We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company had several ongoing events as described below and had bearing material effects on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc.

1. Since the net worth of Modi Industries Limited ('MIL') had eroded and become negative, therefore, in terms of the erstwhile Sick Industrial Companies Act, 1985 ('SICA'), MIL was declared as a 'Sick Company' and reference was pending adjudication before the Ld. AAIFR/ BIFR. While the revival scheme of MIL was being considered by Ld. AAIFR, the Government of India vide notification bearing no.: S.O. 3568 (E) dated 25th November, 2016 repealed SICA with effect from 1st day of December, 2016 and all the proceedings pending under the SICA (including the proceedings qua MIL) stood abated.

2. With regard to payment of Fixed Deposits, as per Section 74 of the Companies Act, 2013, outstanding principal amount Rs. 60.86 Lacs of public deposits and outstanding interest amounting to Rs. 19.73 Lac due thereon up to the date of maturity were transferred to Investor Education Protection Fund on 7th May, 2018 vide Challan No. U27569086. Thus, there is no liability of the Company towards deposit holders as on date.

Now Deposit Holders can claim their refund directly from IEPF Authority by filing form IEPF-5 and following the prescribed procedure given under the Companies Act, 2013 and rule made thereunder.

3. The Company, pursuant to the decision taken in Board Meeting held on 31.03.1986, had issued 2,27,960 12.5% partly convertible debentures of Rs. 250/- each. The convertible part of Rs. 50/- of each fully paid-up debenture was duly converted into 5 fully paid-up equity shares of Rs. 10/- each as per the terms of the issue and non-convertible portion of Rs. 200/- each debenture continued with MIL.

These debentures were required to be redeemed as per the condition no. v of the issue of the said Debentures (as well as Article - III, clause - v of the debenture agreement) deals with Redemption and the same clause is reproduced herein below:

"The Non-convertible part of Rs. 200 of each Debenture shall be redeemed at par in three annual instalments of Rs. 65/-, Rs. 65/- and Rs. 70/- at the end of 7, 8 and 9 years respectively from the date of allotment. The interest on the Debentures shall cease to accrue and shall cease to be payable from the dates of their redemption."

Since, the net worth of 'MIL' had eroded and become negative, therefore, in terms of the erstwhile Sick Industrial Companies Act, 1985 ('SICA'), MIL was declared as a 'Sick Company' and before any scheme could be finalised, the SICA was repealed. The financial position of MIL continues to be precarious, however, it is the continuing endeavor of the Company to liquidate all its liabilities and redeem the aforesaid Debentures in a reasonable time frame and through a practical mechanism, in due compliance of the law as the time being in force.

In this respect the Company had published the two times Public Notices in the Newspapers as mentioned below to inform the Debenture holders to get their matured debentures redeemed. Whereas, the Company had also sent personal letters to all the Debenture holders on 07th April, 2022 through Registered post informing them to get their matured Debentures redeemed within 20 days of publication of such Public Notice otherwise it will be transferred to IEPF. INDEPENDENT AUDITOR'S REPORT

To the Members of Modi Industries Limited

Report on the Audit of the Standalone Financial Statements

1. Adverse Opinion

We have audited the accompanying Standalone Financial Statements of Modi Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters discussed in the Basis for Adverse Opinion section of our report, the accompanying Standalone Financial Statements do not give the information required by the Companies Act, 2013, as amended, ("the Act") in the manner so required and also do not give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and its cash flows for the year ended on that date.

2. Basis for Adverse Opinion

- (A) The books of accounts, vouchers and other documents of the closed Steel Unit for the financial year 1992-93 were not made available to us and consequently audit could not be conducted in respect of the same. {Refer Note No. 27(4) of the Standalone Financial Statements}. Therefore, the attached Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement do not include: (a) the financial data / impact of working results and of declaration of closure / post-closure transactions, which includes sales and realization of depot sales / dues from debtors, provision / payment of final dues of employees and payments to various parties and manufacturing / personnel / administration expenses etc., of the Steel Unit for the year 1992-93 during which the Unit had operated for ten months the exclusion of which, in our opinion, substantially impairs the presentation of above Standalone Financial Statements of the Company especially in view of the fact that (i) the assets and liabilities of Steel Unit constituted 28% and 43% respectively of the total Assets & Liabilities of the Company as at 31st March, 1992 and the Income & Expenditure of the Steel Unit constituted 30% and 32% respectively of the total Income & Expenditure of the Company for the said year which resulted in a loss of Rs. 787.22 Lac for the Steel Unit and (b) impact on Standalone Financial Statements on account of non-incorporation of balance sheets since the year 1993-94 to 2022-23 subject to certain adjustments made to opening assets and liabilities as stated in Note No. 27(4)(c) of the Standalone Financial Statements.
- (B) Further to our observations in paragraph 2(A) above, we report:
- i. Understatement of accumulated losses on account of non-incorporation of operational / working results, interest expense, declaration of closure and post closure transactions of Steel Unit for the year 1992-93 and on account of non-provision of interest on loans taken / doubtful debtors / loan and advances for subsequent periods till 31st March, 2023 which also resulted in mis-statement of assets and liabilities as on March 31, 2023, amount / impact not ascertained. {Refer Note No. 27(4) of Standalone Financial Statements and Paragraph 2(A) above}.
 - ii. No physical verification of inventories and property, plant & equipment etc. in closed Steel Unit was conducted since 1991-92 as stated in Note No. 27(4)(f)(vii) of the Standalone Financial Statements. In the absence of details of quantity and value of opening inventory appearing in the books of account and also on account of non-classification of sale of scrap into sale of inventories, buildings and property, plant and equipment, the sale value of scrap during the year of Rs.320.57 Lac (Previous year Rs.298.20 Lac) has been allocated on an adhoc basis between sale of inventory Rs.265.74 Lac (Previous year Rs.198.20 Lac), sale of building as scrap Rs.3.25 Lac (Previous year Rs.100 Lac) and sale of Plant and

Equipment Rs.51.58 Lac whereas till March 31, 2021, entire amount of sale of scrap was treated as sale of inventory and entire sale value was reduced from the book value of inventory. Accordingly, value of inventory Rs.70.37 Lac (Previous year Rs.105.56 Lac) has been reduced from book value of stock in Balance Sheet on adhoc basis (reduction in inventory and sale of inventory as scrap upto 31st March, 2021 was Rs.1,164.21 Lacs each) and treated Rs.70.37 Lac as “opening finished goods stock charged to revenue” in Note No. 24 of ‘Other Expenses’.

Written down value of building Rs.2.92 Lac (Previous year Rs.6.57 Lac) and value of Plant and Equipment Rs.17.22 Lac allocated on adhoc basis has not been reduced from the financial statements of Steel Unit & of the Company. Impact on account of adoption of adhoc basis instead of actuals for allocation of sale value and cost of assets sold on Standalone Financial Statements can't be ascertained.

iii. Non-provision of interest, amount unascertained, on overdues of Micro, Small and Medium Enterprises as stated in Note No. 27(15).

(C) Confirmation of debit and credit balances as on 31st March, 2023 of most of the trade receivables, trade payables, other creditors and lenders including of assignees of debt and of certain banks are not being obtained since long. Impact of non-confirmation of balances on Standalone Financial Statements can't be ascertained at this stage.

Further, in view of observation above and also on account of lack of supporting documents & evidence / norms for provisioning in respect of doubtful trade receivables in Distillery Unit of the Company, we disclaim our opinion on the accuracy of provision made by the Distillery Unit of the Company as on March 31, 2023 of Rs.2,087.68 Lac. Impact, if any, on the Standalone Financial Statements of the Company can't be ascertained at this stage., {Note No. 27(27)}.

(D) (1) Non-provision of late payment surcharge/ recovery charges Rs.302.66 Lac (Previous year Rs.302.66 Lac) {Note No. 27(10)};

(2) Non-provision of ESI demand Rs.72.87 Lac (previous year Rs.71.70 Lac) {Note No. 27(11)};

(3) Non-provision of simple, penal and compound interest of Rs.58,529.85 Lac (for the year Rs.8,056.24 Lac) on term borrowings {Note No. 27(19)(a)} and non-provision of simple interest Rs.147.83 Lac on undisputed balance of cash credit from banks as per books of account excluding interest on disputed unprovided amounts of Rs.97 Lac, amount unascertained. {Note No. 27(19)(b)};

(4) Non-provision of Wages Rs.30.25 Lac (Previous year Rs.27.46 Lac) for the lock-out period {Note No. 27(22)};

(5) Non-provision of recovery charges of Rs.413.50 Lac (Previous Year Rs.413.50 Lac) for sugar season 2007-08. {Note No. 27(34)(c)}.

(6) Non-provision of interest aggregating to Rs.10,448.32 Lac on cane arrears for sugar seasons 2018-19 to 2022-23. {Note No. 27(34) (g to k)}.

(E) We further report that, without considering items mentioned at paragraphs 2(A) to (C) above, the possible effects of which could not be determined, had the observations made by us in paragraph 2(D) above been considered, the profit for the year of Rs.1,109.80 Lac would have been converted into loss of Rs.68,835.48Lac, accumulated losses in Note No. 2 would have been Rs.96,289.90 Lac (as against the reported accumulated losses of Rs.26,344.62 Lac) and current liabilities would have been Rs.1,29,583.44 Lac (as against the reported figure of Rs.59,638.16 Lac).

(F) Our audit observations under sections 143(1) & 186 of The Companies Act, 2013 are as under:

As stated in Note No. 27(37), short term unsecured interest free advance amounting to Rs. 30 Lac given to a company during the year 2017-18 is not in compliance with the provisions of section 186 of the Companies Act, 2013.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

3. Material Uncertainty related to Going Concern:

The Company has earned profits of Rs.2,767.81 Lac during three years period ended March 31, 2023. However, the Company was incurring losses for a long period of time till financial years 2019-20 (losses for the nine years i.e. 2011-12 to 2019-20 amounted to Rs.22,183.98 Lac), accumulated losses of Rs.26,344.62 Lac as on March 31, 2023 which are far in excess of paid-up equity capital & reserves (excluding revaluation reserve) of Rs.991.68 Lac as on that date and the Company's current liabilities as per the financial statements as on March 31, 2023, which also includes substantial amount of cane grower's dues (excluding un-provided interest on cane arrears upto March 31, 2023), exceeds its current assets as per the Standalone Financial Statements as on March 31, 2023 by Rs.11,933.46 Lac. In our opinion, these past events / conditions along with our observations in paragraph 2(A) to 2(D) above and substantial amount of arrears of cane grower's dues raises concern on the ability of the company to continue as a going concern. However, various steps as stated in Note No. 27(18), inter-alia sale and lease of unproductive assets, revival of closed Electrode Unit and improvement in working results of Sugar & Distillery Units during the three years period ended March 31, 2023, are now being taken by the management to ensure that the Company remains a going concern.

4. Emphasis of Matter

We draw attention to:

- (i) Note No. 27(32) regarding entering into agreements to sell 215 residential quarters and Note No. 27(33) regarding entering into lease agreements, including perpetual leases, MOUs for sale of land and buildings for which the approval of certain lenders, to whom these quarters and land & buildings are mortgaged, is pending.
- (ii) Note No. 27(20)(a) regarding reasons for not making provision for disputed Sales-tax demand of Rs.2,455.78 Lac excluding interest of closed Vanaspati Unit.
- (iii) Note No. 27(39) regarding change in practise for accounting of State Excise-duty expenses, revenue from operations and trade receivables on sales made to certain State Corporations by the Distillery Unit of the Company. Hitherto, the State Excise-duty deposited by the Company on behalf of the Corporations as "temporary deposits" (which was subsequently reimbursed to the Company by these Corporations) was inadvertently treated as Excise-duty expense as well as revenue from operations of the Distillery Unit and also included the same as trade receivables in the books of account of the Distillery Unit whereas the State Excise-duty was actually payable to respective States by these corporations on purchase / import of liquor from other States as per the Liquor Policies of these respective States. During the current financial year, to give a true and fair view of the state of affairs and financial performance of the Company, the State Excise-duty deposited by the Company on behalf of these corporations in their respective States, which is being initially shown as 'Excise-duty paid in advance account' on payments made by the Company, is now being transferred to 'State Excise-duty receivable account' instead of debit to Trade Receivables Account 'on receipt of import permit from these corporations in the books of account of the Distillery Unit and credited this account with amounts received subsequently from corporations towards reimbursement of Excise-duty paid. The above change in practise has resulted in reduction of 'Revenue from Operations' and 'State Excise-duty expense' by Rs.15,173.69 Lacs each

for the financial year ended March 31, 2023. However, the above change in accounting practise has no impact on the net profit for the current financial year of the Distillery Unit and of the Company.

Had the Distillery Unit of the Company followed similar accounting practise & passed entries as stated above in the previous year books of account of Distillery Unit & in the standalone financial statements, it would have resulted in reduction of 'Revenue from Operations' and 'State Excise-duty expense' by Rs.11,987.44 Lac each for the financial year ended March 31, 2022. No impact has been given in the standalone financial statements of 2021-22.

- (iv) Note No. 27(34)(a), (d) to (f) regarding demands of recovery charges of Rs.5,758.47 Lac (previous Year Rs.5,758.47 Lac) received on account of non-payment of cane price / commission / interest as these are either disputed by the company or obtained stay order as stated therein. Further, demands of recovery charges of Rs.3,458.25 Lac for sugar seasons 2018-19 & 2019-20 has been received as stated in Note No. 27(34) (l & m) which, in the opinion of the management is not payable in view of the reasons stated in Note No. 27(34)(f)(i). We also invite attention to Note No. 27(34)(f) regarding non-provision of interest for sugar seasons 2013-14 to 2015-16 amounting to Rs.6,280.51 Lac (previous year Rs.6,280.51 Lac) where order of cane commissioner in this regard is still awaited.
- (v) Note No. 27(17) regarding increase in license fee from 15% to 22% during the current financial year in Distillery Unit resulting in increase in license fee expenses by Rs.3,712.89 Lac excluding GST.
- (vi) Note No. 27(28)(xii)(b) regarding vesting various pieces of land of the Company situated in Modinagar by the Custodian of Enemy Property for India ("CEPI") wherein based on appeal filed by an aggrieved party, the Hon'ble Allahabad High Court set aside the impugned orders and permitted the CEPI to issue fresh notices to the concerned persons as provided in the Rules and thereafter decide the matter afresh. CEPI vide its letter dated 13.10.2023 to District Magistrate decided for cancellation of mutation in favour of CEPI. We are informed by the Company that no fresh notice has been received by the Company till date.

Our opinion is not modified in respect of the matters mentioned in paragraph 4 above.

5. Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to the Board's Report, Corporate Governance and shareholders information and does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Adverse Opinion section above, the figures appearing in the other information don't incorporate figures of Balance Sheets of Steel Unit as on March 31, 2022 and March 31, 2023 and (ii) non-provision for certain expenses. We have concluded that the other information to the extent it relates to financial results in the Director's Report and its Annexures is mis-stated due to non-incorporation of Balance Sheets of Steel Unit of the Company and non-provision of certain expenses.

6. Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Standalone Financial Statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to these Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to these Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these Standalone Financial Statements.

3. Meaning of Internal Financial Controls over financial reporting with reference to these Standalone Financial Statements

A Company’s internal financial controls over financial reporting with reference to these Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls over financial reporting with reference to these Standalone Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the

assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

4. Inherent Limitations of Internal Financial Controls over financial reporting with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Standalone Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

5. Disclaimer of Opinion

According to the information and explanations given to us, the company has neither established nor evaluated its internal financial controls over financial reporting with reference to the financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Mainly because of this reason and also our comments in paragraph 2 of statutory audit report of even date on Standalone Financial Statements of the company, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the company had adequate internal financial controls over financial reporting with reference to the financial statements and whether such internal financial controls were operating effectively as at 31st March, 2023.

However, according to the information and explanations given to us and based on our audit of the Standalone Financial Statements, the following material weaknesses have been noticed as at 31st March, 2023 for which remedial action by the management is yet to be initiated:

- a) The books of accounts, vouchers and other documents of the Steel Unit for 1992-93 were not made available to us and consequently audit of financial assets, liabilities and contingent liabilities could not be conducted. {Note No. 27(4)}. Therefore, as stated in Paragraph 2(A) of audit report of even date, the attached Balance Sheet, Statement of Profit and Loss and Cash Flow Statement does not include: (a) the financial data / impact of working results and of declaration of closure / post-closure transactions, which includes realization of depot sales / dues from debtors, provision / payment of final dues of employees and payments to various parties and manufacturing / personnel / administration expenses etc., of the Steel Unit of the company for the year 1992-93 during which the Unit had operated for ten months the exclusion of which, in our opinion, substantially impairs the presentation of Standalone Financial Statements of the Company and (b) impact on Standalone Financial Statements on account of non-incorporation of transactions / balance sheets for the years 1993-94 to 2022-23 as stated in Note No. 27(4)(c) of the Standalone Financial Statements and non-physical verification of inventory and property, plant and equipment held for sale as stated in Note No. 27(4).
- b) No internal audit was conducted in respect of Electrode and Steel Units and of Corporate office since long. Internal Audit system exists in case of Sugar and Distillery Units which, in our opinion, needs improvement in terms of coverage, closing entries etc. and to highlight non-compliances with various laws and regulations in order to make it commensurate with the size and nature of its business.

- c) We note that the Distillery Unit has incurred sale promotion expenses trade scheme expenses Rs.3,190.45 Lac (previous year Rs.2,333.66 Lac) which, we are informed, are claimed as reimbursement of expenses incurred from the Distillery Unit by the Sale Promotion Agents (SPAs) on secondary sales (sale by State Corporations to retailers) i.e. trade scheme incentives given to owners of retail shops on sale made by them to their customers and also incurred marketing expenses of Rs.382.80 Lac which includes amounts paid to whole-sellers and gifts to parties.

In our opinion, internal financial controls over these expenses, including obtaining appropriate documentary evidence and confirmations of receipt of trade scheme incentives from owners of retail shops to whom these incentives are given to support nature and claim amount for such reimbursements, needs to be implemented / improved upon to safeguard the interests of the Company as well as ensure compliances with the provisions of the Income-tax Act, 1961, as amended.

- d) Confirmation of Debit / Credit balances of trade receivables, trade payables, other creditors and lenders including assignees of debt are not being obtained by the company since long. Further, in the absence of supporting documents & evidence and lack of prescribed norms for making provision for doubtful trade receivables by the Distillery Unit of the Company, accuracy of such provision made at the year-end can't be verified.

We have considered the disclaimer above in determining the nature, timing and extent of audit tests applied in our audit of the Standalone Financial Statements of the company and the disclaimer has affected our opinion on the Standalone Financial Statements of the company and we have issued an adverse opinion on the Standalone Financial Statements of the Company for the year ended 31st March, 2023.

6. Deferred credit including liability for interest payable for unexpired period have been guaranteed by the Bankers of the Company against hypothecation of Gas Cylinders and Machinery purchased under the Scheme in Steel Unit.
7. **(i) Settlement arrived between both the Managing Directors:**

The Managing Directors of the Company (i.e., Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi) were embroiled in multiple litigations over 30 years and because of the same, major brunt has been faced by the Company as the said inter-se dispute between them led to the inability of the Company to set up new business or revive or rehabilitate the existing units. The Company was also unable to utilize its non-core assets to clear its liabilities and it even failed to avail credit facilities, which were announced by the Central / State Government from time to time to aid the rehabilitation of the Company. This led to a grave situation over a period of years wherein the liability of the Company kept on increasing due to ever piling interest rates.

The 6 (six) units under the control and management of Shri Mahendra Kumar Modi, gradually shut down starting from the year 1995 and the last 2 (two) units i.e. Paint & Electrode unit also closed down in the year 2016. The liabilities of entire Company (i.e., including the 6 units which were previously under the control of Shri Mahendra Kumar Modi) are being paid by the units under the control of Shri Umesh Kumar Modi in order to save the Company from going into liquidation.

The Company as on date have huge outstanding liabilities towards Various Creditors (including banks / Financial Institutions) who have initiated / threatened to initiate action under the Insolvency & Bankruptcy Code, 2016 and / or Recovery of Debts and Bankruptcy Act, 1993 and / or Securitization and Reconstruction of Financial Assets and Enforcement of Security Interests Act, 2002, repercussions whereof are irreversible and there is an immediate need to liquidate the dues of all the creditors of the Company (including banks / Financial Institutions). The liabilities of the Company are mounting as a whole and apart from the increasing pressure of the Creditors (including banks / Financial Institutions), there were constant dharnas by laborer's / workers (of the 6 units managed by Shri Mahendra Kumar Modi) for liquidation of their outstanding dues as well.

If the above was not enough, to make situation worse, the issuance of Recovery Certificate (on account of outstanding dues of the Cane Growers) on 4th September, 2020, under the U.P. Sugarcane (Regulation of Supply and Purchase) Act, 1953 was also extremely detrimental to the interest of the Company, therefore, it was becoming imperative and urgent to find a holistic solution once and for all so as to ensure that the Company remains as a going concern.

In view of the aforementioned circumstances, a settlement was arrived between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi with the assistance, support and intervention from the State Government of Uttar Pradesh, who played an important role in the resolving and settling the inter-se dispute between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi since there was a constant threat of insolvency surrounding the Company and the fact that 6 units managed by Shri Mahendra Kumar Modi were closed and the liabilities of the Company were also mounting, coupled with the fact that Shri Mahendra Kumar Modi was unable to restart / revive the operation of the 6 units or pay the

Notes forming part of the standalone financial statements for the year ended 31st March, 2023

liabilities / dues of the 6 units. Needless to add here that the decision for settlement on the inter-se disputes was taken in the larger interest of Company, its Shareholders and last but not the least in the interest of labour / workers (who were left without any work simply because of closure of 6 units of the Company). Post the settlement, Shri Mahendra Kumar Modi has resigned from the post of Managing Director/Director of the Company on 09.09.2020 and transferred all the shares held by him, his family members and group companies in favour of Shri Umesh Kumar Modi.

Shri. Umesh Kumar Modi has been successfully managing the affairs of the Company for the last four decades. Additionally, for the last few years, Shri Umesh Kumar Modi has by himself ensured the survival of the Company exclusively as the other six units of the company which were under the control of Shri Mahendra Kumar Modi were permanently closed down. Upon tendering the resignation by Shri Mahendra Kumar Modi, the Board by virtue of a circular resolution dated 09.09.2020, made Shri Umesh Kumar Modi in charge of affairs of all the nine (9) units (including the management and control of the six (6) units which were previously under the control and management of Shri Mahendra Kumar Modi) as well as the corporate office of the Company which was subsequently confirmed by the Board in its meeting dated 05.10.2020. The Board also appointed Shri Umesh Kumar Modi as Chairman of the Company in its meeting dated 05.10.2020.

(ii) Revival of Electrode unit of the Company and payment of outstanding dues of the labour of the six (6) units of the Company

Pursuant to settlement arrived between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi, all the earnest efforts are being made by Shri Umesh Kumar Modi for the revival of closed units of the Company. The Company has incurred approximately Rs. 1500 Lac to restart and revive the closed Electrode Unit and the Unit has restarted its production w.e.f. 25.10.2021.

Further, the Company has started the process of clearing the outstanding dues of the labour / employees / workers of the closed six (6) units and paid an amount of Rs. 412.11 Lac upto 31.03.2023 towards the outstanding dues of the labour / employees / workers.

(iii) Withdrawal of the cases / complaints filed by Shri Mahendra Kumar Modi against the company as well as other Directors

Pursuant to the settlement arrived between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi, the complaints / proceedings/cases instituted by Shri Mahendra Kumar Modi against the company and its Directors before various courts / tribunals / authorities including and not limited to proceedings instituted before the Hon'ble Supreme Court of India, Hon'ble Delhi High Court, Securities & Exchange Board of India, National Stock Exchange of India, Registrar of Companies etc. were withdrawn.

(iv) Application filed by Shri Devendra Kumar Modi before the Hon'ble Delhi High Court inter-alia seeking stay on sale of assets of the Company

Immediately after the settlement arrived between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi in September 2020, Shri Devendra Kumar Modi filed 2 (two) interim applications under Order 39, Rule (1) & (2) of CPC, 1908 being I.A. 8156 / 2020 & I.A. 9457 / 2020 in his pending civil suit i.e. CS (OS) 991 / 2009 titled as DK Modi vs. YK Modi & Ors. before the Hon'ble Delhi High Court (on 11.09.2020 & 03.10.2020 respectively) inter-alia, praying for certain ad-interim reliefs, however, till date no such relief has been granted and merely notice was issued on the said two applications vide order dated 24.11.2020. The said applications are still pending adjudication before the Hon'ble Delhi High Court. Among various reliefs sought by Shri Devendra Kumar Modi in the said two applications, few critical reliefs are as follows:

(a) Stay the inter-se settlement between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi;

Notes forming part of the standalone financial statements for the year ended 31st March, 2023

- (b) Stay the sale of assets of Modi Industries Ltd.;
- (c) Appoint Shri Devendra Kumar Modi on the Board of Modi Industries Ltd.;

Imperatively, since no ad-interim relief was granted in favour of Shri Devendra Kumar Modi as was prayed in the above mentioned 2 interim applications, Shri Devendra Kumar Modi had also filed an appeal (being FAO (OS) 5 of 2021) before the Ld. Division Bench of the Delhi High Court, inter-alia, assailing the order dated 24.11.2020 passed by the Ld. Single Judge, whereby, no interim relief as prayed by Shri Devendra Kumar Modi was granted to him. The Ld. Division Bench vide order dated 18.02.2021 dismissed the appeal filed by Shri Devendra Kumar Modi without granting any interim relief. It may also be relevant to point out that the Ld. Division Bench permitted Shri Devendra Kumar Modi to move an application for preponement of hearing in his civil suit being CS (OS) No. 991 of 2009, however, no such steps were taken by Shri Devendra Kumar Modi.

Since Shri Devendra Kumar Modi was not able to procure any relief in the abovementioned proceedings before the Hon'ble Delhi High Court, he also filed a contempt petition before the Hon'ble Supreme Court of India being Cont. Pet. (C) No. 660-662 of 2020 titled as DK Modi vs. MK Modi & UK Modi. The entire premise of the petition filed by Shri Devendra Kumar Modi was that both Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi have committed contempt of the court and violated the order dated 27.08.2010 (passed in SLP No. 23095-97 of 2010 titled as Mk Modi vs. UK Modi & Ors.) by entering into an inter-se settlement amongst themselves. It is noteworthy to mention that the said order dated 27.08.2010 was passed by the Hon'ble Supreme Court of India pursuant to the prayer made by Shri Mahendra Kumar Modi to protect his interest in the Company who during the said period was apprehending that he will be ousted from the Company. The said order was only passed at the instance and prayer of Mr. M.K. Modi. Imperatively, the said order dated 27.08.2010 has nothing to do with Shri Devendra Kumar Modi as he was neither on the Board of the Company ever prior to the said order nor was he on the Board after the said order.

The Hon'ble Supreme Court vide its order dated 15.12.2020 issued ex-parte notice in the said petition filed by Shri Devendra Kumar Modi. Pursuant to the notice issued by the Hon'ble Supreme Court of India, both Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi filed their respective Counter Affidavits to the petition filed by the Shri Devendra Kumar Modi.

Further more, in the SLP No. 23095-97 of 2010 titled as M.K. Modi vs. U.K. Modi & Ors., Shri Mahendra Kumar Modi had also filed an application for withdrawal of the said SLP in view of the settlement arrived between Shri Umesh Kumar Modi and Shri Mahendra Kumar Modi.

In the contempt petition filed by Shri Devendra Kumar Modi, similar prayers were sought (apart from the prayer for initiation of Contempt proceedings) as were sought previously in the 2 (two) interim applications under Order 39, Rule (1) & (2) of CPC, 1908 being I.A. 8156 / 2020 & I.A. 9457 / 2020 in the pending civil suit being CS (OS) 991 / 2009. Shri Umesh Kumar Modi thereafter filed an application (being I.A. 704/2021) before the Hon'ble Delhi High Court in the pending civil suit filed by Shri Devendra Kumar Modi, inter-alia, to bring this fact on record that Shri Devendra Kumar Modi is seeking similar prayers before two different courts. Pursuant to the same, the counsel present for Shri Devendra Kumar Modi stated that she will file an Affidavit and withdraw the similar prayers before the Hon'ble Supreme Court of India and the same is recorded in order dated 24.03.2021. Shri Devendra Kumar Modi subsequently filed an Affidavit withdrawing similar prayers before the Hon'ble Supreme Court of India on 26.03.2021.

Notes forming part of the standalone financial statements for the year ended 31st March, 2023

Further, the Contempt Petition filed by Shri Devendra Kumar Modi as well as the SLP filed by Shri Mahendra Kumar Modi was taken up for hearing on 06.09.2022 by the Hon'ble Supreme Court of India after completion of pleadings. The Hon'ble Supreme Court of India after hearing the parties in detail was pleased to (vide order dated 06.09.2022) dismiss the Contempt Petition filed by Shri Devendra Kumar Modi and further the SLP filed by Shri Mahendra Kumar Modi was permitted to be withdrawn in terms of the application filed by Shri Mahendra Kumar Modi.

8. Share purchase agreement executed between Modi Industries Ltd. and Shri Mahendra Kumar Modi regarding sale of shares of Modipon Ltd.

During September 2020, an agreement was executed between the Company and Daisy Investment Ltd., regarding sale of shares of Modipon Ltd. held by the Company.

In pursuance of the said agreement, the Company received an advance amount of 25% of the entire sale consideration against the transfer of the shares in favour of Daisy Investment Ltd., however, since the Demat Account of the Company was suspended / freeze, the shares held by the Company could not be transferred during the said period. The suspension / freeze of the Demat Account was on account of some non-compliance at the end of Modi Rubber Ltd. The suspension of the Company's Demat Account was only on account of the fact that the Company is one of the promoters of Modi Rubber Ltd.

The suspension of the Demat Account of the Company has been lifted / revoked with effect from 15.03.2021. However, the transfer of shares is still pending and accordingly the sale of shares has not been recognized till March 31, 2023 as the balance sale consideration is also yet to be received.

It is imperative to note that since the net-worth of the company had turned negative, no bank / financial institution was willing to extend any credit facilities to the Company. Having left with no other option, the Company was constrained to borrow monies by way of Inter Corporate Deposits (ICDs) on which it was paying heavy rate of Interest. Apart from other liabilities, the Company continues to face the challenge (common to all sugar mills in the State of Uttar Pradesh) to clear the outstanding cane dues, which not only shall protect the company from any coercive action but shall also reduce the interest liability being fastened upon the Company on account of delayed cane payment. In order to reduce the heavy rate of interest on ICD's and to explore the channel for payment of cane dues, the Company had approached

As segregation between spare parts and components is not possible, the value of consumption of spare parts and components has been aggregated. The figures given in (vii)(D)(b) above are as certified by the Officials of the Company.

39. Hitherto, the Distillery Unit of the Company has been showing state excise duty paid by various state beverages corporations (except Rajasthan) towards the supplies of IMFL made by it, as its own cost and correspondingly enhancing turnover to that extent.

The above mentioned practice was being followed as the Distillery Unit was funding the state excise duty paid by the various state beverages corporations and therefore it was mis-conceptually assumed that the excise duty paid by the various state beverages corporations (except Rajasthan) was a part of turnover. Recently based on the legal opinion taken from the Advocate of Supreme Court it has been clarified that the excise duty being paid by the various state beverages corporations is not the liability of the Distillery Unit but is the liability of these corporations as the concerned state excise department is issuing permit in the name of these corporations. The Distillery unit is only funding these corporations as advance for payment of excise duty which is subsequently recovered from them. In view of the legal opinion, the excise duty should not have formed part of the turnover and should not have been shown as cost in the books of accounts of Modi Distillery.

In view of the above legal opinion, with effect from the current financial year i.e. 2022-23 the company has abandoned the previous practice of showing the state excise duty paid by various state beverages corporations as its own cost and correspondingly enhancing the turnover. Similarly, State Excise Duty on closing stock lying with State Corporation/in transit has not been included in the value of closing stock. The said change in accounting practice has no impact on the Profits of the Distillery Unit of the Company for the financial year 2022-23 even though revenue from operations and excise duty expenses reduced by Rs.15173.69 Lac each for the current financial year..

Had the Company followed the revised correct accounting practices as stated above in the financial year 2021-22, the revenue from operations and excise duty expense would have been reduced by Rs.11,987.44 Lac each in the financial year 2021-22. No impact has been given in the financial statements of 2021-22.
