ANNEXURE "B" TO THE DIRECTORS' REPORT**Disclosures on C.S.R. Activities**

1. A brief outline on the CSR policy of the Company: At Frick India Limited, business success is not just about profits and shareholder returns. We believe in pursuing wider socio-economic and cultural objectives and have always endeavored to not just live up to it, but to try and exceed the expectations of the communities in which we operate. The definition and scope of corporate responsibility is quite vast. Terms like corporate responsibility, corporate social responsibility, sustainable development, corporate philanthropy, corporate citizenship, corporate consciousness, responsible business etc. are used interchangeably. Now, the investors and shareholders are no longer the only stakeholders in the business. Business draws on resources both natural and social from the society and planet and provides products and services to the society. It forms an integral part of the society and is responsible and accountable to a wide range of stakeholders i.e. customers, employees, supply chain, nature, environment, regulatory bodies etc. With the emergence of corporations and conglomerates, the pressure on business on corporate governance, ethics, values and disclosures have increased. Along with regulatory frameworks a number of voluntary frameworks and guidelines require businesses to disclose the manner in which the business is being conducted. In India, the Companies Act, 2013 mandates Corporate Social Responsibility (CSR) activities to be undertaken by companies meeting the criteria specified in the Act

Key features of the CSR Policy areas under:

- 1) The broad guiding principles for selection of CSR activities include needs assessment, if required, programmes identified/adopted will be adaptive and flexible to meet the changing dynamics with focus on long term sustained impact rather than one-time impact or requiring continuous intervention.
- 2) The implementation of the identified CSR activities shall be carried out either directly by the Company and/or through an implementing agency.
- 3) A robust monitoring mechanism is in place to ensure that the CSR projects/ programs are undertaken effectively in accordance with the approval granted and fully in compliance with applicable laws, rules and regulations. Monitoring of CSR activities is achieved through:
 - a. Periodic assessment of key projects
 - b. Impact assessment with key indicators in our area of operations (if any)
 - c. Regular review by CSR Committee
- 4) The Committee will place for the Board's approval, an annual action plan delineating the CSR Programmes to be carried out during the financial year and the succeeding years in the case of Ongoing Projects along with the specified budgets thereof

ANNEXURE “C” TO THE DIRECTOR'S REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****INDUSTRY STRUCTURE AND DEVELOPMENTS**

FRICK INDIA LIMITED was incorporated as a public limited company in 1962 in collaboration with Frick Company USA, one of the world's oldest and largest manufacturers of industrial refrigeration & air-conditioning equipment. Frick India is now independent and has diversified and developed into one of the top-ranking companies and its equipment is rated amongst the world's best.

Today, Frick India Limited is the largest equipment manufacturer and turnkey solution provider for Industrial refrigeration in India.

The Company also installs turnkey projects and uses their 60 years of experience in industrial refrigeration compressor manufacturing in good stead to give energy efficient and reliable refrigeration systems in India and 50 other countries across the world. Its manufacturing facilities are located at Faridabad (Haryana), an industrial township in the periphery of the national capital & are spread over a 22 acre multi-block complex.

Frick India has unmatched advantage of providing a single source responsibility for turnkey refrigeration and air-conditioning systems covering design, manufacture, packaging, installation and service to standard specifications as well as custom-built to meet customers' special requirements. With collaboration and technologies from U.K., Japan, U.S.A. and Europe, Frick India also provides on line Frick Energy Management System (FEMS) for almost all Industrial Refrigeration Applications. The Company is presently manufacturing a lot of equipment like various types of Compressors, and packages Condensers, Air handling units, Heat Exchanger & pressure vessels, Liquid re-circulation pump, Ice-making equipment, Plate & blast freezers, Packages chillers etc. used in Food / Chemical Industry.

During the Financial Year 2021-22, Frick India Limited has been awarded as “Business Dynamos of the Year in Refrigeration Industry” during THE INDIA 2022 \$5 TRILLION ECONOMY Summit at Hotel Lalit, New Delhi. This award was presented by Shri Bhanu Pratap Singh Verma, Hon'ble Minister, Ministry of MSME, Government of India. Further, the Company has also been awarded “Business Sphere Gold Award” for best Company providing Turnkey Solutions for all Industrial Refrigeration Applications during Business Sphere National Conclave & 17th Award Function presented by Mr. Sanjeev Kumar Balyan, Ministry of State for Animal Husbandry, Dairying and Fisheries, Mr. Anil Aggarwal, Member of Parliament, Rajya Sabha and Mr. Manoj Tiwari, Member of Parliament, Lok Sabha. Apart from this, Mr. Jasmohan Singh, Managing Director of the Company, has been awarded as “National Award CEO of the Year 2021” at a function organized by “Social and Corporate Governance Awards” at Taj Lands End, Mumbai.

Cold chains impart storage and distribution services for products that have to be maintained at a given temperature. India is currently the world's largest producer of milk, second largest producer of fruits and vegetables and has a substantial production of marine, meat and poultry products. Most of these products are temperature sensitive and require specific temperature ranges to be stored and transported. This has resulted in the establishment of a very large cold chain infrastructure in the country.

OPPORTUNITIES AND THREATS

India's cold storage capacity is likely to reach 40.7 million metric tonnes by 2023, rising 8.2% from 2020, as per Colliers' latest report, opportunities in Indian cold chain assets, Also 75% of the cold storage facility are suitable only for storing single commodities, mainly potatoes. The surge in online grocery, processed foods and pharmaceuticals sales have opened up ample opportunities for developers and third-party logistics players to develop multi-purpose cold chain facilities in India. The Company is focusing in increasing its sales in domestic as well as Export.

Cold storage industry annually grows by 12-15 per cent in bulk storage capacity. As consumer preference and habits for food ranging from vegetables, fruits and eatables, cold storage would combine to be grown. We see expansion of frozen vegetable capacity as major difference prevailed in season and off season price. Frick India equipment and application are widely used in food related refrigeration applications. Frick India can produce customized refrigeration plants for:

- Pre-Cooling (98% RH)
- Controlled/ Modified Atmosphere Cold Storages
- Cold Stores for Fruits & Vegetables
- Ripening Rooms
- High Humid Ware Houses
- IQF
- Frozen Stores

- Chilling Units
- Distribution Rooms

Frick India Limited vide its products and manufacturing facilities at present has been serving following industries:

- I. Dairies and Ice cream Industries
- II. Food and Agriculture Industries
- III. Beverages and Brewery Industries
- IV. Refrigeration System For Chemical & Pharmaceutical Industries
- V. Refrigeration System For Meat Poultry & Sea Food Industry
- VI. Air-Conditioning
- VII. Low Temperature Application

Organized retail is expected to be amongst the biggest drivers of the cold chain market in India. With the growth of the organized food retail, we expect consumers to get access to a very large variety of fresh fruits and vegetables, dairy products, meat and poultry products and a number of other temperature sensitive commodities that require [cold chain](#) storage and transportation. Most of the organized retail players have already acknowledged that setting up of a strong cold chain infrastructure is a key step in efficiently managing their supply chains.

There has been a marked improvement in the consumer demand for processed foods. The Indian government has also announced the intent of establishing several mega food parks. This augurs well for the development of the cold chain industry in the country.

Due to increasing risks and investments in grain crops, farmers are moving towards cultivation of fruits and vegetables. Most of these crops require refrigeration and hence are expected to encourage the development of cold storage facilities.

A number of healthcare products such as vaccines, biopharmaceuticals as well as clinical trial materials are heat sensitive and must be stored at temperatures ranging from 2°C - 8°C. With India's vaccine, biopharmaceutical and clinical trials market expected to grow at double digit growth rates, we expect a strong demand of efficient cold chain facilities in the coming years.

The consumption of ready-to-eat products, beverages, and frozen food has increased considerably worldwide in the recent years, which is further boosting the demand for commercial refrigeration equipment. Rising disposable income, along with the increasing impact of western lifestyle has fueled the acceptance of such products among the large middle-class consumers of developing countries. The changed food consumption trend is being supported by rapid expansion of supermarkets, hypermarkets, and food and restaurant chains around the world.

The increased number of such stores has also forced small grocery retailers and unorganized restaurants to upgrade their infrastructure, with improved electronic appliances including commercial refrigeration equipment. Frick India has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries.

India ranks second largest in the world in production of fruits and second in vegetables, accounting roughly 10 and 15 per cent, respectively, of total global production. The estimated annual production of fruits and vegetables in the country is about 130 million tonnes accounting to 18 per cent of our agricultural output. India have a strong and dynamic food processing sector playing a vital role in diversifying the agricultural sector, improving value addition opportunities and creating surplus food for agro-food products.

Major vegetables grown are Potato, Onion, Tomato, Cauliflower, Cabbage, Bean, etc. The major fruits grown in India are Mangos, Grapes, Apple, Apricots, Orange, Banana, Papaya, etc., accounts for 40 percent of the national fruit production and India is one of the leading exporters of fresh table grapes to the global market. The changing food habits are discernible. There has been a positive growth in ready serve beverages, fruit juices and pulps, processed fruits and vegetables products and fruits, pickles and chutneys, etc.

Nearly one third of our horticultural produce, especially fruits and vegetables are wasted, mainly on account of poor cold storage and other storage facilities. Wastage of fruits and vegetables due to poor post-harvest management and lack of cold chain facilities have been estimated to cost up to Rs 500 billion annually. The country also experiences wide fluctuations in prices of horticultural produce, particularly potatoes and onions. The cold storages will help boost exports of agricultural and allied produce, marine produce etc.

Various scheme has also been implemented by NABARD/NCDC/NHB. National Horticulture Board towards construction, expansion and modernization of cold storages for horticulture products, to promote setting up of cold storages in the country for reducing post harvest losses.

The Government which subsidizes a major portion of the farmers' costs in an effect to uplift them also loses money in this wastage. Hence proper cold chain infrastructure is the need of the hour. Frick India proposes appropriate technologies for Indian Cold Chain where high-value fruits and vegetables can be kept for longer periods thereby adding some value for the farmers. Fresh and frozen fruits, vegetables are other perishable food commodities which require a cold stream, right from harvesting to consumption, to maintain quality, nutritive value and hygienic safety of the products. Any break in this cold-chain can cause heavy loss due to biological deterioration. The Company has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries, Chemical and Pharmaceutical Industry etc.

Manufacturing has emerged as one of the high growth sectors in India. Prime Minister of India, Mr. Narendra Modi, had launched the 'Make in India' program to place India on the world map as a manufacturing hub and give global recognition to the Indian economy. In the present scenario, owing to the necessity for boosting the industrial strength of India, there are a lot of processes requiring refrigeration equipments.

The expansion of organized food retail services, along with the increasing demand for fresh fruits and vegetables, dairy products, meat and poultry items etc., represent some of the factors driving the Indian cold chain market.

PRODUCT WISE PERFORMANCE

Ammonia is still the refrigerant of choice for large cold storage facilities. Newly developed Liquid Ammonia Hermetically Sealed Pump is performing well and has less power consumed also. It has been launched in both National and International market. Frick has installed vapour ammonia absorption system with aqueous ammonia for low temperature (Freezers) application working well with better COP and low steam consumption. Frick has launched Glycol Floor Heating System for Cold storage and Frozen applications in the market.

Frick Screw Compressors as installed in the market are performing well, it saves 2 to 5% power than other competitor' compressors due to "No pump Technology" and "Variable VI" in the latest market. Frick has manufactured National biggest Cl2 liquification equipments (650 TPD) with single unit installed which is performing well.

Frick is supplying "ASME" certified pressure vessels and heat exchangers in the international market also. The specialty of Frick Reciprocating compressor is that it saves 1 to 3% of power consumption than others. Frick gas cooled compressor is giving outstanding performance and is less in oil consumption (less than 10 ppm) with coalescing oil separators.

Frick aluminum Air cooling units are spreads in the ammonia international markets giving good performance, less power than SS coils. Frick evaporative condensers are less water consumption with silent operation. Frick India has developed PUF panel with different sizes for Cold Storage, Freezers & Air conditioning applications.

Frick India has been providing refrigeration solution to almost all the vital industries, related to Food and Agriculture, Dairy Production, Meat, Fisheries and Livestock, Beverages and Breweries, Chemical and Pharmaceutical Industry etc.

The main products are:

- ❖ Rotary Twin Screw Compressor Blocks
- ❖ Rotary Twin Screw Compressor Packages
- ❖ High Speed Reciprocating Compressors
- ❖ Liquid Overfeed System
- ❖ Evaporative Condensers
- ❖ Two Stage Compound Reciprocating Compressor
- ❖ Frigid Coils 'S' Series (Stainless Steel Tubes & Aluminum Fins)
- ❖ Frigid Coils "A" Series (Aluminum Tubes & Aluminum Fins)

RISK AND CONCERNS

In any business, risks and prospects are inseparable. Frick is a well known entity and is also exposed to various risks and uncertainties and has access to opportunities across its global presence. Also, taking into cognizance of the current major risk is the adverse impact of the COVID-19 and mitigation measures, required to be taken.

The performance, future prospects and cash flow generation could be materially impacted by any of these risks or opportunities. As a responsible management, the Company's principal endeavor is to maximize returns. The Company continues to take all steps necessary

to minimize its expenses through detailed studies and interaction with experts. Further, there are constant review meeting at management level to discuss and analyze various near term and long-term risk and formulate plans to mitigate the same.

Input Cost Risks

Risk: The key raw material consumed by the Company has been very volatile and sudden change can have an adverse impact on the Company's operating margins.

Concern: The Company has many long-term contracts with its major OEM customer where the raw material cost has been passed through.

Financial risks

Risk: Financial risks relates to the Company's ability to meet its financial obligations and lessen the impact of various factors like interest rates, foreign currency exchange rates, credit rating etc. It also includes any risk to servicing pension obligations and to financial ratios due to impairment.

Concern: Company is well positioned to service financial risk and facilitates its growth objectives. The Company has adequate measures to deal with all types of financial risks.

Legal and Compliance risks

Risk: Legal and compliance risks relate to risks arising from outcome of legal proceedings, government action, regulatory action, which could result in additional costs.

Concern: Company has ensured compliance of all laws applicable to the Company and effectively monitors through efficient compliance management system.

OUTLOOK

The outlook for the Company for the coming years continues to be positive. Most of the customers have indicated robust growth plans which augurs well for the growth of the Company. However, due to COVID-19 impact on the manufacturing and service sector, there are challenges with the supply chain, procurement of raw material, and a slight slow-down in the demand of the products, also, due to limitation of the labour workforce, as per the government guidelines, the manufacturing capabilities had recorded some decrease in the production as compared to what the Company use to produce and sell in the normal scenarios.

Moreover, the Company is facing increase in the Working Capital Requirement, due to the COVID-19 impact, caused by increase in the resource costs, and slow-down of the existing supply chain. Also, the realization, of the sale proceeds, becomes a challenge due to the liquidity crunch in the Industry and market.

On the other hand Make-in-India, National Manufacturing Policy (NMP), and Goods & Services Tax (GST) implementation are expected to aid the growth of core sectors thus contributing to new demand for screw compressors, initiatives pertinent to energy efficiency will drive the services market. The Company is confident of capitalising on future growth opportunities driven by its strong capabilities and credentials, and intends to continue investing in marketing, brand building and new product development, as well as nurturing the current areas of the business of the Company.

The long-term outlook of the global refrigeration and air conditioning compressors market size is projected to reach USD 19750 million by 2028, from USD 16630 million in 2021, at a CAGR of 2.5% during 2021-2028. This year was quite challenging due to slowdown in economy as well as other factors like Covid-19 impact.

Introduction of sustainable compressors for commercial refrigeration application is a key trend identified in the global refrigeration and air conditioning compressors market across the globe.

As per the estimates of national income release by the National Statistical Office (NSO) the growth in real GDP during 2021-22 is likely to be estimated at 8.9 per cent as compared to the growth rate of -7.7 per cent in 2020-21. Real GVA at Basic Prices is estimated at INR 135.22 lakh crore in 2021-22, as against INR 124.53 lakh crore in 2020-21, showing a growth of 8.6 percent. In an official release, the National Statistical Office (NSO) said that the measures taken by the Government to contain spread of the Covid-19 pandemic have had an impact on the economic activities as well as on the data collection mechanisms. Estimates are, therefore, likely to undergo sharp revisions for the aforesaid causes in due course, as per the release calendar.

FINANCIAL AND OPERATIONAL PERFORMANCE

Following are the financials highlights of the company for the year ended March 31, 2022 on a comparable consolidated basis.

- Total revenue has registered an increase of 21.12% from Rs. 23753.86/- Lakhs in 2020-21 to Rs. 28771.80 Lakhs in 2021-22.
- Profit before tax (PBT) registered a decrease by 19.84% from Rs. 2731.59 Lakhs in 2020-21 to Rs. 2189.71 Lakhs in 2021-22.
- Profit after tax (PAT) registered a decrease of 21.29% from Rs. 2079.05 lakhs in 2020-21 to Rs. 1636.34 Lakhs in 2021-22.

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
Frick India Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Frick India Limited** (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of **Frick India Limited**, books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and representations made by the management, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on **March 31, 2022**, generally complied with the statutory provisions listed hereunder and also that the Company has proper board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

- (p) The Maternity Benefit Act, 1961 and the rules made thereunder;
- (q) The Sexual Harassment of Women at Workplace (Prevention, Prohibition And Redressal) Act, 2013 and the rules made thereunder;
- (r) The Industrial Employment (Standing Orders) Act, 1946 and the rules made thereunder;
- (s) The Noise Pollution (Regulation and Control) Rules, 2000
- (t) The Air (Prevention and Control of Pollution) Act, 1981 and the rules made thereunder;
- (u) The Environment (Protection) Act, 1986 and the rules made thereunder.

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard-1 and Secretarial Standard-2 as issued by The Institute of Company Secretaries of India and notified by Central Government.
- (ii) The Listing Agreement (to the extent applicable during audit period) entered into by the Company with Metropolitan Stock Exchange of India and SEBI LODR.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Director, Non-Executive Directors and Independent Directors. During the audit period, Mr. Govindarajula Bhaskara has been appointed as the Non-Executive Independent Director in the Board of the Company after the demise of Late Sh. C.A. Mahendra Kumar Doogar on May 04, 2021. The Board Composition is as per the applicable provisions of SEBI (LODR) Regulations, 2015.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes, the decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, we have observed that:

- i. Pursuant to the provision of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer And Refund) Rules, 2016, a Company whose dividend remains unpaid/unclaimed for a period of seven consecutive years shall be required to transfer such shares to the special purpose DEMAT Account, accordingly, the Company was required to transfer such shares into Demat Account of IEPF. We have been informed that during the Financial Year 2017-18, 2018-19, 2019-20 and 2020-21, the Company has been receiving several request(s) from certain shareholders claiming their unpaid dividend for past years and therefore due to change in shareholders details as available in the records of the Company, the Company is taking time in identifying the authenticity of the registered shareholders, who have not encashed the dividend warrants for a continuous period of last seven years and hence, Form IEPF-4 for filing of statement of shares transfer to IEPF could not be filed till date. The management of the Company is now taking appropriate steps to comply the above mentioned provisions of the Act.

INDEPENDENT AUDITOR'S REPORT

To the Members of Frick India Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Frick India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its Profit (including Other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position/state of affairs, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note No. 32 to the financial statements;
 - ii. The Company has made provision, as required under the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2022.
 - iv.
 - a) The management has represented that to the best of its knowledge and belief, as disclosed in note no 55 to the financial statements no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - b) The management has represented that, no funds (which are material either individually or in aggregate) have been received by the company as disclosed in note no 55 to the financial statements from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
 - c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above as required by Rule 11 (e) of Companies (Audit & Auditors) Rules, 2014, as amended, contain any material mis-statement.
 - v.
 - (a) The final dividend proposed in the previous financial year, declared and paid by the Company during the year, is in compliance with section 123 of the Companies Act, 2013.
 - (b) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members in the ensuing General meeting. The amount of dividend proposed is in accordance with section 123 of the Companies Act, 2013.
 - (c) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 read with Schedule V to the Act.

ANNEXURE “A” REFERRED TO IN PARAGRAPH 1 UNDER THE HEADING “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF FRICK INDIA LIMITED FOR THE YEAR ENDED MARCH 31, 2022.

- i (a)(A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which Property, Plant and Equipment are verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its Property, Plant and Equipment. Based on information and records provided, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the of the registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title deeds of all the immovable properties, disclosed in the financial statements included in property, plant and equipment are held in the name of the Company as at the balance sheet date
- (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year.
- (e) According to the information and explanations given to us and records provided, no proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) As per the physical verification program, the inventories were physically verified during the year by the Management at reasonable intervals (except for stock lying with the third parties and in transit which have been verified based on confirmations). In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. Discrepancies noticed were not of 10% or more in the aggregate for each class of inventories on such physical verification of inventories when compared with books of account have been properly adjusted.
- (b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns / statements filed by the Company with such banks or financial institutions are generally in agreement with the unaudited books of account of the Company of the respective quarters.
- iii. The Company has made investments in and granted loans to other parties during the year and has not provided guarantee or security and granted advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.
- (a) The Company has granted loans to other parties during the year and has not provided guarantee or security and granted advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, in respect of which details are given below:

Particulars	Loans (Rs. in Lakhs)
A. Aggregate amount granted / provided during the year:	
- Others	71.04
B. Balance outstanding as at balance sheet date in respect of above cases:	
- Others	49.57

- (b) During the year, the investments made and the terms and conditions of the grant of all the above-mentioned loans are, in our

opinion, prima facie, not prejudicial to the Company's interest. Further, during the year, the Company has not provided guarantees, provided security and granted advances in the nature of loans to Companies, Firms, Limited Liability Partnerships or any other parties.

- (c) In respect of loans granted by the Company as stated above in para (a), the schedule of repayment of principal and payment of interest, if any has been stipulated and the repayments or receipts have been regular.
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) According to information and explanations given to us and based on the audit procedures performed, No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
- iv. According to information and explanation given to us, the Company has not granted any loans, made investments or provided guarantees or securities that are covered under the provisions of sections 185 or 186 of the Companies Act, 2013, and hence reporting under clause 3(iv) of the Order is not applicable.
- v. As per the information and explanations provided to us, the Company has not accepted any public deposits from public within the provision of Section 73 to 76 of the Act or any other relevant provisions of the Act and Rules framed thereunder (to the extent applicable). Therefore, the provisions of clause 3(v) of the Order are not applicable to the Company. We have been informed that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or other Tribunal in this regard.
- vi. We have broadly reviewed the books of account maintained by the company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act in respect of the Company's products and services to which the said rules are made applicable and are of the opinion that prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii. (a) According to the records of the Company, the Company is generally been regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues with the appropriate authorities to the extent applicable and there were no undisputed statutory dues payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they become payable.
- (b) According to the records and information & explanations given to us, details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of the statute	Nature of dues	Period to which amount relates	Amount Involved (Rs. in Lakhs)	Forum where dispute is pending
Bhubaneshwar Works Contract Tax Act, Odissa	Works Contract tax	F. Y. 1990-91 & 1991-92	0.82	Matter pending before Tribunal
West Bengal Sales tax Act	Sales Tax	F. Y. 1975-76	0.32	Appeal pending before Tribunal
West Bengal Sales Tax Act		F.Y. 1976-77	1.05	Appeal pending before Appellate Authority
Income Tax Act, 1961	Income Tax	AY 2006-07	8.09	Appeal pending with ITAT
	Income Tax	AY 2012-13, 2017-18, & 2018-19	17.96	Appeal pending with CIT (Appeals)

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) and (f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) Based on the audit procedures performed and on the basis of information and explanations provided by the management, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company and hence reporting under clause 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations and records made available by the management of the Company and audit procedures performed, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable Indian accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company during the year and till date in determining the nature, timing and extent of our audit procedures.
- xv. On the basis of records made available to us and according to information and explanations given to us, the Company has not entered into non-cash transactions with the directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934 and hence reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable. The Group does not have any CIC as part of the group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There was no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios (as stated in note no 54 to the financial statements), ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our

knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company and/ or certificate with respect to meeting financial obligations by the Company as and when they fall due. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx. (a) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provisions of sub section (6) of Section 135 of Companies Act, 2013. This matter has been disclosed in note no 44 to the financial statements.
- xxi. According to the information and explanation given to us, the Company does not have any subsidiaries, associates and joint ventures and hence reporting under clause 3(xxi) of the Order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF FRICK INDIA LIMITED FOR THE YEAR ENDED MARCH 31, 2022

**(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Frick India Limited (“the Company”) as of 31st March 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Director of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, (read with Note no 46 & 48 of the financial statement) an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31 , 2022**1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES****. Company Overview**

Frick India Limited (the 'Company') is a public limited Company domiciled in India with its registered office located at 21.5 Km., Main Mathura Road, Faridabad -121003. (Haryana). The Company is listed on the Metropolitan Stock Exchange of India Limited. The Company is engaged in the business of manufacturing of industrial refrigeration & air-conditioning equipment.

These financial statements were approved and adopted by board of directors of the Company in their meeting held on May 17, 2022.

II. Basis of Preparation of financial statements and Significant accounting judgements, estimates and assumptions**(i) Basis of Preparation of financial statements:**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act, 2013 and relevant amendments rules issued thereafter. The Company has consistently applied the accounting policies used in the preparation of its financial statements.

These financial statements have been prepared and presented under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The financial statements are presented in Indian Rupees which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs and two decimals thereof, except as otherwise stated.

iii Significant accounting judgements, estimates and assumptions

The preparation of these financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies, the accounting disclosures made and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Continuous evaluation is done of the estimates and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

(III) Significant Accounting Policies**a. Property, Plant and Equipment****(i) Recognition and Measurement**

Property, plant and equipment are measured at acquisition cost net of tax/duty credits availed, (if any), less accumulated depreciation and accumulated impairment losses, (if any). Cost includes expenses directly attributable to bringing the Asset to their location and conditions necessary for it to be capable of operating in the manner intended by the management. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress". Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets.

Subsequent cost are included in the asset's carrying amount or recognized as separate asset, as appropriate, only when it is probable that is future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of profit or loss during the period in which they are incurred.

The cost and related accumulated depreciation are eliminated from the financial statements, upon sale and disposition of the assets and the resultant gains or losses are recognized in the statement of profit and loss.

Assets costing Rs. 7500/- or less are charged to revenue in the year of purchase.

The Depreciation methods, useful lives and residual values are reviewed at the end of each financial year. If any of these

expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

(ii) Depreciation

Depreciation on Property, Plant and Equipment has been provided on written down value method as per the useful life of assets, as estimated by the management, which is in line with Schedule II to the Companies Act, 2013. The estimated useful lives of the assets are as follows:

Building	:	30/60 years
Jig & Dies	:	8-15 years
Plant and Equipments	:	15 years
Electrical Fitting & instalation	:	10 years
Furniture and fixtures	:	10 years
Vehicles	:	8/10 years
Office equipment	:	5 years
Computers	:	3/6 years
Refrigeration equipments	:	5 years

b. Intangible Assets

Intangible Assets are recognised, if the future economic benefits attributable to the assets are expected to flow to the company and cost of the asset can be measured reliably. Such intangible assets are measured at cost less any accumulated amortization and impairment losses, if any.

Intangible assets with finite lives are amortised on a straight-line basis over the period of their expected useful life.

Estimated useful life by major class of intangible assets are as follows:

Computer Software: 3 years
Design & Development: 5 years

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

c. Research and development

Revenue Expenditure pertaining to research is charged to the statement of profit & Loss.

Development costs of products are charged to the statement of profit and loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalized.

d. Inventories

Inventories are valued as under:

a. Raw materials, components, construction materials, stores, spares and loose tools at lower of cost or net realisable value.

b. Work-in-progress at lower of material cost plus labour cost or net realisable value.

c. Finished goods are valued at lower of cost or net realisable value. Cost includes related overheads.

d. Contract jobs in progress at sites are valued at lower of Cost or net realisable value.

Cost is computed on First in First out basis. The net realisable value is the estimated selling price in ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

e. Cash and Cash Equivalents

Cash and Cash equivalents includes cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

f. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

a) Financial Assets

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument.

Financial assets include cash and cash equivalents, trade and other receivables, investments in securities and

other eligible current and non-current assets.

Initial Measurement

At initial recognition, all financial assets are measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value of underlying financial assets on initial recognition. Trade receivables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

Such financial assets are subsequently classified under following three categories according to the purpose for which they are held. The classification is reviewed at the end of each reporting period.

i. Financial assets at amortised cost

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates. These financial assets are intended to be held until maturity. Therefore, they are subsequently measured at amortised cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of the financial asset. The EIR amortisation is included as interest income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

ii. Financial assets at Fair value through other comprehensive Income

At the date of initial recognition, are held to collect contractual cash flows of principal and interest on principal amount outstanding on specified dates, as well as held for selling. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in Other Comprehensive Income (OCI). Interest income calculated using the effective interest rate (EIR) method, impairment gain or loss and foreign exchange gain or loss are recognised in the Statement of Profit and Loss. On derecognition of the asset, cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from the OCI to Statement of Profit and Loss.

iii. Financial assets at Fair value through profit or loss

At the date of initial recognition, Financial assets are held for trading, or which are measured neither at Amortised Cost nor at Fair Value through OCI. Therefore, they are subsequently measured at each reporting date at fair value, with all fair value movements recognised in the Statement of Profit and Loss.

Trade Receivables

A Receivable is classified as a 'trade receivable' if it is in respect to the amount due from customers on account of goods sold or services rendered in the ordinary course of business. All debts and advances are reviewed by the management at the year end by taking into account their age, performance of job, complaints received from customers and other factors. Provision is made by the management after taking into consideration all relevant facts.

Investment in equity Shares

Investments in Equity Securities are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss.

Investments in mutual Funds

Investments in Mutual Funds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Investments in bonds

Investments in bonds are subsequently measured at fair value through Profit and Loss. Any subsequent fair value gain or loss is recognized through Profit or Loss Account.

Derecognition

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

Impairment

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in profit or loss.

b) Financial Liabilities

The Company recognizes financial liabilities when it becomes a party to the contractual provisions of the instrument.

Financial liabilities include long-term and short-term loans and borrowings, trade and other payables and other eligible current and non-current liabilities.

Initial Measurement

All financial liabilities are recognized initially at fair value. Transaction costs that are directly attributable to the release of financial liabilities, which are not at fair value through profit or loss, are added to the fair value of underlying financial liabilities on initial recognition. Trade payables that do not contain a significant financing component are initially measured at their transaction price.

Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

i. Financial liabilities at Fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date with all the changes recognized in the Statement of Profit and Loss.

ii. Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method ("EIR"). Amortised cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the Statement of Profit and Loss.

Loans and borrowings

Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

Derecognition

A Financial Liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

g. Impairment of Non-Financial Assets

The carrying amount of Property, plant and equipments, Intangible assets are reviewed at each Balance Sheet date to assess impairment if any, based on internal / external factors. An asset is treated as impaired, when the carrying cost of asset exceeds its recoverable value, being higher of value in use and net selling price. An impairment loss is recognised as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed, if there has been an improvement in recoverable amount.

h. Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

An entity shall account for a contract with a customer when all of the following criteria are met:

- the parties to the contract have approved the contract (in writing, orally or in accordance with other customary business practices) and are committed to perform the irrelative obligations;
- the entity can identify each party's rights regarding the goods or services to be transferred;
- the entity can identify the payment terms for the goods or services to be transferred;
- the contract has commercial substance (i.e. the risk, timing or amount of the entity's future cash flows is expected to change as a result of the contract); and
- it is probable that the entity will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

In evaluating whether collectability of an amount of consideration is probable, an entity shall consider only the customer's ability and intention to pay that amount of consideration when it is due. The amount of consideration to which the entity will be entitled may be less than the price stated in the contract if the consideration is variable because the entity may offer the customer a price concession

Sale of goods

Revenue from sale of product is recognised at the point in time when control of the asset is transferred to the customer, usually on dispatch of the goods from the factory/storage area/port respectively. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

Other income

- a. Interest income is accrued on a time basis by reference to the principal outstanding and the effective interest rate.
- b. Dividend income is accounted in the period in which the right to receive the same is established, which is generally when shareholders approve the same
- c. Export Incentives and Insurance Claims are accounted for on receipt basis.
- d. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

I. Employee Benefits**a) Defined contribution plans**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, employee pension scheme, provident fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

b) Defined benefit plans

Retirement benefits in the form of gratuity and Leave Encashment are considered as defined benefit plan and determined on actuarial valuation using the Projected Unit Credit Method at the balance sheet date. Actuarial Gains or Losses through re-measurement of the net obligation of a defined benefit liability or asset is recognized in Other

Comprehensive Income. Such re-measurements are not reclassified to Statement of Profit and Loss in subsequent periods. Other costs are accounted for in the statement of Profit and Loss.

c) Short Term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits.

Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

d) Other Employee Benefits:

Entitlements to annual leave and sick leave are recognized when they accrue to employees. Sick leave can only be availed while annual leave can either be availed or encashed subject to a restriction on the maximum number of accumulation of leave. The Company determines the liability for such accumulated leaves using the Projected Accrued Benefit method with actuarial valuations being carried out at each Balance Sheet date.

j. Job Expenses

The expenses incurred on various jobs by our customers and others for which the claims bills are received in succeeding years have been provided for on estimate basis. The claim exceeding the amount of provisions are accounted for in the year in which settled.

k. Claims realised

Claims realised for material lost or damaged are credited to Purchases in the year of settlement.

l. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized, (if any). All other borrowing costs are expensed in the period in which they occur.

m. Income Taxes

Income tax is comprised of current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss, except to the extent it relates to items directly recognized in equity or in other comprehensive income.

Current tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax:

Deferred tax is recognized using balance sheet approach on temporary differences between the tax bases of assets and liabilities and carrying amounts of assets and liabilities for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that

may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Off-setting of assets and liabilities

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

n. Provisions and Contingent Liabilities

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding to settle such obligation and the amount of such obligation can be reliably estimated.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

o. Segment Reporting:

The Company is primarily engaged in the business of manufacture, supply and execution of Industrial Refrigeration and Air conditioning systems. As the basic nature of these activities is governed by the same set of risks and returns, therefore, has only one reportable segment.

p. Cash Flow statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

q. Foreign Currency

Initial Recognition:

The financial statements are presented in Indian rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Company at its functional currency spot rates at the date the transaction first qualifies for recognition. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in the Statement of profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses)

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognized in OCI or profit or loss are also recognized in OCI or profit or loss, respectively)

r. Earnings per Share

Basic earnings per share is calculated by dividing the net profit attributable to the equity holders of the company by the weighted average number of ordinary shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s. Lease**Right of Use Assets**

The Company recognizes a right-of-use asset, on a lease-by-lease basis, to measure that right-of-use asset an amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognised in the balance sheet immediately before the date of initial application.

The cost of right-of-use assets includes the amount of lease liabilities recognised. Initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment test.

Lease Liabilities

The Company recognize a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate.

The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

Short-term Leases and leases of low-value assets

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

t. Fair Value Measurements

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability.

OR

- In the absence of principal market, in the most advantageous market for the asset or liability. The principal or most advantageous market must be accessible by the Company.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

IV Recent accounting pronouncements

The Ministry of Corporate Affairs (“MCA”) notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below:

(a) Ind AS 16- Property, plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022.

(b) Ind AS 37 | Provisions, contingent liabilities and contingent assets – The amendment specifies that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022, although early adoption is permitted.

(c) Ind AS 103 | Business combinations – The amendment adds a new exception in Ind AS 103 for liabilities and contingent liabilities

(d) Ind AS 109 | Financial instruments – The amendment clarifies which fees an entity includes when it applies the ‘10%’ test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other’s behalf.

The Company is in the process of evaluating the impact of these amendments.

37. FINANCIAL RISK MANAGEMENT:-**Financial Risk Factors**

The Company's financial liabilities comprise borrowings and trade & other payables. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade receivables, cash and short-term deposits that arise directly from its operation. The company's activities are exposed to a variety of financial risk from its normal business operation. The key financial risks include market risk (including foreign currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate due to fluctuation in market prices. Market risk comprise three types of risk: currency rate risk, interest rate risk and other price related risks.

Financial instruments affected by market risk includes borrowings, investments, trade payables, trade receivables and loans.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Borrowings at variable rates exposes to cash flow risk. With all other variables held constant, the following table demonstrates composition of fixed and floating rate borrowing of the company and impact of floating rate borrowings on company's profitability.

Investments in Shares	351.74	275.68
Investments in Mutual Funds	1,453.44	1,441.80
Investment in Bonds	769.42	814.53

II. Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

Trade Receivables: - The maximum exposure to credit risk is from trade receivable which are unsecured. The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sales policy to minimize its risk or credit defaults. Outstanding receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company. Where financial assets have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in Profit or loss.

Other Financial Assets: Credit Risk arising from investment in mutual funds and other balance with bank is limited and there is no collateral held against these because the counter parties are banks and recognized financial institutions with high credit rating assigned by the international credit rating agencies.

The ageing analysis of the trade receivables:

The following methods and assumptions were used to estimate the fair values:

1. Cash and short-term deposits, trade receivables, loans, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.
2. Fair value of Investments in quoted mutual funds and equity shares are based on quoted market price at the reporting date.

Fair Value Hierarchy

All financial assets and liabilities for which fair value is measured in the financial statements are categorized within the fair value hierarchy, described as follows:

Level 1 - Quoted prices in active markets.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3 - Inputs for assets or liabilities that are not based on observable market data.

The following table presents the fair value measurement hierarchy of financial assets and liabilities, which have been measured subsequent to initial recognition at fair value
