measure, the Company closely monitors its liquidity position for the Company's short term and long term funding and liquidity requirement.

The Company manages liquidity risk by maintaining adequate balances on hand, banking facilities from both domestic and international banks/ financial institutions, reserve borrowing facilities and continuously monitoring actual cash flow and by matching the maturity profiles of financial assets and liabilities. Based on past performance and current expectations, the Company believes that the cash and cash equivalents, cash generated from operations and available un-drawn credit facilities, will satisfy its working capital needs, capital expenditure and other liquidity requirements associated with its existing operations, through at least the next twelve months.

Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the Consolidated Financial Statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the 3 levels prescribed under the Accounting Standard. An explanation of each level is given below the table:

Particulars	Note	Level 1	Level 2	Level 3	Total
Assets and liabilities measured at fair value - recurring fair value measurements					
As at 31st March, 2025					
Financial investments at FVOCI:					
Quoted Equity shares		2.31	-	-	2.31
Financial investments at FVPL:					
Alternative Investment Fund		-	366.95	-	366.95
Total Financial asset		2.31	366.95	-	369.26
As at 31st March, 2024					
Financial investments at FVOCI:					
Quoted Equity shares		2.06	-	-	2.06
Financial investments at FVPL:					
Alternative Investment Fund		-	328.90	-	328.90
Total Financial asset		2.06	328.90	-	330.96

Note:

(a) Investments in subsidiaries are measured at cost in accordance with Ind AS - 27 and hence excluded from the aforesaid disclosure.

(b) Fair Value Hierarchy

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual fund units that have a quoted price. The fair value of all equity instruments which are traded on the Stock Exchanges is valued using the closing price as at the reporting period. The mutual fund units are valued using the closing net assets value.

Level 2: The fair value of financial instruments that are not traded in an active market (for example over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(c) The carrying amounts of trade receivables, trade payables, other receivables, short-term security deposits, bank deposits with creditors, dividend receivable, other liabilities (including discount payable) and cash and cash equivalents including bank balances other than cash and cash equivalents are considered to be the same as their fair values due to the current and short-term nature of such balances.

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025**(Rupees In Lakhs)****40. Employee Benefits****a) Defined contribution plan:**

Eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. Amount recognized as expense amounts to Rs. 43.77 Lakhs (31 March 2024 - Rs 37.55 Lakhs)

b) Defined benefit plan:

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with an insurance company in the form of a qualifying insurance policy.

The following tables summaries the components of net benefit expense recognised in statement of profit and loss and the funded status and amounts recognised in the balance sheet for the respective plans.

Particulars	(Rupees In Lakhs)	
	As at 31st March, 2025	As at 31st March, 2024
I - Expense recognized in the Statement of Profit and Loss (as employee cost):		
Current service cost	9.16	7.43
Net interest cost	0.10	0.08
Expense recognized during the period	9.26	7.51
II - Re-measurements recognized in Other Comprehensive Income (OCI):		
Actuarial losses on obligation for the period	20.08	11.99
Return on plan assets excluding interest income	0.30	2.05
Net (income)/expense for the period recognized in OCI	20.38	14.04
III - Reconciliation of present value of defined benefit obligation:		
PV of defined benefit obligation at the beginning of the period	157.83	143.71
Current service cost	9.16	7.43
Interest cost	11.41	10.78
Benefits paid from the fund	(16.94)	(16.08)
Actuarial (Gain) / Loss on obligation	20.08	11.99
PV of defined benefit obligation at the end of the period	181.54	157.83
IV - Reconciliation of the net benefit liability (asset) :		
As at the beginning of the period	1.33	1.07
Expenses recognized during the period	9.26	7.51
Expenses recognized in OCI	20.38	14.04
Net (liability)/asset transfer out (Employer's contribution)	(4.27)	(21.29)
As at the end of the period	26.70	1.33
V - Reconciliation of present value of plan assets:		
Present value of plan assets at the beginning of the period	156.49	142.63
Expected return on plan assets	11.31	10.70
Contributions by the employer	4.27	21.29
Actuarial gains / (losses) on plan assets	(0.30)	(2.05)
Benefits paid	(16.94)	(16.08)
Present value of plan assets at the end of the period	154.83	156.49
VI - Net liability recognized in the Balance Sheet		
Present value of obligation as at the end of the period	181.54	157.83
Fair value of plan assets as at the end of the period	(154.83)	(156.49)
Net liability / (asset) recognised in the Balance Sheet	26.71	1.34
VII - Return on plan assets		
Expected return on plan assets	11.31	10.70

Amol Minechem Limited

(CIN : U14100GJ1979PLC003439)

Notes to the Consolidated Financial Statements for the year ended on 31st March, 2025**(Rupees in Lakhs)****XII - Experience adjustment on**

Defined benefit obligations- loss/ (gain)	181.54	157.83
Plan assets- gain/ (loss)	(154.83)	(156.49)
Deficit / (Surplus)	26.71	1.34

XIII - Sensitivity Analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Changes In Assumptions		Increase In Assumptions		Decrease In Assumptions	
	31st March, 2025	31st March, 2024	31st March, 2025	31st March, 2024	31st March, 2025	31st March, 2024
Discounting rate	1%	1%	(14.89)	(12.26)	17.16	14.11
Salary escalation rate	1%	1%	16.79	13.87	(14.87)	(12.28)
Employee turnover	1%	1%	(1.49)	(0.76)	1.65	0.84

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative or the actual change in the projected benefit as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

XIV - Maturity Analysis of the Benefit Payments: From the Fund

Particulars	As at	As at
	31st March, 2025	31st March, 2024
Projected Benefits Payable in Future Years From the Date of Reporting		
1st Following Year	6.06	16.12
2nd Following Year	7.67	3.46
3rd Following Year	25.32	8.44
4th Following Year	16.68	23.66
5th Following Year	6.60	14.57
Sum of Years 6 to 10	82.25	69.61
Sum of Years 11 and above	227.94	196.40

XV - Assumptions

Particulars	As at	As at
	31st March, 2025	31st March, 2024
Discount Rate	6.79%	7.23%
Rate of Return on Plan Assets	6.79%	7.23%
Salary Escalation	8.00%	8.00%
Attrition Rate	2.00%	2.00%

Characteristics of defined benefit plans

The Company has defined benefit gratuity plan in India (funded). The company's defined benefit gratuity plan is a final salary plan for employees, which requires contributions to be made to a separately administered funds.

Risks associated with defined benefit plan

Gratuity is a defined benefit plan and company is exposed to the following risks:

Interest rate risk : A fall in the discount rate which is linked to the G.Sec. Rate will measure the present value of the liability requiring higher provisions. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk : The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment risk : The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit.

Asset Liability Matching Risk : The plan faces ALM risk so as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risks : Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk : Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

46. Note on Audit Trail

The Company maintains its books of account using accounting software that includes an audit trail (edit log) feature. This functionality has been active since November 8, 2024, and captures all relevant transactions, including changes at the master level. There have been no instances observed of tampering with the audit trail feature since its implementation. The Company has also ensured the preservation of audit trail records in compliance with applicable statutory record retention requirements.

47. The Consolidated Financial Statements were authorised for issue by the Board of Directors on June 20, 2025.

The accompanying notes form an integral part of the Consolidated Financial Statements.

NOTES:

- (a) The Statement, pursuant to Section 102 of the Companies Act, 2013, as amended ('Act') forms part of this Notice. Additional information, pursuant to Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Director seeking appointment / re-appointment at this Annual General Meeting ('Meeting' or 'AGM') is furnished as an annexure to the Notice.
- (b) In accordance with the Ministry of Corporate Affairs ("MCA"), General Circulars Nos. 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 5, 2020, 02/2021 dated January 13, 2021, 21/2021 dated December 14, 2021, 2/2022 dated May 5, 2022, 9/2023 dated September 25, 2023 and 09/2024 dated September 19, 2024, respectively, ("**the MCA Circulars**") the Notice of 46th Annual General Meeting ("**AGM**") is being sent only through electronic mode to those members whose e-mail addresses are registered with the Company / Depositories and to all members whose names appear on the Register of Members / List of Beneficial Owners as on **July 18, 2025** as received from the Depositories. The MCA vide the MCA Circulars, has permitted companies to conduct the AGM by sending the Notice and Annual Report in electronic form only. Accordingly, physical copy of this Notice along with the Annual Report will not be sent to the Members for this AGM.
- (c) A member entitled to attend and vote is entitled to appoint a proxy to attend and vote instead of him / herself and proxy need not be a member. The instrument appointing a proxy must be deposited at the Registered Office of the Company not later than 48 hours before the commencement of the meeting.

A person can act as a proxy on behalf of members not exceeding 50 (Fifty) and holding in the aggregate not more than 10 (Ten) per cent of the total share capital of the company carrying voting rights. A member holding more than 10 (Ten) per cent of the total share capital of the company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

- (d) Corporate Members intending to have their representatives attend the Meeting pursuant to Section 113 of the Act, are requested to send to the Company, a certified copy of the relevant Board Resolution to attend and vote on their behalf at the meeting.
- (e) In case of joint holders, the Member whose name appears as the first holder in the order of the names as per the Register of Members of the Company will be entitled to vote at the meeting.
- (f) In line with the MCA Circular dated May 5, 2020, the Notice of the AGM along with the Integrated Report & Annual Accounts 2024-25 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. The Notice convening the 46th AGM has been uploaded on the website of the Company at www.amolminechem.com. The Notice is also available on the website of CDSL at www.evotingindia.com
- (g) As per the provision of Section 72 of the Act, the facility for making Nomination is available for the members in respect of their shareholding in the Company either in single or with joint names. The members are requested to submit the complete and signed form SH-13 with their Depository Participant (DP) who holds the shares in dematerialized form and those who are holding physical shares shall send the same to the Registrar and Share Transfer Agent – MUFG Intime India Pvt. Ltd. (earlier known as Link Intime India Pvt. Ltd.) (the 'RTA').
- (h) Dividends are now taxable in the hands of shareholders hence shareholders are requested to submit form 15G/15H/10F, as the case may be for tax exemption directly on the portal of our RTA i.e. MUFG Intime India Pvt. Ltd. (earlier known as Link

Intime India Pvt. Ltd.).

- (i) The dividend as recommended by the Board of Directors of the Company (Final Dividend of ₹ 2.5 per equity share of ₹ 10 each, if approved at the AGM, will be paid on or before the 30th day from the date of declaration, to those members or their mandates:
 - a. Whose names appear in the list of Beneficial Owners as at the end of business hours on **Tuesday, August 12, 2025** in the lists of Beneficial Owners furnished by National Securities Depository Limited and Central Depository Services (India) Limited immediately before commencement of the Book closure in respect of shares held in electronic form; and
 - b. Whose names appear as member in the Register of Members of the Company after giving effect to the valid transfers in physical forms lodged with the Company and the RTA of the Company on or before **Tuesday, August 12, 2025**.
- (j) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-voting system as well as venue voting on the date of the AGM will be provided by CDSL.
- (k) Members holding shares in physical form are requested to notify/send the following to the RTA of the Company:
 - a. Any change in their mailing address;
 - b. Particulars of their bank account, pan no. & e-mail ids in case the same have not been sent earlier;
 - c. Members who hold shares in physical form in multiple folios in identical names are requested to send the share certificate for consolidation into single folio. Further, please note that Members holding equity shares in electronic form are requested to contact to their DP with whom they are maintaining the demat accounts for updation in address, pan no., e-mail IDs, Bank details, Bank mandate, ECS mandate, etc.
- (l) The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Act will be available for inspection.
- (m) The Register of Members and the Share Transfer Books of the Company will remain closed from **Wednesday, August 13, 2025** to **Tuesday, August 19, 2025** (both days inclusive) in terms of the provisions of the Act for the purpose of the AGM and determining names of the shareholders eligible for final dividend on equity shares, if declared at this AGM.
- (n) Members wishing to claim dividends for previous financial years, which remain unclaimed, are requested to correspond with the Company's Registrars and Transfer Agent (RTA). In case any unclaimed Dividend Warrant is lying with any member, the same should be forwarded to RTA for revalidation. Members are requested to note that dividends not encashed or claimed within seven years from the thirty days of declaration of dividend, will, as per Section 124 of the Companies Act, 2013, be transferred to the IEPF. Further, provisions of Section 124 of the Companies Act, 2013 read with Rule 6 of IEPF Rules as amended, inter alia, mandates the Company to

transfer all such shares, in respect of which dividend have not been paid or claimed for seven consecutive years or more, to the demat account of IEPF Authority. Unclaimed dividend information is available on the website of IEPF viz. www.iepf.gov.in and also on the website of the Company www.amolminechem.com.

- (o) The Company has dedicated E-mail address info@amolminechem.com/cs@amolminechem.com for members to mail their queries or lodge complaints, if any. We will endeavour to reply to your queries at the earliest.
- (p) Members desirous of getting any information about the Financial Statements and operations of the Company are requested to address their queries to the Company Secretary at the Registered Office of the Company, ten (10) days before the AGM enabling the Company to keep the information ready
- (q) The remote e-voting period commences at 09:00 a.m. IST on **Saturday, August 16, 2025** and ends at 5:00 p.m. IST on **Monday, August 18, 2025**. During this period, members of the Company holding shares either in physical form or in dematerialized form, as on Cut-off date of **Tuesday, August 12, 2025** ('Cut-off date'), may cast their vote by remote e-voting. No remote e-voting shall be allowed beyond the aforesaid date and time and the remote e-voting module shall be disabled for voting upon expiry of the aforesaid period. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently
- (r) The voting rights of members shall be in proportion to their shares of the paid-up equity share capital of the Company as on the **Tuesday, August 12, 2025**. Any person, who acquires shares of the Company and become member of the Company after dispatch of the notice and holding shares as of the cut-off date i.e. **Tuesday, August 12, 2025**, may obtain the login ID and password by sending a request at helpdesk.evoting@cdslindia.com.
- (s) The Board of Directors has appointed Mr. Jay Surti (Mem. No. F11534) and failing him Mr. Sharvil B. Suthar (Mem. No. F11466) partner of M/s. Suthar & Surti, Company Secretaries, as the Scrutinizer to scrutinize the remote e-voting process before and during the AGM in a fair and transparent manner.
- (t) The Scrutinizer shall, immediately after the conclusion of voting at the AGM, count the votes cast at the AGM and thereafter unblock the votes cast through remote e-voting in the presence of at least 2 witnesses not in employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than 3 days after the conclusion of the AGM to the Chairman of the Company. The Chairman, or any other person authorised by the Chairman, shall declare the result of the voting forthwith. The result declared along with the consolidated Scrutinizer's Report shall be placed on the Company's website <http://www.amolminechem.com> and on the website of CDSL immediately after the result is declared by the Chairman.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins at 09:00 a.m. IST on **Saturday, August 16, 2025** and ends at 5:00 p.m. IST on **Monday, August 18, 2025**. During this period, shareholders of the Company holding shares either in physical form or in dematerialized form, as on the cut-off date **Tuesday, August 12, 2025**, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. (v) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders holding in Demat form & physical shareholders.**

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on “Shareholders” module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Shareholders holding shares in Demat Form other than individual and Physical Form
PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (v).

- (vi) After entering these details appropriately, click on “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

- (ix) Click on the EVSN for the relevant **AMOL MINECHEM LIMITED** on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) **Facility for Non – Individual Shareholders and Custodians –Remote Voting**

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013, AS AMENDED ('ACT')

ITEM NO 4:

Mr. Pratik S. Sheth has vast experience in the field of Perilite products. The Board of Directors of the Company has approved his appointment for the place of profit in the Company, subject to the approval of the shareholders by way of an Ordinary Resolution.

The provisions of Section 188(1)(f) of the Companies Act, 2013 that govern the related party transactions require a Company to obtain prior approval of the Board of Directors and in case of remuneration exceeding threshold limit as prescribed in Rule 15 of the Companies (Meeting of the Board and its Powers) Rules, 2014, shareholders of the Company for the related party's appointment to any office or place of profit.

The details of the remuneration payable to Mr. Pratik Shreyas Sheth is given in the resolution No. 4 as per section 188(1)(f) of the Companies Act, 2013 and Rules made thereunder.

Second proviso to Section 188(1) of the Companies Act, 2013 provides that no related party shall vote to approve such resolutions whether the related party is interested in the transaction or not. Therefore, none of the related party will vote on this resolution.

Mr. Shreyas C. Sheth, Chairman & Managing Director and Mrs. Priti Shreyas Sheth, Director and their relatives are interested in this item of business to that extent. Except this, none of the Directors or their relatives, are in any way concerned with or interested financially or otherwise in the resolution at item no 6 of the accompanying notice.

The Board recommends the Resolution as set out in the accompanying Notice for the approval of members of the Company as an Ordinary Resolution.
