During the year the patient mix in terms of OPD and IPD was 2,52,706 and 26,482 respectively as compare to 2,40,640 & 25,202 in the Financial Year 2018-19.

Standalone Level:

The Profit before Depreciation Interest and Tax (PBDIT) has also increased from Rs. 33.25 Cr to Rs. 42 Cr as compared to same period in previous year registering a growth of Rs. 8.75 Cr. This increase in PBDIT is mainly due to cost cutting measures adopted by Company. The Company has also adopted new Income Tax regime declared by Finance Minister on 13 September 2019 and sacrificed accumulated MAT credit of Rs. 3.10 Cr during the year under review. This new Income Tax regime was adopted by Company mainly due to present accumulated losses and future expansion plans. Profit the year has also increased from Rs. 2.84 Cr to Rs. 7.46 Cr registering a growth of Rs. 4.63 Cr.

The Debt level of the Company as on 31 March 2020 was Rs.165.14 Cr which has increased from Rs.153.51 Cr as on 31 March 2019, Increase in debt level is mainly due to disbursement of term loan of Lucknow hospital and nursing college. During the year under review, Company has repaid its borrowings Rs.12.72 Cr of HDFC Bank. The free cash and bank balance of the Company stood at Rs. 25.19 Cr as on 31 March 2020.

Consolidate Level:

The Revenue from Operations stood at Rs. 254.67 Cr as compared to Rs. 225.95 Cr in previous year registering a growth of Rs. 28.75 Cr whereas Profit before Depreciation Interest and Tax (PBDIT) has also increased from Rs. 33.12 Cr to Rs. 42.21 Cr as compared to same period in previous year registering a growth of Rs. 9.09 Cr. The Profit for the Year has also increased from Rs. 3.06 Cr to Rs. 7.73 Cr registering a growth of Rs. 4.67 Cr.

Owing to its commitment towards continuous advancement in Information technology, one of the significant and important development in the year was up gradation to SAP HANA which has been proficiently implemented by team and has enhanced Company journey towards complete digitalization as a way forward.

In the year under review, the Company has further digitized and technologically integrated its healthcare platform by implementing and adopting Hospital Information System (HIS) which shall re-affirm patient trust through transparent pricing, improved operational efficiencies, information integrity initiatives across different functions and enhance manpower productivity thereby leading in efficient and accurate administration of Company.

3. Capacity Expansion and Modernization of Facilities

During the year the prime focus of our capital expenditure has been on capacity expansion and modernisation of existing facility wherein your Company is constantly expanding the boundaries of its existing facilities. Accordingly, Regency Institute of Nursing (RIN) was set up as wholly owned subsidiary of the Company and became operational with effect from 25 October 2019 to overcome the inevitable demand of highly trained and qualified nurses in the state of Uttar Pradesh and across Country.

Further, Company had purchased a land opposite to its main Hospital situated in Sarvodaya Nagar, Kanpur for diversifying and expanding its business by developing new block which will approximately house 275 beds and will have all IPD's, OT's, ICU's, diagnostics, and rooms.

The 150 bedded Renal and Gastro Hospital which was under construction at Khurram Nagar, Lucknow has commenced its OPD services with effect from 1 April 2020 and complete Indoor and Outdoor services are in operation since 1 July 2020 with the aim of providing world-class healthcare facilities, through high end diagnostic medical equipment and specialty care.

Keeping in view, the growth opportunities and expansion possibilities, the Company has evaluated the proposal regarding expansion of its healthcare facilities in the city of

Jhansi, Uttar Pradesh by acquiring Ramraja Multispeciality Hospital and Trauma Centre Pvt.Ltd. and the endeavor shall be on providing world-class healthcare services through its hospital across all the specialties and cater to varied healthcare needs with affordable treatment plans.

The Company incurred capital expenditure of Rs. 41.25 Cr which is funded by banks/internal accruals of the company mainly for setting up of Lucknow hospital and Nursing College.

4. Emergence and Impact of Covid-19

Coming down to the last quarter of the Financial Year 2019-20, the outbreak of Covid-19 from China was declared as pandemic by World Health Organisation (WHO) and the challenges posed by it has sent shockwaves to the health system, societies, and economies around the world. The impact of the pandemic is clearly visible in financial markets. However, there is still no clarity on the deeper impact that it is having across various sectors.

No doubt, the Healthcare sector is at the epicentre of this unprecedented global pandemic challenge and the pandemic is likely to cost huge to the Healthcare sector. Though private hospitals are extending full support to the government in terms of equipment, isolation wards, and workforce, the health industry is bound to face challenges. The pandemic has decreased the surgeries and OPD footfall. It is expected to impact the cash flows of hospitals as 80% of the costs are fixed in nature.

Unlike other sectors, the Healthcare sector is facing a twin-burden: (a) Investing additional manpower, equipment, consumables, and other resources to ensure 100 percent preparedness for safety in the hospital(s) and eventual treatment of patients, if needed. (b) Experiencing a sharp drop in OPD footfalls, elective surgeries of patients which is evident from quarterly surgical and OPD revenue of the Company.

The Company is taking all necessary measures in terms of mitigating the impact of the challenges being faced in the business. The Company is working towards being resilient in order to sail through the current situation. It is focussed on controlling the fixed costs, maintaining liquidity and closely monitoring the all its facilities to ensure that the Centres operate smoothly.

The Ministry of Home Affairs, Government of India on 24 March 2020 notified the first ever nationwide lockdown in India to contain the outbreak of Covid-19 pandemic. The South Hospital of Company situated at Govind Nagar, Kanpur was declared as COVID hospital in entirety for treatment of L2 and L3 category of Covid patients with effect from 27 July 2020.

The Company endeavours to operate its business in conformity with the highest ethical and moral standards and employee centricity. In view of the outbreak of the pandemic, the Company undertook timely and essential measures to ensure the safety and well-being of its employees at all its Centre locations, corporate office and continues to adopt more rigorous cleaning routines and implementing social distancing with in Centres with

cautious optimism. The Company observed all the government advisories and guidelines thoroughly and in good faith.

5. **Transfer of Amount to Reserves**

A sum of Rs. 30 Cr has been proposed to be transferred to the General Reserve of the Company which is an appropriation out of profits of the Company.

6. **Dividend**

Independent Auditor's Report**To the Members of Regency Hospital Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

1. We have audited the accompanying consolidated financial statements of Regency Hospital Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associate, as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2020, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the consolidated state of affairs of the Group, its associate as at 31 March 2020, and their consolidated profit, and consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

4. The Holding Company's Board of Directors is responsible

for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

5. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The respective Board of Directors/management of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.
6. In preparing the consolidated financial statements, the respective Board of Directors of the companies included

in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

7. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its associate.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.;

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

11. The consolidated financial statements also include the Group's share of net profit of ₹ 1,423,453 for the year ended 31 March 2020, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid associate, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid associate, are based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial information certified by the management.

Report on Other Legal and Regulatory Requirements

12. As required by section 197(16) of the Act, based on our audit, we report that the Holding Company, covered under the Act paid remuneration to their respective

directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. The Subsidiary companies have not paid or provided for any managerial remuneration during the year. Further, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to associate company covered under the Act, since the associate company is not a public company as defined under section 2(71) of the Act.

13. As required by section 143 (3) of the Act, based on our audit on separate financial statements and other financial information of the subsidiary companies and associate company, we report, to the extent applicable, that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- c) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
- d) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies and its associate company covered under the Act, are disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act.
- e) with respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and
- f) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, and its associate company as detailed in Note 39 to the consolidated financial statements;

- i. the Holding Company, its subsidiary companies and associate company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;
- ii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and associate company covered under the Act, during the year ended 31 March 2020; and
- iii. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

Annexure A

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Regency Hospital Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associate as at and for the year ended 31 March 2020 we have audited the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary company, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its associate company which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial

Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies as aforesaid.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

7. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

8. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

9. In our opinion , the Holding Company, and its subsidiary companies which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

1. Corporate Information

Regency Hospital Limited (the 'Group') is a public limited Company together with its subsidiaries (collectively referred to as the "Group") and associate, incorporated on 8 June 1987. The Company provides a wide range of super specialty services in the field of healthcare. The shares of the Company were listed at Bombay Stock Exchange (BSE) and stand delisted with effect from 18 November 2015 on receipt of notice from BSE dated 3 November 2015 in response to Company's application for delisting under Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and Securities and Exchange Board of India (Delisting of Equity Shares) (Amendment) Regulations, 2015.

2. Principles of Consolidation

The consolidated financial statements include the financial statements of Regency Hospital Limited ("Regency" or the "Parent Group" or the "Group"), its subsidiaries and associate (collectively referred to as "Group").

The financial statements of the Group and its subsidiary Group are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21 - "Consolidated Financial Statements" referred to in the Companies (Accounting Standard) Rule 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 (the 'Act').

Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Group.

Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Group's shareholders.

Investment in Associate Companies has been accounted under the equity method as per Accounting Standard (AS) 23 - "Accounting for Investments in Associates in Consolidated Financial Statements" referred to in the Companies (Accounting Standard) Rule 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Act.

As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Group's separate financial statements.

3. Basis of preparation of financial statements

The financial statements of the Group have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Group has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Rules, 2006 (as amended from time to time). The financial statements have been prepared on going concern on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Current-non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Group's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- It is expected to be settled in the Group's normal operating cycle;
- It is held primarily for the purpose of being traded;
- It is due to be settled within 12 months after the reporting date; or
- The Group does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

4. Significant accounting policies

a. Use of estimates

The preparation of group financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the results of operations during the reporting period. The actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

b. Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Revenue from healthcare services and pharmacy sales

Revenue recognised as and when the services are rendered / pharmacy items are sold. Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer.

Revenue also includes the value of services rendered pending final billing in respect of in-patients undergoing treatment as on the reporting date.

Revenue from academic services

Revenue is recognised on pro-rata basis on the completion of such services over the duration of the academic program.

Equipment lease rentals and income from rent

Revenue is recognised in accordance with the terms of lease agreements entered into with the respective lessees on straight line basis.

Interest

Interest income is recognised on a time proportion basis taking into account the principal amount outstanding and the rate applicable.

c. Inventories

Inventory of medical consumables and drugs, stores and spares are valued at lower of cost and net realisable value. Cost is determined on first in first out basis. Cost of these inventories comprises of all cost of purchase and other costs incurred in bringing the inventories to their present location after adjustment of Goods & Service Tax, wherever applicable.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

d. Fixed assets

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition/sale of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognised.

Intangible assets

Software which is not an integral part of the related hardware is classified as an intangible asset.

Capital work in progress

Capital work-in-progress represents expenditure incurred in respect of capital projects under development and are carried at cost.

e. Depreciation

Depreciation on fixed assets is provided on straight-line method as per the rates prescribed under Schedule II of the Companies Act, 2013.

Intangible assets are amortised over the period of 5 years on a straight line method.

Depreciation on additions is being provided on pro-rata

Regency Hospital Limited**Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020**

basis from the date of such additions. Similarly, depreciation on assets sold/disposed off during the period is being provided up to the date on which such assets are sold/disposed off.

Leasehold improvements are amortised over the lease period.

The Group has adopted the provisions of para 46A of AS 11 "The Effects of Change in Foreign Exchange Rates," accordingly exchange differences arising on reinstatement/settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

f. Impairment of assets

The carrying amount of the asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. The recoverable amount is the greater of the asset's net selling price and value in use, which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there is change in the estimates used to determine the recoverable amount.

g. Borrowing costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing cost which are not relatable to the qualifying asset are recognised as an expense in the period in which they are incurred. Borrowing cost of specific loans used for acquisition or construction of fixed assets, which necessarily take a substantial period of time to be ready for their intended use, are capitalised. Other borrowing costs are recognized as an expense in the period in which they are incurred.

h. Investments

Investments that are readily realisable and intended to be held for not more than a year from the date of the acquisition of such investments are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at

cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of such long term investments. On disposal of an investment, the difference between its carrying amount and net disposal proceed is charged or credited to the statement of profit and loss.

i. Leases*Where the Group is the lessee*

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Group is the lessor

Leases in which the group does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss.

j. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 'Employee Benefits' (Revised 2005) referred to in the Companies (Accounting Standard) Rule 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 (the 'Act').

Provident fund and Employees' state insurance

Provident fund benefit and Employee State Insurance benefit are defined contribution plans under which the Group pays fixed contributions into funds established under Employees Provident Fund and Miscellaneous Provision Act, 1952 and Employee State Insurance Act, 1948 respectively. The Group has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contribution paid or payable in respect of defined contribution plans is recognized as an expense in the period in which services are rendered by the employee.

Gratuity

Gratuity is a post-employment benefit and is in the nature of defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date together with adjustments for unrecognized

actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the year in which such gains or losses arise.

Leave encashment benefits

Provision for compensated absences when determined to be short term benefit is made on the basis of Group policy as at the end of the year. Provision related to short term compensated absences of employees is provided on actual basis.

Other short term benefits

Expense in respect of other short term benefits is recognised on the basis of amount paid or payable for the period during which services are rendered by the employees.

k. Income taxes

Tax expenses comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the Group re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Group writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be

realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

l. Foreign currency transactions and translations

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on restatement of the Group's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

m. Segment Reporting

Business segments:

Segments have been identified and reported based on the nature of the products and services, the risks and returns, the organisation structure and the internal financial reporting systems.

Geographical segments

In terms of geographies, the Company sells its products and services within India and neither identifies nor analyses risk based on different geographical regions.

Other information

- a) Revenues and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment.

Regency Hospital Limited**Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020**

- b) Revenues and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses".
- c) Assets and liabilities, which relate to the Company as a whole and are not allocable to segments on reasonable basis, are shown as unallocated corporate assets and liabilities respectively.
- cash on hand and short-term bank deposits with an original maturity of three months or less.

n. Contingent liabilities and provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Group not acknowledged as debts are treated as contingent liabilities. In respect of statutory dues disputed and contested by the Group, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter. Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, has been disclosed as a contingent liability in the financial statements.

A provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

o. Earnings per share:

Basic earnings/loss per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue and share split. For the purpose of calculating diluted earnings/loss per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

p. Cash and cash equivalents

Cash and cash equivalents comprise of cash at bank,

Foreign letter of credit (USD 108,000)	-	7,512,480
Inland letter of credit & delivery orders	15,324,868	-

Note

(i) Includes total amount of claims under various legal cases alleging medical negligence against the hospital as on 31 March 2020 is ₹ 39,875,167 (previous year ₹ 37,488,137). The Group has taken professional indemnity insurance policy for all cases and basis this professional indemnity policy and historical trend of settlement in this matter management is confident that no liability is likely to devolve on the Group.

(ii) The Group has deposited an amount of ₹ 1,923,000 (being 50% of disputed amount of ₹ 3,845,000) under protest with the Commissioner of Custom (Import and general) in accordance with the order dated 05 February 2007 passed by Hon'ble Allahabad high court, which had been written off in the previous financial years.

(iii) The Payment of Bonus (Amendment) Act, 2015 dated 31 December 2015 (which was made elective from 01 April 2014) revised the thresholds for coverage of employees eligible for bonus and also enhanced the ceiling limits for

computation of bonus. However, taking cognizance of the stay granted by various High Courts and pending disposal of such matter, the Group has not recognized the differential amount of bonus of ₹ 3,502,616 for the period 1 April 2014 to 31 March 2015 and accordingly has recognized the expense in accordance with the Payment of Bonus (Amendment) Act, 2015 w.e.f. 1 April 2015 and onwards.

(iv) Interest and claims by customers, suppliers, lenders and employees may be payable as and when the outcome of the related matters are finally determined and hence have not been included above. Management, based on legal advice and historical trends, believes that no material liability will devolve on the Group in respect of these matters.

The Hon'ble Supreme Court of India has pronounced a ruling dated 28 February 2019 in which it is held that 'allowance' paid to employees, will be included in scope of 'basic wages' and thus, will be subject to provident fund contributions. Management believes that this will not result in any material liability on the Group which is also the view of a PF consultant engaged by the management.

(b) Other matters

The adjudication authority of Securities and Exchange Board of India (SEBI) vide its order dated 29 September 2018 imposed penalties on the Holding Company and its promoters under sections 15HA and 15-A(b) of the SEBI Act, 1992, out of which the penalty aggregating ₹ 2,000,000 was attributable to the Holding Company. Thereafter, the Securities Appellate Tribunal ("SAT"), vide its Order dated 3 January 2020, has quashed and set aside the order of SEBI imposing penalty of ₹ 500,000 and vide its order dated 3 September 2020 has set aside the SEBI order imposing penalty of ₹ 1,500,000 thereby maintaining status quo for the Holding Company and its promoter and directors and the said matter has been remanded back to SEBI for further investigation and consideration of additional documents.

40. Operating lease

The Group has leased some of its premises to third parties under lease agreements that qualifies as an operating lease. Rental income for operating leases for the years ended 31 March 2020 and 31 March 2019 aggregate to ₹ 5,669,946 and ₹ 5,181,528 respectively.

The Group is a lessee under various cancellable and non-cancellable operating leases. 43. During the year, w.e.f. 25 October 2019, the operations of Nursing School have been transferred from Regency Hospital Limited to separate legal entity 'Regency Institute of Nursing' which is the wholly owned subsidiary company of Regency Hospital Limited.

44. World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic on March 11, 2020. Consequent to this, Government of India has declared lockdown on March 23, 2020. The Group is engaged in the business of running hospital and providing healthcare services, trading of pharmaceuticals and surgical items and imparting education on training of nurses. In case of Healthcare services and trading of pharmaceuticals and surgical items, being essential services, there has been no suspension of such operations during the lockdown. The operations relating to imparting training to nurses witnessed a temporary suspension so as to adhere to the lockdown restrictions but subsequently resumed its operations post ease in the lockdown restrictions. The Group has further taken steps for smooth functioning of its

We have audited the accompanying standalone financial statements of Regency Hospital Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India including the Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the state of affairs of the Company as at 31 March 2020, and its profit and its cash flows for the year ended on that date.
3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. Other information does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone

financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Annual Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

5. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

9. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

11. Based on our audit, As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
12. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order.
13. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us;
 - c) The standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended);
 - e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of section 164(2) of the Act;
 - f) We have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 26 September 2020 as per Annexure B expressed unmodified opinion; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company, as detailed in note 36 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2020;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2020;

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2020; and
- iv. The disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (which are included under the head 'Property, plant and equipment') are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans, investments, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the

opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, duty of customs, Goods and Service tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The dues outstanding in respect of income-tax, Goods and Service tax and duty of customs on account of any dispute, are as follows:

Statement of Disputed Dues

Name of the statute	Nature of dues	Amount(₹)	Amount (₹) paid	Protest (₹) Period to under amount relates	Forum where which the dispute is pending
Customs Act, 1962	Custom duty	3,845,000	1,923,000	1990-93	Hon'ble Allahabad High Court

- (viii) The Company has not defaulted in repayment of loans or borrowings to any bank or financial institution or government during the year. The Company did not have any outstanding debentures during the year.
- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). The term loans obtained during the year have not been utilised by the Company.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 of the Act read with Schedule V to the Act.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where

applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable accounting standards.

- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B to the Independent Auditor's Report of even date to the members of Regency Hospital Limited on the standalone financial statements for the year ended 31 March 2020

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Regency Hospital Limited ('the Company') as at and for the year ended 31 March 2020, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note of Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial

controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may

deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2020, based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note of Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI').

1. Corporate information

Regency Hospital Limited (the 'Company') is a public limited Company, incorporated on 8 June 1987. The Company provides a wide range of super specialty services in the field of healthcare. The shares of the Company were listed at Bombay Stock Exchange (BSE) and stand delisted with effect from 18 November 2015 on receipt of notice from BSE dated 3 November 2015 in response to Company's application for delisting under Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and Securities and Exchange Board of India (Delisting of Equity Shares) (Amendment) Regulations, 2015.

2. Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and Companies (Accounting Standards) Rules, 2006 (as amended from time to time). The financial statements have been prepared on going concern on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Current-non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets:

An asset is classified as current when it satisfies any of the following criteria:

- a) It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is expected to be realised within 12 months after the reporting date; or
- d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities:

A liability is classified as current when it satisfies any of the following criteria:

- a) It is expected to be settled in the Company's normal operating cycle;
- b) It is held primarily for the purpose of being traded;
- c) It is due to be settled within 12 months after the reporting date; or
- d) The Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

3. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (Indian GAAP) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

4. Significant accounting policies

a. Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Revenue from healthcare services and pharmacy sales

Revenue recognised as and when the services are rendered / pharmacy items are sold. Revenue from sale of goods is recognized when all the significant risks and

rewards of ownership of the goods have been passed to the buyer.

Revenue also includes the value of services rendered pending final billing in respect of in-patients undergoing treatment as on the reporting date.

Revenue from academic services

Revenue is recognised on pro-rata basis on the completion of such services over the duration of the academic program.

Equipment lease rentals and income from rent

Revenue is recognised in accordance with the terms of lease agreements entered into with the respective lessees on straight line basis.

Interest

Interest income is recognised on a time proportion basis taking into account the principal amount outstanding and the rate applicable.

b. Inventories

Inventory of medical consumables and drugs, stores and spares are valued at lower of cost and net realisable value. Cost is determined on first in first out basis. Cost of these inventories comprises of all cost of purchase and other costs incurred in bringing the inventories to their present location after adjustment of Value Added Tax, wherever applicable.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

c. Fixed assets

Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment loss, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance.

All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from derecognition/sale of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is

derecognised.

Intangible assets

Software which is not an integral part of the related hardware is classified as an intangible asset.

Capital work in progress

Capital work-in-progress represents expenditure incurred in respect of capital projects under development and are carried at cost.

d. Depreciation

Depreciation on fixed assets is provided on straight-line method as per the rates prescribed under Schedule II of the Companies Act, 2013.

Intangible assets are amortised over the period of 5 years on a straight line method.

Depreciation on additions is being provided on pro-rata basis from the date of such additions. Similarly, depreciation on assets sold/disposed off during the year is being provided up to the date on which such assets are sold/disposed off.

Leasehold improvements are amortised over the lease period.

The Company has adopted the provisions of para 46A of AS 11 "The Effects of Change in Foreign Exchange Rates," accordingly exchange differences arising on reinstatement/settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets.

e. Impairment of assets

The carrying amount of the asset is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. The recoverable amount is the greater of the asset's net selling price and value in use, which is determined based on the estimated future cash flow discounted to their present values. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there is change in the estimates used to determine the recoverable amount.

f. Borrowing costs:

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing cost which are not relatable to the qualifying

asset are recognized as an expense in the year in which they are incurred. Borrowing cost of specific loans used for acquisition or construction of fixed assets, which necessarily take a substantial period of time to be ready for their intended use, are capitalised. Other borrowing costs are recognized as an expense in the year in which they are incurred.

g. Investments

Investments that are readily realisable and intended to be held for not more than a year from the date of the acquisition of such investments are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of such long term investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

h. Leases

Where the Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Where the Company is the lessor

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognised in the statement of profit and loss on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the statement of profit and loss.

i. Employee benefits

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 'Employee Benefits' (Revised 2005) referred to in the Companies (Accounting Standard) Rule 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 (the 'Act').

Provident fund and Employees' state insurance

Provident fund benefit and Employee State Insurance benefit are defined contribution plans under which the Company pays fixed contributions into funds established

under Employees Provident Fund and Miscellaneous Provision Act, 1952 and Employee State Insurance Act, 1948 respectively. The Company has no legal or constructive obligations to pay further contributions after payment of the fixed contribution. The contribution paid or payable in respect of defined contribution plans is recognized as an expense in the year in which services are rendered by the employee.

Gratuity

Gratuity is a post-employment benefit and is in the nature of defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the balance sheet date together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from adjustments and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the year in which such gains or losses arise.

Leave encashment benefits

Provision for compensated absences when determined to be short term benefit is made on the basis of Company policy as at the end of the year. Provision related to short term compensated absences of employees is provided on actual basis.

Other short term benefits

Expense in respect of other short term benefits is recognised on the basis of amount paid or payable for the year during which services are rendered by the employees.

j. Income taxes

Tax expenses comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961. Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

k. Foreign currency transactions and translations

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on restatement of the Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

l. Segment Reporting

Business segments:

Segments have been identified and reported based on the nature of the products and services, the risks and returns, the organisation structure and the internal financial reporting systems.

Geographical segments

In terms of geographies, the Company sells its products and services within India and neither identifies nor analyses risk based on different geographical regions.

Other information

- a) Revenues and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment.
- b) Revenues and expenses, which relate to the Company as a whole and are not allocable to segments on a reasonable basis, have been included under "Unallocated corporate expenses".
- c) Assets and liabilities, which relate to the Company as a whole and are not allocable to segments on reasonable basis, are shown as unallocated corporate assets and liabilities respectively.

m. Contingent liabilities and provisions

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. Depending upon the facts of each case and after due evaluation of legal aspects, claims against the Company not acknowledged as debts are treated as contingent liabilities. In respect of statutory dues disputed and contested by the Company, contingent liabilities are provided for and disclosed as per original demand without taking into account any interest or penalty that may accrue thereafter. Possible future or present obligations that may but will probably not require outflow of resources or where the same cannot be reliably estimated, has been disclosed as a contingent liability in the financial statements.

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

n. Earnings per share:

Basic earnings/loss per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue and share split.

Regency Hospital Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2020

For the purpose of calculating diluted earnings/loss per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o. Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

* including Goods & service tax

35. Commitments

- Estimated value of contracts remaining to be executed on capital account and not provided for (net of advances): ₹ 50,880,013 (previous year ₹ 283,577,219)

Other commitments

(a) The Company has entered into an agreement with "The Empire" for acquisition of an immovable property on lease in Lucknow. The lease has a tenure of 9 years and carries an average monthly rent of ₹ 29,00,000 per month with an increment of 5% every year on the last paid rent which shall begin upon possession of the said premises. Subsequent to year end, letter of intend is signed between parties to increase the period from 9 years to 12 years. The total amount of capital expenditure remaining unexecuted is ₹ 15,000,000. The Company expects to receive the possession of the same by 31 March, 2021

36. (a) Contingent liabilities#

	As at 31 March 2020	As at 31 March 2019
Claims against the Company not acknowledged as debt [refer note (i) below]	39,875,167	37,488,137
Disputed demand of Customs Department [refer note (ii) below]	1,923,000	1,923,000
Bank guarantee furnished to Director, CGHS and ECHS, Railways and Regency School of Nursing	6,733,400	6,653,400
Bonus [refer note (iii) below]	3,502,616	3,502,616
Income taxes (Assessment year 2016-17)	263,863	263,863
Foreign letter of credit Nil (previous year USD 108,000)	-	7,512,480
Inland letter of credit	15,324,868	-

Note

(i) Includes total amount of claims under various legal cases alleging medical negligence against the hospital as on 31 March 2020 is ₹ 39,875,167 (previous year ₹ 37,488,137). The Company has taken professional indemnity insurance policy for all cases and basis this professional indemnity policy and historical trend of settlement in this matter management is confident that no liability is likely to devolve on the Company.

(ii) The Company had deposited an amount of ₹1,923,000 (being 50% of disputed amount of ₹ 3,845,000) under protest with the Commissioner of Custom (Import and general) in accordance with the order dated 05 February 2007 passed by Hon'ble Allahabad high court, which had been written off in the previous financial years.

(iii) The Payment of Bonus (Amendment) Act, 2015 dated 31 December 2015 (which was made elective from 01 April 2014) revised the thresholds for coverage of employees eligible for bonus and also enhanced the ceiling limits for computation of bonus. However, taking cognizance of the stay granted by various High Courts and pending disposal of such matter, the Company has not recognized the differential amount of bonus of ₹ 3,502,616 for the period 1 April 2014 to 31 March 2015 and accordingly has recognized the expense in accordance with the Payment of Bonus (Amendment) Act, 2015 w.e.f. 1 April 2015 and onwards

(iv) Interest and claims by customers, suppliers, lenders and employees may be payable as and when the outcome of the related matters are finally determined and hence have not been included above. Management based on legal advice and historical trends, believes that no material liability will devolve on the Company in respect of these matters.

The Hon'ble Supreme Court of India pronounced a ruling dated 28 February 2019 in which it was held that 'allowance' paid to employees, will be included in scope of 'basic wages' and thus, will be subject to provident fund contributions. Management believes that this will not result in any material liability on the Company which is also the view of a PF consultant engaged by the management

36. (b) Other matters

(a) The adjudication authority of Securities and Exchange Board of India (SEBI) vide its order dated 29 September 2018 imposed penalties on the Company and its promoters under sections 15HA and 15-A(b) of the SEBI Act, 1992, out of which the penalty aggregating ₹ 20,00,000 was attributable to the Company. Accordingly, the Securities Appellate Tribunal ("SAT"), vide its Order dated 3 January 2020 has quashed and set aside SEBI's order imposing penalty of ₹ 500,000 and vide its order dated 3 September 2020 has set aside the SEBI's order imposing penalty of ₹ 1,500,000 thereby maintaining status quo for the Company and its Promoter Directors and the said matter has been remanded back to SEBI for further investigation and consideration of additional documents.

(b) During the current year, the Company has incurred salary expense on behalf of its wholly owned subsidiary company Sibling Lifecare Private Limited (SLPL) and salary and other expense like rent, electricity etc. on behalf of its wholly owned subsidiary company Regency Institute of Nursing (RIN) [SLPL and RIN collectively referred as subsidiary companies] which are reimbursed by the subsidiary companies to the Company. As per the terms of agreement entered into by the Company with its subsidiary companies, these subsidiary companies have appointed the Company as its Pure agent for deputing its manpower/human resource and performing other services on behalf of subsidiaries. The Company management has obtained legal opinion on applicability of goods and service tax on reimbursement of above mentioned expense by subsidiary companies to the Company. The Tax expert has opined the management that the Company is acting as pure agent of subsidiary companies and therefore, the above reimbursement of expense (by subsidiary companies to the company) is not liable to Goods and Service Tax. Accordingly, no provision for Goods and service has been made in the books of accounts

37. Operating lease

The Company has leased some of its premises to third parties under lease agreements that qualifies as an operating lease. Rental income for operating leases for the years ended 31 March 2020 and 31 March 2019 aggregate to ₹ 8,735,653 and ₹ 5,187,428 respectively.

The Company is a lessee under various cancellable and non-cancellable operating leases.
