5. MANAGEMENT DISCUSSION AND ANALYSIS

TRADE CONDITIONS

• **COTTON**

The cotton production in India for the cotton season 2021-22 (October to September) dropped to 307 Lakh bales (170 Kgs) as against 360 Lakh bales produced in the previous cotton season, resulted in a 14% lower production. This is the lowest cotton production in India in the last 14 years. The major reason for lower crop size was due to low yield of cotton in main cotton growing centres due to unseasonal rainfall and an extended monsoon. As a result, the cotton prices were pushed to an 11-year high and prevailed at an elevated level throughout the cotton season that ended on 30-09-2022.

Spinning Mills were expecting the cotton prices to come down during the new cotton season 2022-23 as the Cotton Association of India (CAI), the apex cotton body in India, has estimated a higher sowing area for cotton at 128.35 lakh hectares, an increase of about 10 lakh hectares as compared to the last season. At the beginning of the cotton season, the CAI estimated that the cotton crop for the new season would be higher at 344 Lakh bales (PY: 307 Lakh bales). However, cotton arrivals in the market were very slow during the first 6 months of the new cotton season as the cotton growers held back the kappas, expecting better prices. The arrivals of cotton from October 2022 to March 2023 were lower by 30% as compared to the last season due to the holding of stocks by the farmers. The CAI also revised the cotton crop size for the season 2022-23 from its earlier estimate of 344 Lakh bales to 313 Lakh bales. All these factors triggered speculation over cotton prices and it did not come down to the expected level. Though

DIRECTORS' REPORT

there was some price correction in the cotton, the fall in yarn prices was much sharper than that of cotton, leading to wider disparity that affected the margins of yarn spinners across India.

- **YARN PRODUCTION**

The production volume of yarn has increased to 64.24 Lakh Kgs during the financial year 2022-23 as against 61.65 Lakh Kgs of last year, despite producing more volume of finer counts.

- **SALE OF YARN**

During FY 2022-23, the Company's sale volume was 62.76 Lakh Kgs, a slight increase from the 60.53 Lakh Kgs sold in the previous year. However, the sale value of yarn increased to ₹ 300.08 Crores, up 7% from ₹ 282.04 Crores of last year. The Company achieved the growth in sales value primarily by increasing production of value-added items and expanding its spindles capacity.

The recovery of demand for textile products during the last year could not be sustained for long due to various factors like an increase in the cotton prices, geopolitical conditions and high inflation across the globe. However, the Company's focus on producing a flexible and wide range products helped it to protect its sales volume during this sluggish period. The Company has established its position in fine / super fine counts in both domestic and export markets and it consumed more imported cotton to achieve consistent quality. India's yarn export recorded robust growth during the previous FY 2021-22 of USD 5.2 billion, a 92% increase. However, the exports volume of yarn started to moderate during the current fiscal year, with yarn exports from India only reaching USD 1.99 billion, a 61% decrease. The main reason for lower exports in the current year was India's loss of competitive advantage due to higher domestic cotton prices compared to International prices, coupled with global slowdown in the major advanced economies. This situation forced many spinning mills across India to operate at lower capacity, with many spinning mills cutting down their production due to huge losses in yarn production.

The Company's quality of yarn in value added segment has been well appreciated by the customers and the Company is receiving good volume of orders for value added counts. The Company is taking various steps to expand its market presence both in domestic and international markets and hope to achieve higher volume of sales in value added yarns in the forthcoming years.

DIRECTORS' REPORT

• **EXPORTS**

We have made export of Cotton Yarn (including merchant exports) for a value of ₹ 97.44 Crores as against ₹ 102.93 Crores of the previous year. The Company's focus on Product enhancement through technology advancement, traceability of entire production process, continuous customer-centricity and production of unmatched quality helped it to achieve this export.

Your Directors are thankful to M/s. EDPA, United State of America, M/s. Mantafil Spa, Italy, Italy, M/s. TMG Tecidos, Portugal, M/s. Somelos Tecidos SA, Portugal, M/s. Backmann & Vagedes GmbH, Germany, M/s. Yirmi Tekstil Sanayi Ve Ticaret A.S, Turkey, M/s. Lameirinho-Industria Testil S.A., Portugal, M/s. TIV Europe BV, Netherlands, M/s. TAN Tekstil Sanayi Ve Ticaret A.S., Turkey, M/s. Atateks Tekstil Sanayi Ve Ticaret A.S., Turkey, M/s. Mundifios S.A., Portugal, M/s. Aarti Impex Inc, Canada and M/s. Yagi and Co., Japan for their continued support and efforts for promotion of exports.

• **POWER COST**

During the financial year 2022-23, the Company was able to consume power from its own wind farms to the extent of 52% (PY: 57%) of the total power requirement. The power cost increased during the financial year 2022-23 to ₹ 21.26 Crores, compared to ₹ 15.39 Crores in the previous year, due to increase in the production capacity and a steep increase in the power tariff by Tamil Nadu Electricity Board (TNEB), which increased by more than 15% during the financial year 2022-23. Additionally, TNERC, the regulatory authority for approving the power tariff in Tamil Nadu, has also approved to increase the power tariff for charges related to windmills by 6% for the financial year 2022-23 and also for next 5 years. In order to mitigate the higher power cost, the Company made arrangements with Solar Power developers for supplying the power on long term basis at a fixed cost under group captive arrangement, which is cheaper as compared to TNEB's Rate.

• **FINANCE COST**

The Finance cost has increased to ₹ 19.97 Crores during the financial year 2022-23 from ₹ 14.14 Crores of previous financial year. The increase is attributed to additional borrowings for expansion and modernization programs and general trend of increasing interest rates. The Reserve Bank of India (RBI) increased monetary policy rates continuously during the financial year 2022-23 and the Repo rate, which was at 4% p.a. as on 01-04-2022 was increased 6.50% p.a, resulting in higher borrowing costs. A similar trend was observed globally, which made the cost of foreign currency-denominated borrowings equal to working capital loans availed in Indian Rupee.

In addition to the increase in interest rates, additional working capital requirements due to increased commodity prices, enhanced Spinning capacity and additional term loan borrowings had resulted in an increased outflow of finance costs during the FY 2022-23 compared to FY 2021-22.

DIRECTORS' REPORT

• **DIVIDEND INCOME**

During the financial year 2022-23, the Company has received dividend income of ₹ 93.19 Lakhs (PY: ₹ 0.18 Lakhs) and the particulars of dividend received are provided under Note No.47(a)(v).

6. MODERNISATION / EXPANSION

As a part of continuous thrust on modernization program, the Company has invested in 11 Nos. Truetzschler Carding Machine, 8 Nos. LMW - Carding Machine LC 363 / 361, 2 Nos. Automatic Bale Opener BLENDOMAT BO-A2300, 1 No. Blow Room Machinery Vairo Clean Model LB9/2, Simplex Machines, Savio Polar Auto Coner upgradation to improve the quality of yarn.

The total capital expenditure spent by the Company during the FY 2022-23 for the above value addition / modernization was ₹ 15.80 Crores (PY : ₹ 62.81 Crores), which was funded from internal accruals and term loan from Banks.

7. PROSPECTS FOR THE CURRENT YEAR

The volatility in cotton prices are continuing and the prices of cotton and yarn are widely fluctuating. Although there was an improved arrival of cotton in the market during later part of the current cotton season, prices continue to rule higher due to improved domestic demand for cotton. The ongoing unfavorable weather conditions in the cotton growing regions of the USA is a matter of concern, as the Company imports a large volume of long stable cotton from the USA for its value-added production.

The higher than expected inflation rate across the globe has resulted in the tightening of monetary policy rates by Central Banks, leading to reduced consumer spending. Demand for textile products remains stagnant due to global macroeconomic factors such as rising interest rates, fallout of major banks and fears of recession. Large volume orders are not being placed by buyers due to uncertainty and high inflation all over the world. Additionally, the rise in the raw material prices has resulted in high priced textile items, which are not absorbed in the retail value chain.

To combat these challenges, the Company is continuously monitoring various process parameters and implementing various system controls to deliver consistent quality of yarn and fabric to the end customers and leading brands. The Company has also strengthened its the product lines with more automation like fully automatic contamination removal system at blow room stage, 100% ring spindle monitoring system, installation of linkconers, which has resulted in overall improvement in the operating efficiency of the Company. Strengthening of its product lines with more value-added customized yarn counts such as Modal, Tencel, High Twist, Gassing, Dyed Yarn etc., will help the Company to isolate against the headwinds of falling demand for commodity count.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

DIRECTORS' REPORT

The Company's modernisation of spinning mills are expected to help the Company to grow its topline and protect the margins during the current year. The Company's efforts to adopt sustainable manufacturing processes, which includes reuse of water, zero-liquid-discharge system, bio treatment of waste water in recycling, ensuring environmental sustainability has put the Company among the top-rated textile Companies in the world. The Company's spinning capacities are expected to complement each other in the coming years and enable the Company to offer wide range of textile products in a quick turnaround time. Many brands in domestic and international markets are approaching the Company for sourcing yarn. The Company is confident that these measures will help to post a decent growth in its top line and enable sustainable profitability in the years to come.

I have conducted a Secretarial Audit of the compliance of applicable statutory provisions and adherence to good corporate practices by **SRI VISHNU SHANKAR MILL LIMITED** (hereinafter called "the Company") during the financial year **from 1st April, 2022 to 31st March, 2023** ("the year"/ "audit period"/ "period under review"). I conducted the Secretarial Audit in a manner that provided me a reasonable basis for evaluating the Company's corporate conducts / statutory compliances and expressing my opinion thereon.

I am issuing this report based on my verification of the books, papers, minute books and other records maintained by the Company, forms and returns filed, compliance related action taken by the Company during the year as well as after 31st March, 2023 but before the issue of this audit report and the information provided by the Company, its officers, agents and authorized representatives during my conduct of the Secretarial Audit.

1. I hereby report that:

1.1. In my opinion, during the audit period covering the **financial year ended on 31st March, 2023**, the Company has complied with the statutory provisions listed hereunder and also has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter. The Members are requested to read this report along with my letter of even date annexed to this report as Annexure - A.

1.2. I have examined the books, papers, minute books and other records maintained by the Company and the forms, returns, reports, disclosures and information filed or disseminated during the year according to the applicable provisions of:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

ANNEXURE III TO DIRECTORS REPORT

- (i) The Companies Act, 2013 (the Act), and the rules made thereunder.
- (ii) The Depositories Act, 1996 and the regulations and bye-laws framed thereunder.

SEPARATE FINANCIAL STATEMENTS

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

INDEPENDENT AUDITOR'S REPORT

To the Members of Sri Vishnu Shankar Mill Limited

Report on the Audit of the Separate Financial Statements

Opinion

We have audited the accompanying Separate ("Standalone") Financial Statements drawn in accordance with the Indian Accounting Standards ("Standalone Financial Statements"), of Sri Vishnu Shankar Mill Limited ("Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and statement of Changes in Equity for the year ended on 31st March, 2023 and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Separate Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the State of Affairs ("Financial Position") of the Company as at 31st March, 2023, its Loss ("Financial Performance including Other Comprehensive Income"), Cash Flows and Changes in Equity for the year ended on 31st March, 2023.

Basis for Opinion

We conducted our audit of the Separate Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Separate Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Separate Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Separate Financial Statements.

Information Other than the Separate Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Separate Financial Statements, Consolidated Financial statements and our audit report thereon.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

Our opinion on the Separate Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Separate Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Separate Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Separate Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the Separate Financial Statements that give a true and fair view of the Financial Position, Financial Performance (including Other Comprehensive Income), Cash Flows and Changes in Equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate Internal Financial Controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Separate Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Separate Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management and Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the Separate Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Separate Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We, also:

- Identify and assess the risks of material misstatement of the Separate Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the Separate Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Separate Financial Statements, including the disclosures, and whether the Separate Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the separate financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the separate financial statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the separate financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the separate financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order, 2020 (Order) issued by the Central Government of India in terms of Sub-Section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2) As required by Section 143(3) of the Act based on our audit, we report to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Separate Balance Sheet, the Separate Statement of Profit and Loss including the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Separate Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the Directors as on 31st March, 2023 and taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) We have enclosed our report in "Annexure B" with respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over financial reporting.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us, the Remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 of the Act.

AUDITORS' REPORT TO SHAREHOLDERS

"ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under the heading "Report on Other Legal & Regulatory Requirements" of our report of even date to the Separate Financial Statements of the Company for the year ended 31st March, 2023:

We state the following after considering the information and explanations given to us by the Company and on the basis of examination of the records of the Company:

- 1) In respect of the Company's Property Plant and Equipment and Intangible Assets.
 - 1.1 The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and equipment. The Company has also maintained proper records showing full particulars of intangible assets.
 - 1.2 The Property Plant and Equipment were physically verified during the year by the Company in accordance with the phased program of verification which, in our opinion, provides for physical verification at reasonable intervals. No material discrepancies were noticed during such verification.
 - 1.3 The title deeds of immovable properties disclosed in the financial statements are held in the name of the Company (Other than the properties where the Company is a lessee, and the lease arrangements are duly executed in favour of the Company).
 - 1.4 The Company has not revalued its Property, Plant and Equipment (including Right of use Assets) and/or intangibles during the year and accordingly the provisions of Clause 3(i)(d) of the Order is not applicable to the Company.
 - 1.5 The Company does not hold any benami Property and no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transaction (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Hence the provision of Clause 3(i)(e) of the Order is not applicable to the Company.
- 2) Inventory and Working Capital
 - 2.1 The Company has conducted the physical verification of inventory at reasonable intervals. The discrepancies noticed on verification between the physical stocks and the book records were properly dealt with in the books of account and were not material.
 - 2.2 The Company has been sanctioned Working Capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. The quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of accounts of the Company.
- 3) Investments made, Guarantees provided, Loans given, and Advances in the nature of loans given during the year.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

AUDITORS' REPORT TO SHAREHOLDERS

"Annexure B" to the Independent Auditor's Report

(Referred in paragraph 2(f) under 'Report on Other Legal and
Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

Opinion

We have audited the internal financial controls over financial reporting of Sri Vishnu Shankar Mill Limited. ("the Company") as of 31st March, 2023 in conjunction with our audit of the Separate Financial Statements of the Company for the year ended on 31st March, 2023.

In our opinion, and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibility for Internal Financial Controls

The Company's Management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibilities

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls and, both applicable to an audit of Internal financial controls and, both issued by the ICAI. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

1. Corporate Information

Sri Vishnu Shankar Mill Limited is a Public Limited company domiciled and headquartered in India and incorporated under the provisions of the Companies Act, 1956. The Registered office of the Company is located at Sri Vishnu Shankar Mill Premises, P.A.C. Ramasamy Raja Salai, Rajapalayam - 626 117, Tamil Nadu.

The Company is principally engaged in manufacture of Cotton Yarn. The Company is also engaged in generation of electricity from its windmills after meeting its captive requirements.

The financial statements of the Company for the year ended 31-03-2023 were approved and adopted by Board of Directors of the Company in their meeting dated 25-05-2023.

2. Statement of Ind AS Compliance

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015, as amended from time to time and presentation requirements of Division II of AS compliant Schedule III to the Companies Act, 2013.

3. Basis of Preparation of Separate Financial Statements

- (i) The significant accounting policies used in preparing the Separate financial statements are set out in Note No. 5.
- (ii) The Company has considered its operating cycle to be 12 months for the purpose of Current and Non-current classification of assets and liabilities.
- (iii) An asset is classified as current when it is expected to be realised or intended to be sold or consumed in the normal operating cycle, or held primarily for the purpose of trading or expected to be realised within 12 months after the reporting period, or cash or cash equivalents unless restricted from being exchanged or used to settle a liability 12 months after the reporting period. All other assets are classified as non-current.
- (iv) A liability is classified as current when it is expected to be settled in normal operating cycle, or held primarily for the purpose of trading or due for settlement within 12 months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.
- (v) The financial statements are presented in Indian Rupees, which is the Company's functional currency, rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 lakhs.
- (vi) Previous year figures have been regrouped / restated, wherever necessary and appropriate.

4. Basis of Measurement

The financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note No. 5(S) - Accounting Policy for Financial Instruments) and defined benefit plan assets, which are measured at fair value.

5. Significant Accounting Policies

A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, packing materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (ii) Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities but excluding borrowing cost, or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities and other costs but excluding borrowing cost, incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

B. Statement of Cash Flows

- (i) Cash flows are presented using indirect method, whereby profit / (loss) before exceptional item and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- (ii) Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid

NOTES TO FINANCIAL STATEMENTS

investments that are readily convertible into cash, which are subject to insignificant risk of changes in value.

- (iii) Bank borrowings including Bank overdrafts and Cash Credits are generally considered to be financing activities.

C. Dividend distribution to Equity Shareholders

Final dividend distribution to Shareholders is recognised in the period in which the dividends are approved by the Shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable TDS are recognised directly in Equity.

D. Income Taxes

- (i) The Company has an irrevocable option of shifting to a lower tax rate and simultaneously forgo certain tax incentives, deductions and accumulated MAT credit as per Section 115BAA in the Income Tax Act, 1961. In view of the overall tax benefits available under Section 115BAA, the Company has opted for shifting to lower tax regime from FY 2021-22 onwards.
- (ii) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws including the relevant transfer pricing regulations prescribed thereunder, read with applicable judicial precedents or interpretations, wherever relevant.
- (iii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iv) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date. The Company has restated the net deferred tax liability as at 01-04-2021 in accordance with the reduced tax rates, in view of adoption of new tax regime.
- (iv) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (vi) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to set off current tax assets against current tax liabilities.
- (vii) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

E. Property, Plant and Equipments (PPE)

- (i) PPEs are stated at cost of acquisition or construction less accumulated depreciation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, import duties, non-refundable purchase taxes (net of tax credits wherever applicable), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. The directly attributable costs include cost of testing whether the asset is functioning properly, after deducting the net proceeds from selling any items produced while bringing the asset to that location and condition.
- (ii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.
- (iii) Subsequent expenditures are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.
- (iv) Spares which meet the definition of PPE are capitalised from the date when it is available for use. Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- (v) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised.

The cost of major inspection / overhauling is recognised in the carrying amount of the item of PPE as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection / overhauling (as distinct from physical parts) is de-recognised.

- (vi) The present value of the expected cost for the decommissioning of PPE after its use, if materially significant, is included in the cost of the respective asset when the recognition criteria are met.
- (vii) Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the respective heads of accounts in the year in which it is incurred.
- (viii) The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

Type of Plant and Machinery	Useful life of such components ranging from
Textile Machineries / Equipment	2 to 20 years
Windmills	22 to 30 years
HFO / DG Sets	12 to 25 years
Electrical Machineries	3 to 25 years

- (ix) PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- (x) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- (xi) Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value except for process control systems whose residual value is considered as Nil.
- (xii) Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- (xiii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed periodically including at each reporting date and adjusted prospectively, if appropriate.

F. Capital Work-in-Progress / Capital Advances

- (i) Capital work-in-progress includes cost of property, plant and equipment under installation, under development including related expenses and attributable interest as at the reporting date.
- (ii) Advances given towards acquisition / construction of PPE outstanding at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'.

G. Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

dependent on the use of an underlying asset and the arrangement conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

- (i) The Company recognises a Right-to-use (RoU) asset and a lease liability at the lease commencement date for all leases where non-cancellable leases is more than 12 months. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and mode the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- (ii) The RoU asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of right-of-use asset or the end of the lease term, as follows:

Nature of RoU	Useful life ranging from
Land	99 Years
Building	20 Years

- (iii) The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any and adjusted for certain re-measurements of these liability.
- (iv) The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, company's incremental borrowing rate.
- (v) Lease payments included in the measurement of the lease liability comprise the following:
 - a) Fixed payments:
 - b) Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
 - c) Amount expected to be payable under a residual value guarantee; and
 - d) The exercise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

- (vi) The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.
- (vii) When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit or Loss if the carrying amount of the right-of-use asset has been reduced to zero.
- (viii) The Company presents right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities as a separate line item on face of the Balance sheet.
- (ix) The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

Company as a Lessor

The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

H. Revenue Recognition

- (i) Revenue from Operations
 - a) Sale of Products

Revenue from product sales is recognized when the Company transfers control of the product to customers at a point in time. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring goods to the customer. The Company provides discounts to customers on the achievement of the performance criteria based on agreed terms and conditions. The financing component with regard to sale of products

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

are excluded from Revenue from operations and recognised as interest Receipts over the credits financing as per Ind AS 115. The company do not have any non-cash consideration.

b) Power Generated from Windmills.

Power generated from windmills that are covered under Wheeling and Banking agreement with TANGEDCO are consumed at mills. The monetary value of such power generated that are captively consumed are not recognized as revenue but have been set off against the cost of Power & Fuel.

The value of unadjusted units available if any, at the end of the financial year and sold to the Electricity Board at an agreed rate / tariff rate are recognized and shown as income from Wind Mills.

c) Scrap Sale

Scrap sales is recognized when the Company transfers control of the product to customers.

(ii) Other Income

- a) Interest income is recognised using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period where appropriate, the gross carrying amount of the financial asset or to the amortised cost of a financial liability.
- b) Dividend income is recognised when the Company's right to receive dividend is established.
- c) Rental income from operating lease on investment properties is recognised on a straight line basis over the term of the relevant lease.

I. Employee Benefits

- (i) Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.
- (ii) Defined Contribution Plan viz., Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services.
- (iii) The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at 12% of employee's basic salary and dearness allowance. The Company has no further obligations.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

- (iv) The Company also contributes for Superannuation Fund on an annual basis, a sum equivalent to 15% of the officer's eligible annual basic salary. Out of the said 15% contribution, a sum upto ₹ 1.50 Lacs per annum is remitted Sri Vishnu Shankar Mill Limited Officers' Superannuation fund administered by trustees and managed by LIC of India. The balance amount, if any, is paid as salary. There are no further obligations in respect of the above contribution plan.
- (v) The Company contributes to Defined Benefit Plan viz., an approved Gratuity Fund. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days' basic salary and dearness allowance for each completed year of service. Vesting occurs upon completion of five years of continuous service. The Company makes annual contributions to "Sri Vishnu Shankar Mill Employees Gratuity Fund" administered by trustees and managed by LIC of India, based on the Actuarial Valuation by an independent external actuary as at the reporting date using Projected Unit Credit method.
- (vi) The Company provides for expenses towards compensated absences provided to its employees. The expense is recognized at the present value of the amount payable determined based on an independent external actuarial valuation as at the Balance Sheet date, using Projected Unit Credit method. The Company presents the entire compensated absences as 'Short-term provisions' since employee has an unconditional right to avail the leave at any time during the year.
- (vii) Re-measurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

J. Government Grants

- (i) Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.
- (ii) In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under "Other Income" or netted off against corresponding expenses wherever appropriate. Receivables of such grants are shown under "Other Financial Assets".
- (iii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.

NOTES TO FINANCIAL STATEMENTS

- (iv) Export benefits are accounted for the year of exports based on eligibility and when there is no uncertainty in receiving the same. Receivables of such benefits are shown under "Other Financial Assets".

K. Foreign Currency Transactions

- (i) The financial statements are presented in Indian Rupees, which is also the Company's functional currency.
- (ii) All transactions in foreign currency are recorded on initial recognition at their functional currency spot exchange rates prevailing on that date of transaction.
- (iii) Monetary assets and liabilities in foreign currencies outstanding at the reporting date are translated to the functional currency spot rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.
- (iv) Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the date of transaction. The date of transaction is the date on which the Company initially recognises the non-monetary asset or non-monetary liability arising from advance consideration. If there are multiple receipts of payments in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

L. Borrowing Costs

- (i) Borrowing cost include interest computed using Effective Interest Rate method, interest on lease liabilities, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- (ii) Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings costs are expensed in the period in which they occur.

M. Earnings per Share

- (i) Basic Earnings per share is calculated by dividing the profit / (loss) attributable to equity shareholders by the weighted average number of equity shares.
- (ii) Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.
- (iii) The Company does not have any potential equity shares.

N. Impairment of Non-Financial Assets

- (i) The carrying values of assets include property, plant and equipment, including right-of-use-asset, investment properties, cash generating units and intangible assets, are reviewed for impairment at each reporting date, if there is any indication of impairment based on internal and external factors.
- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- (iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- (iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

O. Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.
- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

P. Intangible Assets

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) The cost incurred for right to un-restricted usage of power transmission system for drawal of power from State grid to its Mills were capitalized as it is expected to yield future economic benefits.
- (iii) Intangible Assets are carried at cost less accumulated depreciation and impairment losses, if any and are amortised over their estimated useful life based on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Nature of Intangible assets	Estimated useful life
Computer software	6 years
Power Transmission System	5 years

- (iv) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

- (v) The residual values, useful lives and methods of amortisation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

Q. Investment Properties

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- (iii) The company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- (iv) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant parts as detailed below, that are different from the Useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset type	Useful life
Buildings under Investment properties	60 years

- (v) Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.

NOTES TO FINANCIAL STATEMENTS

- (vi) The residual values, useful lives and methods of depreciation of investment properties are reviewed periodically including at each reporting date and adjusted prospectively, if appropriate.

R. Operating Segments

Operating segments are identified on the basis of nature and usage of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker. The Company's business operation comprises of two operating segment viz., Textile and Windmills.

S. Financial Instruments

- (i) A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- (ii) Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- (iii) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.
- (iv) Fair Value Hedges
- Changes in the fair value of forwards contracts that are designated and qualify as fair value hedges are recognised in the income statement, together with the changes in the fair value of the hedged item that are attributable to the hedged risk. If the hedge no longer meets the criteria for hedge accounting, changes in the fair value of the hedged item attributable to the hedged risk are no longer recognized in the income statement.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

When a hedged item in a fair value hedge is a firm commitment (or a component thereof) to acquire an asset or assume a liability, the initial carrying amount of the asset or the liability that results from the entity meeting the firm commitment is adjusted to include the cumulative change in the fair value of the hedged item that was recognised in the balance sheet, with a corresponding gain or loss recognised in Profit and loss.

T. Financial Assets

- (i) Financial assets comprise of investments in equity, trade receivables, cash and cash equivalents and other financial assets.
- (ii) Depending on the business model (i.e.) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:
 - a) Amortised cost; or
 - b) Fair value through other comprehensive income (FVTOCI); or
 - c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

- (iii) Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised Cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

- (iv) The Company has accounted for its investments in associates at cost. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised Cost	Trade receivables, Loans and advances to employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Associate as an option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

- (v) Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset.

- (vi) Upon de-recognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.

- (vii) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO FINANCIAL STATEMENTS

Name of Financial asset	Impairment testing methodology
Trade Receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

U. Financial Liabilities

- (i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Derivative financial instruments, financial guarantee obligation and other financial liabilities.
- (ii) The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised Cost	Borrowings, Trade payables, Lease Liabilities, Interest accrued, Unclaimed dividends, Security deposits and other financial liabilities not for trading.
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

NOTES TO FINANCIAL STATEMENTS

- (iii) Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognized initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.
- (iv) Financial liabilities are de-recognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- (v) Upon de-recognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

V. Fair Value Measurement

- (i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (ii) The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.
- (iii) All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:
 - Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities
 - Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is directly or indirectly observable.
 - Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is unobservable.
- (iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

NOTES TO FINANCIAL STATEMENTS

(v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

(vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

a) Investments in Equity

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

b) Trade and other receivables

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

c) Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

d) Non-derivative financial liabilities

The fair value of non-derivative financial liabilities viz., borrowings and lease liabilities are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

e) Financial guarantee obligation

The fair value of financial guarantee obligation with reference to loan availed by associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

f) Investment Properties

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

NOTES TO FINANCIAL STATEMENTS

6. Amendments to the existing accounting standards effective from 01-04-2022 onwards.

The details of amendments to the existing standards that are relevant to the Company with effect from 01-04-2022 are given below:

The amendment to Ind AS 16 on Property, Plant & Equipment has clarified that excess of net sale proceeds of items produced over the cost of testing (while bringing the asset to that location and condition) shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of Property, Plant and Equipment.

7. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates/ assumptions / judgements in preparation and presentation of financial statements:

(i) Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer which is based on market factors namely demand and supply. The Company offers credit period to customers and management judgement is exercised in assessing whether a contract contains a significant financing components.

(ii) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team periodically including at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation / amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

(iii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law and applicable judicial precedence.

(iv) Deferred Tax Asset

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(v) Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability.

(vi) Segment Reporting

Management's judgement is exercised to aggregate two or more business segments as single operating segment, based on economic characteristics, products, production process and types of customer, which are similar in nature.

(vii) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(viii) Classification of Investment

Management judgement is exercised in determining the following criteria while making classification of investments:

- the intention of the Company to sell the investment immediately;
- the sale is highly probable;
- it is unlikely that significant change to the sale plan will be made and;
- that plan will not be withdrawn.

Based on this judgement, the investments are classified as "Investment held for sale", if all the above criteria are met and continue to classify the investment as "Non-current investment", if the above criteria are not met.

(ix) Impairment of Trade Receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

(x) Impairment of Non-financial assets (PPE / Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

(xi) Impairment of Investments in Associates

Significant management judgement is exercised in determining whether the investment in associates are impaired or not is on the basis of its nature of long term strategic investments and business projections.

(xii) Defined Benefit Plans and Other Long Term Benefits

The cost of the defined benefit plan and other long term benefits and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(xiii) Determination of lease term of contracts as non-cancellable term

Significant management judgement is exercised in determining the lease term as non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised, by considering all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

(xiv) Fair value measurement of financial instruments / Firm Commitments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques including the Discounted Cash Flow (DCF) model / Net Asset Value Method, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

In case of unrecognised firm commitments denominated in foreign currency, which also qualify as a hedged item, the fair value of such firm commitments outstanding at the reporting date are measured at functional currency based on the quoted price in the active market prevailing on the reporting date.

(xv) Interests in Other Entities

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is a significant influence over certain companies belonging to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

NOTE NO. 45

As per Ind AS 19, the disclosures pertaining to "Employee Benefits" are given below:

Defined Contribution Plan:

Employer's Contribution to Provident Fund	174.84	154.86
Employer's Contribution to Superannuation Fund	12.47	9.68

Defined Benefit Plan - Gratuity

The Gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company read with Payment of Gratuity Act, 1972. This is a defined plan in nature. The Company makes annual contributions to "Sri Vishnu Shankar Mill Limited Employees' Gratuity Fund" administered by the Trustees and managed by LIC of India, based on the Actuarial Valuation by an Independent external actuary as at the Balance Sheet date using Projected Unit Credit method. The Company has the exposure of actuarial risk such as adverse salary growth, change in demography experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risks.

DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

NOTE NO. 50

FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyze the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counter party to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO SEPARATE FINANCIAL STATEMENTS

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case-to-case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows.

Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract / packing credit foreign currency which acts as natural hedge against export receivable. The Company enters the above transactions, after taking into consideration the anticipated Foreign exchange inflows / outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company uses derivative financial instruments viz. Foreign Exchange Forward Contracts exclusively for hedging currency risks that arise from imports / exports transactions. The Company measures the risk by forecasting foreign currency cash flows and manages its currency risks by appropriately hedging the transactions. When a forward contract is entered into for the purpose of being a hedge, the Company finalizes the terms of those forward contracts to match the terms of the hedged exposure i.e. receivables / payables / Firm Commitments. All identified exposures are managed as per the policy duly approved by the Board of Directors.

Cash flow and fair value interest rate risk

(₹ in Lakhs)

Interest rate risk arises from long-term borrowings with variable rates, which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed / floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position

CONSOLIDATED FINANCIAL STATEMENTS

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s. Sri Vishnu Shankar Mill Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements drawn in accordance with the Indian Accounting Standards ('Consolidated Financial Statements') of **Sri Vishnu Shankar Mill Limited** (hereinafter referred to as 'Company') and the share of profit/loss of its associates. These Consolidated Financial Statements comprise the Consolidated Balance Sheet as at 31st March, 2023, the Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year ended 31st March, 2023 and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013, ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards, of the Consolidated State of Affairs (Financial Position) of the Company including the effect of share in the profit of its associates as at 31st March, 2023, and their Consolidated Loss (Financial Performance including Other Comprehensive Income) including the share in the profit of its associates, Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year ended 31st March, 2023.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

AUDITORS' REPORT TO SHAREHOLDERS

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, but does not include the Separate Financial Statements, Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

Management's Responsibilities for the Consolidated Financial Statements

The Company's Management and Board of Directors are responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Act, that give a true and fair view of the consolidated financial position, consolidated financial performance (including Other Comprehensive Income), consolidated cash flow and consolidated statement of changes in equity of the Company including its associates in accordance with the accounting principles generally accepted in India and including the Indian Accounting Standards specified under Section 133 of the Act, read with applicable Rules there under.

The respective Board of Directors of the Company and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Company, as aforesaid.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the Company and its Associates are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Management and Board of Directors either intends to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We, also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors.
- Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in
 - (i) planning the scope of our audit work and in evaluating the results of our work; and
 - (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

Other Matters

The Consolidated Financial Statements includes the Company's share of profit after tax of ₹ 432.74 Lakhs and total comprehensive income of ₹ 429.24 Lakhs for the year ended 31st March, 2023 as consider in the Consolidated Audited Financial Statements in respect of all three associates. AUDITORS' REPORT TO SHAREHOLDERS

**"ANNEXURE A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
CONSOLIDATED FINANCIAL STATEMENTS**

**Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143
of the Companies Act, 2013 ("the Act")**

Opinion

We have audited the Internal Financial Controls over financial reporting of Sri Vishnu Shankar Mill Limited and its associates ("the Company") and its associates as of 31st March, 2023 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on 31st March, 2023.

In our opinion, to the best of our information and according to the explanations given to us, the Company and its associate have, in all material respects, an adequate Internal Financial Controls system over financial reporting and such Internal Financial Controls over financial reporting were operating effectively as at 31st March, 2023, based on the Internal Control over financial reporting criteria established by the Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI").

Management's Responsibilities for Internal Financial Controls

The respective Management and Board of Directors of the Company and its Associate Companies are responsible for establishing and maintaining Internal Financial Controls based on internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate Internal Financial Controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibilities

Our responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the Internal Financial Controls system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over financial reporting included obtaining an understanding of Internal Financial Controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Other Matters

We have relied on a) our audit of the Company, b) management certification in the case of associates which were audited by other auditors.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over financial reporting includes those policies and procedures that;

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

AUDITORS' REPORT TO SHAREHOLDERS

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the Internal Financial Controls over financial reporting to future periods are subject to the risk that the Internal Financial Control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (v) The CFS are presented in Indian Rupees rounded to the nearest Lakhs with two decimals. The amount below the round off norm adopted by the Company is denoted as ₹ 0.00 Lakhs.
- (vi) Pursuant to General Circular No.39/2014 dated 14-10-2014 issued by the Ministry of Corporate Affairs that the disclosures made already under the financial statements are not merely repeated and thus the disclosures that are relevant arising out of consolidation have only been presented.
- (vii) The CFS comprises the financial statements of Sri Vishnu Shankar Mill Limited and its Associate Companies. The following Companies are considered as Associates based on existence of significant influence over such Companies:

Name of the Company	% of Holding & Voting Rights	
	31-03-2023	31-03-2022
The Ramco Cements Limited	1.31%	1.31%
Rajapalayam Mills Limited	0.40%	0.40%
The Ramaraju Surgical Cotton Mills Limited	0.06%	0.06%

- (viii) The above Companies are incorporated in India and financial statements of the respective Companies are drawn upto the same reporting date as that of the Company (i.e) 31-03-2023.
- (ix) Previous year figures have been regrouped / restated, wherever necessary and appropriate.

4. PRINCIPLES OF CONSOLIDATION

- a) The CFS includes the share of profit / loss of the associate companies that are accounted for using equity method in accordance with Ind AS 28. Accordingly, the share of profit / loss of the associates (the loss being restricted to the cost of investment) has been added / deducted from the cost of investment. The most recent available financial statements of the associates are used in applying the equity method.
- b) The Consolidated Statement of Profit and Loss reflects the share of results of its associates. Any change in OCI of those investees is presented as part of the Consolidated OCI.
- c) Under equity method of accounting, the investments are initially recognized at the fair value of net asset of Associate Companies from the date on which it becomes as associate and any difference between the cost of the investment and the Parent's share of the net fair value of the investee's identifiable assets and liabilities is accounted for as follows.
- (i) Any excess of the entity's share of the net fair value of the investee's identifiable assets and liabilities over the cost of the investment is recognised directly in equity as capital reserve in the period in which the investment is acquired.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (ii) Subsequently, the carrying amount of investment is adjusted to recognize the share of post-acquisition profits or losses of its Associates in the Parent's Statement of Profit & Loss.
- (iii) The equity method shall be discontinued from the date when the investment ceases to be an Associate and it shall measure the retained interest shall be measured at fair value. The fair value of the retained interest shall be regarded as its fair value on initial recognition as financial asset. The difference between the fair value of retained interest & any proceeds from disposing of a part interest in the Associate and the carrying amount of investment at the date the equity method was discontinued will be recognised in profit or loss.
- d) Dividend received or receivable from Associates are recognized as a reduction in the carrying amount of the Investment.
- e) Unrealised gains on transactions between the Company and its associates are eliminated to the extent of the Company's interest in these entities. Unrealised losses are also eliminated to the extent of the Company's interest in these entities unless the transaction provides evidence of an impairment of the asset transferred.
- f) At each reporting date, the Company determines whether there is any objective evidence that the investment in the associate is impaired. If there is such evidence, the Company provides for impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognizes the loss as 'Share of profit of an associates' in the Statement of Profit and Loss.
- g) The CFS has been prepared using uniform accounting policies for like transactions and other events in similar circumstances and is presented, to the extent possible, in the same manner as the Company's separate financial statements.

5 BASIS OF MEASUREMENT

The consolidated financial statements have been prepared on accrual basis under historical cost convention except for certain financial instruments (Refer Note No. 6(S) - Accounting Policy for Financial Instruments) and defined benefit plan assets which are measured at fair value.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

6. SIGNIFICANT ACCOUNTING POLICIES

A. Inventories

- (i) Raw-materials, Stores & Spares, Fuel, Packing Materials etc., are valued at cost, computed on a moving weighted average basis including the cost incurred in bringing the inventories to their present location and condition after providing for obsolescence and other losses or net realisable value whichever is lower. Inventories are usually written down to net realisable value, if the finished products, in which they will be used, are expected to be sold below cost. However, the inventories are considered to be realizable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost.
- (ii) Process stock is valued at weighted average cost including the cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities but excluding borrowing cost or net realisable value whichever is lower. Factory administration overheads to the extent attributable to bring the inventories to their present location and condition are also included in the valuation of Process stock.
- (iii) Finished goods are valued at cost or net realisable value whichever is lower. Cost includes cost of conversion with systematic allocation of production overheads based on normal capacity of production facilities and other costs but excluding borrowing cost incurred in bringing the inventory to their present location and condition. Finished goods include stock-in-trade also which comprises cost of purchase and other cost incurred in bringing the inventories to the present location and condition. Cost is determined on a moving weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

B. Statement of Cash Flow

- (i) Cash flows are presented using indirect method, whereby profit / (loss) before exceptional item and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments.
- (ii) Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances with original maturity of less than 3 months, highly liquid investments that are readily convertible into cash which are subject to insignificant risk of changes in value.
- (iii) Bank borrowings, including Bank overdrafts and Cash Credit are generally considered to be financing activities.

C. Dividend distribution to Equity Shareholders

Dividend Distribution to Shareholders is recognised in the period in which the dividends are approved by the Shareholders. Any interim dividend paid is recognised on approval by Board of Directors. Dividend together with applicable tax i.e. TDS are recognised directly in Equity.

D. Income Taxes

- (i) The Company has an irrevocable option of shifting to a lower tax rate (new tax regime) and simultaneously forgo certain tax incentives, deductions and accumulated MAT credit as per Section 115BAA in the Income Tax Act, 1961. In view of the overall tax benefits available under Section 115BAA, the Parent Company, has opted for shifting to lower tax regime from FY 2021-22 onwards.
- (ii) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates, the provisions of the Income Tax Act, 1961 and other applicable tax laws including the relevant transfer pricing regulations prescribed thereunder, read with applicable judicial precedents or interpretations, wherever relevant.
- (iii) Current tax assets and liabilities are offset, when the Company has legally enforceable right to set off the recognised amounts and intends to settle the asset and the liability on a net basis.
- (iv) Deferred tax is recognised using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting at the reporting date. The Company has restated the net deferred tax liability as at 01-04-2021 in accordance with the reduced tax rates, in view of adoption of new tax regime.
- (v) Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year where the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.
- (vi) Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by same governing tax laws and the Company has legally enforceable right to such set off current tax assets against current tax liabilities.
- (vii) Both current tax and deferred tax relating to items recognised outside the Profit or Loss is recognised either in "Other Comprehensive Income" or directly in "Equity" as the case may be.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

E. Property, Plant and Equipments (PPE)

- (i) PPEs are stated at cost of acquisition or construction less accumulated depreciation / amortisation and impairment losses if any, except freehold land which is carried at cost. The cost comprises of purchase price, import duties, non-refundable purchase taxes (net of tax credits wherever applicable), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. The directly attributable costs include cost of testing whether the asset is functioning properly, after deducting the net proceeds from selling any items produced while bringing the asset to that location are condition.
- (ii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.
- (iii) Subsequent expenditures are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- (vi) Spares which meet the definition of PPE are capitalised from the date when it is available for use. Other expenses on fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- (v) The Company identifies the significant parts of plant and equipment separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. The cost of major inspection / overhauling is recognised in the carrying amount of the item of PPE as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of the previous inspection / overhauling (as distinct from physical parts) is de-recognised.
- (vi) The present value of the expected cost for the decommissioning of PPE after its use, if materially significant, is included in the cost of the respective asset when the recognition criteria are met.
- (vii) Capital Expenditure on tangible assets for research and development is classified as PPE and is depreciated based on the estimated useful life. Other expenditure incurred for research and development are expensed under the heads of accounts in the year in which it is incurred.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (viii) The Company follows the useful lives of the significant parts of certain class of PPE on best estimate basis upon technical advice, as detailed below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset Type	Useful life ranging from
Textile Machineries / Equipment	2 to 20 Years
Wind Mills	22 to 30 Years
HFO & DG Sets	12 to 25 Years
Electrical Machineries	3 to 25 years

- (ix) PPE acquired in full or part exchange for another asset are recorded at the fair market value or the net book value of the asset given up, adjusted for any balancing cash transaction. Fair market value is determined either for the assets acquired or asset given up, whichever is more clearly evident.
- (x) PPEs are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such assets, are recognised in the Statement of Profit and Loss. Amount received towards PPE that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- (xi) Depreciation is the systematic allocation of the depreciable amount of an asset over its useful life on a straight line method. The depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less 5% being its residual value, except for process control system whose residual value is considered as Nil.
- (xii) Depreciation for PPE on additions is calculated on pro-rata basis from the date of such additions. For deletion / disposals, the depreciation is calculated on pro-rata basis up to the date on which such assets have been discarded / sold.
- (xiii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed periodically including at each reporting date and adjusted prospectively, if appropriate.

F. Capital Work-in-Progress / Capital Advances

- (i) Capital work in progress includes cost of property, plant and equipment under installation / under development including related expenses and attributable interest as at the reporting date.
- (ii) Advance given towards acquisition / construction of PPF outstanding at the reporting date are disclosed as 'Capital Advances' under 'Other Non-Current Assets'.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

G. Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date whether fulfilment of arrangement is dependent on the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

- (i) The Company recognises a right-to-use (RoU) asset and a lease liability at the lease commencement date for all leases where non-cancellable leases is more than 12 months. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- (ii) The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of right-of-use asset or the end of the lease term, as follows:

Nature of RoU	Useful life
Land	99 Years
Building	20 Years

- (iii) The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any and adjusted for certain re-measurements of these liability.
- (iv) The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot readily determined, company's incremental borrowing rate.
- (v) Lease payments included in the measurement of the lease liability comprise the following:
 - a) Fixed payments:
 - b) Variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
 - c) Amount expected to be payable under a residual value guarantee; and
 - d) The excise price under a purchase option that the Company is reasonably certain to exercise, lease payments in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (vi) The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the company's estimate of the amount expected to be payable under a residual value guarantee, or if company changes its assessment of whether it will exercise a purchase, extension or termination option.
- (vii) When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in the Statement of Profit or Loss if the carrying amount of the right-of-use asset has been reduced to zero.
- (viii) The Company present right-of-use assets that do not meet the definition of investment property in 'Property, Plant and Equipment' and Lease liabilities as a separate line item on face of the Balance Sheet.
- (ix) The Company has opted not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.
- (x) Lease Improvements
 - (a) Lease improvements on a right-of-use asset (RoU) made by the Company, which enhance the value, functionality, or extend the useful life of the leased asset, shall be recognized as assets and capitalized in the same category of RoU asset under 'Property, Plant and Equipment', if capitalization criteria are met.
 - (b) Lease improvements recognized as assets shall be initially measured at cost, which includes all directly attributable costs incurred to bring the improvements to their present condition and location.
 - (c) The lease improvements on RoU assets are depreciated using the straight line method from the commencement date to the earlier of the end of the useful life of lease improvement or the end of the lease term

Company as a Lessor

The lease arrangements where the risks and rewards incidental to ownership of an asset substantially vests with the Lessor are recognised as operating lease. Operating lease receipts are recognised in the Statement of Profit and Loss on straight line basis over the lease terms except where the payments are structured to increase in line with the general inflation to compensate for the expected inflationary cost increases. The Company do not have any finance leases arrangements.

H. Revenue Recognition

(i) Revenue from Operations

a) Sale of Products

Revenue from product sales is recognized when the company transfers control of the product to customers at a point in time. The transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring goods to the customer. The Company provides discounts to customers on the achievement of the performance criteria based on agreed terms and conditions. The financing component with regard to sale of products are excluded from Revenue from operations and recognised as interest Receipts over the credit periods as per Ind AS 115. The Company does not have any non-cash consideration.

b) Power Generated from Windmills

Power generated from windmills that are covered under wheeling & banking arrangement with TANGEDCO is consumed at factories. The monetary values of such power generated that are captively consumed are not recognised as revenue, but have been set after against the cost of power & fuel.

The value of unadjusted units available if any, at the end of the financial year and sold to the Electricity Board at an agreed rate / tariff rate are recognized and shown as income from Wind Mills.

c) Scrap Sale

Scrap sales is recognized when the Company transfers control of the product to customers.

(ii) Other Income

a) Interest income is recognised using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period where appropriate, the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

b) Dividend income is recognised when the Company's right to receive dividend is established.

c) Rental income from operating lease on investment properties is recognised on a straight line basis over the term of the relevant lease.

I. Employee Benefits

- (i) Short-term employee benefits viz., Salaries and Wages are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss for the year in which the related service is rendered.
- (ii) Defined Contribution Plan viz., Contributions to Provident Fund and Superannuation Fund are recognized as an expense in the Statement of Profit and Loss for the year in which the employees have rendered services.
- (iii) The Company contributes monthly to Employees' Provident Fund & Employees' Pension Fund administered by the Employees' Provident Fund Organisation, Government of India, at 12% of employee's basic salary and dearness allowance. The Company has no further obligations.
- (iv) The Company also contributes for Superannuation Fund on an annual basis, a sum equivalent to 15% of the officer's eligible annual basic salary. Out of the said 15% contribution, a sum upto ₹ 1.50 Lacs per annum is remitted to the Sri Vishnu Mills Limited Officers Superannuation Fund Trust administered by the Trustees and managed by LIC of India. The balance amount, if any, is paid as salary. There are no further obligations in respect of the above contribution plan.
- (v) The Company contributes to Defined Benefit Plan viz., an approved Gratuity Fund. It is in the form of lump sum payments to vested employees on resignation, retirement, death while in employment or on termination of employment, for an amount equivalent to 15 days' basic salary and dearness allowance for each completed year of service. Vesting occurs upon completion of five years of continuous service. The Company makes annual contributions to "Sri Vishnu Shankar Mill Limited Employees' Gratuity Fund" administered by trustees and managed by LIC of India, based on the Actuarial Valuation by an independent external actuary as at the reporting date using Projected Unit Credit method.
- (vi) The Company provides for expenses towards compensated absences provided to its employees. The expense is recognized at the present value of the amount payable determined based on an independent external actuarial valuation as at the Balance Sheet date, using Projected Unit Credit method. The Company presents the entire compensated absences as 'Short-term provisions' since employee has an unconditional right to avail the leave at any time during the year.
- (vii) Re-measurement of net defined benefit asset / liability comprising of actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are charged / credited to other comprehensive income in the period in which they arise and immediately transferred to retained earnings. Other costs are accounted in the Statement of Profit and Loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

J. Government Grants

- (i) Government grants are recognised at fair value where there is a reasonable assurance that the grant will be received and all the attached conditions are complied with.
- (ii) In case of revenue related grant, the income is recognised on a systematic basis over the period for which it is intended to compensate an expense and is disclosed under "Other Income" or netted off against corresponding expenses wherever appropriate. Receivables of such grants are shown under "Other Financial Assets".
- (iii) Government grants related to assets have been deducted in arriving at the carrying amount of the respective assets.
- (iv) Export benefits are accounted for the year of exports based on eligibility and when there is no uncertainty in receiving the same. Receivables of such benefits are shown under "Other Financial Assets".

K. Foreign Currency Transactions

- (i) The financial statements are presented in Indian Rupees, which is also the Company's functional currency.
- (ii) All transactions in foreign currency are recorded on initial recognition at their functional currency spot exchange rates prevailing on that date of transaction.
- (iii) Monetary assets and liabilities in foreign currencies outstanding at the reporting date are translated to the functional currency spot rates prevailing on the reporting date and the resultant gains or losses are recognised during the year in the Statement of Profit and Loss.
- (iv) Non-monetary items which are carried at historical cost denominated in foreign currency are reported using the exchange rates at the date of transaction. The date of transaction is the date on which the company initially recognises the non-monetary asset or non-monetary liability arising from advance consideration. If there are multiple receipts of payments in advance, the Company determines the transaction date for each payment or receipt of advance consideration.

L. Borrowing Costs

- (i) Borrowing cost include interest computed using Effective Interest Rate method, interest on lease liabilities, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- (ii) Borrowing costs that are directly attributable to the acquisition, construction, production of a qualifying asset are capitalised as part of the cost of that asset which takes substantial period of time to get ready for its intended use. The Company determines

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

the amount of borrowing cost eligible for capitalisation by applying capitalisation rate to the expenditure incurred on such cost. The capitalisation rate is determined based on the weighted average rate of borrowing cost applicable to the borrowings of the Company which are outstanding during the period, other than borrowings made specifically towards purchase of the qualifying asset. The amount of borrowing cost that the Company capitalises during the period does not exceed the amount of borrowing cost incurred during that period. All other borrowings costs are expensed in the period in which they occur.

M. Earnings per Share

- (i) Basic Earnings per share is calculated by dividing the profit / (loss) attributable to equity shareholders by the weighted average number of equity shares.
- (ii) Where an item of income or expense which is otherwise required to be recognised in the Statement of Profit and Loss is debited or credited to Equity, the amount in respect thereof is suitably adjusted in Net profit for the purpose of computing Earnings per share.
- (iii) The Company does not have any potential equity shares.

N. Impairment of Non-Financial Assets

- (i) The carrying values of assets include property, plant and equipment, investment properties, cash generating units and intangible assets, are reviewed for impairment at each reporting date, if there is any indication of impairment based on internal and external factors.
- (ii) Non-financial assets are treated as impaired when the carrying amount of such asset exceeds its recoverable value. After recognition of impairment loss, the depreciation for the said assets is provided for remaining useful life based on the revised carrying amount, less its residual value if any, on straight line basis.
- (iii) An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.
- (iv) An impairment loss is reversed when there is an indication that the impairment loss may no longer exist or may have decreased.

O. Provisions, Contingent Liabilities and Contingent Assets

- (i) Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources embodying economic benefits in respect of which a reliable estimate can be made.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (ii) Provisions are discounted if the effect of the time value of money is material, using pre-tax rates that reflects the risks specific to the liability. When discounting is used, an increase in the provisions due to the passage of time is recognised as finance cost. These provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.
- (iii) Insurance claims are accounted on the basis of claims admitted or expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection. Any subsequent change in the recoverability is provided for. Contingent Assets are not recognised.
- (iv) Contingent liability is a possible obligation that may arise from past events and its existence will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the same are not recognised but disclosed in the financial statements.

P. Intangible Assets

- (i) The costs of computer software acquired and its subsequent improvements are capitalised. Internally generated software is not capitalized and the expenditure is recognized in the Statement of Profit and Loss in the year in which the expenditure is incurred.
- (ii) The cost incurred for right to un-restricted usage of power transmission system for drawal of power from State grid to its Mills were capitalized as it is expected to yield future economic benefits.
- (iii) Intangible Assets are carried at cost less accumulated depreciation and impairment losses, if any and are amortised over their estimated useful life based on straight line method. The estimated useful lives of intangible assets are assessed by the internal technical team as details below, that are different from the useful lives prescribed under Part C of Schedule II of the Companies Act, 2013:

Nature of Intangible assets	Estimated useful life
Computer software	6 years
Power Transmission System	5 years

- (iv) The intangible assets that are under development phase are carried at cost including related expenses and attributable interest, and are recognised as Intangible assets under development.
- (v) The residual values, useful lives and methods of amortisation of intangible asset are reviewed at each reporting date and adjusted prospectively, if appropriate.

Q. Investment Properties

- (i) An investment in land or buildings both furnished and unfurnished, which are held for earning rentals or capital appreciation or both rather than for use in the production or supply of goods or services or for administrative purposes or sale in the ordinary course of business, are classified as investment properties.
- (ii) Investment properties are stated at cost, net of accumulated depreciation and impairment loss, if any except freehold land which is carried at cost.
- (iii) The Company identifies the significant parts of investment properties separately which are required to be replaced at intervals. Such parts are depreciated separately based on their specific useful lives determined on best estimate basis upon technical advice. The cost of replacement of significant parts are capitalised and the carrying amount of replaced parts are de-recognised. Other expenses including day-to-day repair and maintenance expenditure and cost of replacing parts that does not meet the capitalisation criteria, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.
- (iv) Depreciation on investment properties are calculated on straight-line method based on useful life of the significant parts as detailed below, that are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013:

Asset type	Useful life
Buildings under Investment properties	60 years

- (v) Investment properties are eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Gains or losses arising from disposal, measured as the difference between the net disposal proceeds and the carrying amount of such investment properties, are recognised in the Statement of Profit and Loss. Amount received towards investment properties that are impaired and derecognized in the financial statements, are recognized in Statement of Profit and Loss, when the recognition criteria are met.
- (vi) The residual values, useful lives and methods of depreciation of investment properties are reviewed periodically including at each reporting date and adjusted prospectively, if appropriate.

R. Operating Segments

Operating segments are identified on the basis of nature and usage of products and reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker. The Company's business operation comprises of two operating segment viz., Textile and Windmills.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

S. Financial Instruments

- (i) A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.
- (ii) Financial assets and liabilities are offset and the net amount is presented in the Balance sheet when and only when the Company has a legal right to offset the recognised amounts and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.
- (iii) The Company initially determines the classification of financial assets and liabilities. After initial recognition, no re-classification is made for financial assets which are categorised as equity instruments at FVTOCI and financial assets / liabilities that are specifically designated as FVTPL. However, other financial assets are re-classifiable when there is a change in the business model of the Company. When the Company reclassifies the financial assets, such reclassifications are done prospectively from the first day of the immediately next reporting period. The Company does not restate any previously recognised gains, losses including impairment gains or losses or interest.
- (iv) Fair Value Hedges

Changes in the fair value of forwards contracts that are designated and qualify as fair value hedges are recognised in the income statement, together with the changes in the fair value of the hedged item that are attributable to the hedged risk. If the hedge no longer meets the criteria for hedge accounting, changes in the fair value of the hedged item attributable to the hedged risk are no longer reconized in the income statement.

When a hedged item in a fair value hedge is a firm commitment (or a component thereof) to acquire an asset or assume a liability, the initial carrying amount of the asset or the liability the results from the entity meeting the firm commitment is adjusted to include the cumulative change in the fair value of the hedged item that was recognised in the balance sheet, with a corresponding gain or loss recognised in Profit or loss.

T. Financial Assets

- (i) Financial assets comprise of investments in equity, trade receivables, cash and cash equivalents and other financial assets.
- (ii) Depending on the business model (i.e) nature of transactions for managing those financial assets and its contractual cash flow characteristics, the financial assets are initially measured at fair value and subsequently measured and classified at:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- a) Amortised cost; or
- b) Fair value through other comprehensive income (FVTOCI); or
- c) Fair value through profit or loss (FVTPL)

Amortised cost represents carrying amount on initial recognition at fair value plus or minus transaction cost.

- (iii) Financial assets are measured at FVTPL except for those financial assets whose contractual terms give rise to cash flows on specified dates that represents solely payments of principal and interest thereon, are measured as detailed below depending on the business model:

Classification	Business Model
Amortised Cost	The objective of the Company is to hold and collect the contractual cash flows till maturity. In other words, the Company do not intend to sell the instrument before its contractual maturity to realise its fair value changes.
FVTOCI	The objective of the Company is to collect its contractual cash flows and selling financial assets.

- (iv) The Company has accounted for its investments in associates at cost. The Company has exercised an irrevocable option at time of initial recognition to measure the changes in fair value of other equity investments at FVTOCI. Accordingly, the Company classifies its financial assets for measurement as below:

Classification	Name of Financial Assets
Amortised Cost	Trade receivables, Loans and advances to employees and related parties, deposits, IPA receivable, interest receivable, unbilled revenue and other advances recoverable in cash or kind.
FVTOCI	Equity investments in companies other than Associate as an option exercised at the time of initial recognition.
FVTPL	Forward exchange contracts.

- (v) Financial assets are derecognised (i.e) removed from the financial statements, when its contractual rights to the cash flows expire or upon transfer of the said assets. The Company also derecognises when it has an obligation to adjust the cash flows arising from the financial asset with third party and either upon transfer of:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- a. significant risk and rewards of the financial asset, or
- b. control of the financial asset

However, the Company continue to recognise the transferred financial asset and its associated liability to the extent of its continuing involvement, which are measured on the basis of retainment of its rights and obligations of financial asset.

- (vi) Upon derecognition of its financial asset or part thereof, the difference between the carrying amount measured at the date of recognition and the consideration received including any new asset obtained less any new liability assumed shall be recognised in the Statement of Profit and Loss.
- (vii) For impairment purposes, significant financial assets are tested on individual basis at each reporting date. Other financial assets are assessed collectively in groups that share similar credit risk characteristics. Accordingly, the impairment testing is done retrospectively on the following basis:

Name of Financial asset	Impairment testing methodology
Trade receivables	Expected Credit Loss model (ECL) is applied. The ECL over lifetime of the assets are estimated by using a provision matrix which is based on historical loss rates reflecting current conditions and forecasts of future economic conditions which are grouped on the basis of similar credit characteristics such as nature of industry, customer segment, past due status and other factors that are relevant to estimate the expected cash loss from these assets.
Other Financial assets	When the credit risk has not increased significantly, 12 month ECL is used to provide for impairment loss. When there is significant change in credit risk since initial recognition, the impairment is measured based on probability of default over the life time. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12 month ECL.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

U. Financial Liabilities

- (i) Financial liabilities comprise of Borrowings from Banks, Trade payables, Lease Liabilities, Derivative financial instruments, Financial Guarantee obligation and other financial liabilities.
- (ii) The Company measures its financial liabilities as below:

Measurement basis	Name of Financial liabilities
Amortised Cost	Borrowings, Trade payables, Lease Liabilities, Interest accrued, Unclaimed / Disputed Dividends, Security deposits, and other financial liabilities not for trading,
FVTPL	Foreign exchange Forward contracts being derivative contracts do not qualify for hedge accounting under Ind AS 109 and other financial liabilities held for trading.

- (iii) Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Transaction cost of financial guarantee contracts that are directly attributable to the issuance of the guarantee are recognised initially as a liability at fair value. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.
- (iv) Financial liabilities are derecognised when and only when it is extinguished (i.e) when the obligation specified in the contract is discharged or cancelled or expired.
- (V) Upon derecognition of its financial liabilities or part thereof, the difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liabilities assumed is recognised in the Statement of Profit and Loss.

V. Fair Value Measurement

- (i) Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
- (ii) The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- (iii) All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement is unobservable.

- (iv) For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.
- (v) For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.
- (vi) The basis for fair value determination for measurement and / or disclosure purposes is detailed below:

a) Investments in Equity

The fair value is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

b) Trade and Other receivables

The fair value is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets.

c) Forward exchange contracts

The fair value of forward exchange contracts is based on the quoted price if available; otherwise it is estimated by discounting the difference between contractual forward price and current forward price for the residual maturity of the contract using government bond rates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

d) Non-Derivative financial liabilities

The fair value of non-derivative financial liabilities viz., borrowings are determined for disclosure purposes calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date.

e) Financial guarantee obligation

The fair value of financial guarantee obligation with reference to loan availed by associates is determined on the basis of estimated cost involved in securing equivalent size of the guarantees from bank.

f) Investment Properties

The fair value is determined for disclosure purposes based on an annual evaluation performed by an internal technical team measured using the technique of quoted prices for similar assets in the active markets and further moderated by market corroborated inputs.

7. Amendments to the existing accounting standards effective from 01-04-2022 onwards

The details of amendments to the existing standards that are relevant to the Company with effect from 01-04-2022 are given below:

The amendment to Ind AS 16 on Property, Plant & Equipment has clarified that excess of net sale proceeds of items produced over the cost of testing (while bringing the asset to that location and condition) shall not be recognized in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of Property, Plant and Equipment.

8. Significant Estimates and Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Actual results could vary from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision or future periods, if the revision affects both current and future years.

Accordingly, the management has applied the following estimates / assumptions / judgements in preparation and presentation of financial statements:

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(i) Revenue Recognition

Significant management judgement is exercised in determining the transaction price and discounts to customer which is based on market factors namely demand and supply. The Company offers credit period to customers and management judgement is exercised in assessing whether a contract contains a significant financing component.

(ii) Property, Plant and Equipment, Intangible Assets and Investment Properties

The residual values and estimated useful life of PPEs, Intangible Assets and Investment Properties are assessed by the technical team periodically including at each reporting date by taking into account the nature of asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement and maintenance support. Upon review, the management accepts the assigned useful life and residual value for computation of depreciation / amortisation. Also, management judgement is exercised for classifying the asset as investment properties or vice versa.

(iii) Current Taxes

Calculations of income taxes for the current period are done based on applicable tax laws and management's judgement by evaluating positions taken in tax returns and interpretations of relevant provisions of law and applicable judicial precedents.

(iv) Deferred Tax Asset

Significant management judgement is exercised by reviewing the deferred tax assets at each reporting date to determine the amount of deferred tax assets that can be retained / recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(v) Provisions

The timing of recognition requires application of judgement to existing facts and circumstances that may be subject to change. The litigations and claims to which the company is exposed are assessed by the management and in certain cases with the support of external experts. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the liability.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(vi) Segment Reporting

In the management opinion, the Company is engaged in the activity of manufacturing of textile products and generation of electricity through wind mills. Management's judgment is exercised to aggregate two or more business segments as single operating segment, based on economic characteristics, products, production process and types of customer, which are similar in nature.

(vii) Contingent Liabilities

Management judgement is exercised for estimating the possible outflow of resources, if any, in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(viii) Classification of Investment

Management judgement is exercised in determining the following criteria while making classification of investments:

- the intention of the Company to sell the investment immediately;
- the sale is highly probable;
- it is unlikely that significant change to the sale plan will be made and;
- that plan will not be withdrawn.

Based on this judgement, the investments are classified as "Investment held for sale", if all the above criteria are met and continue to classify the investment as "Non-current investment", if the above criteria are not met.

(ix) Impairment of Trade receivables

The impairment for trade receivables are done based on assumptions about risk of default and expected loss rates. The assumptions, selection of inputs for calculation of impairment are based on management judgement considering the past history, market conditions and forward looking estimates at the end of each reporting date.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(x) Impairment of Non-financial assets (PPE / Intangible Assets / Investment Properties)

The impairment of non-financial assets is determined based on estimation of recoverable amount of such assets. The assumptions used in computing the recoverable amount are based on management judgement considering the timing of future cash flows, discount rates and the risks specific to the asset.

(xi) Impairment of Investments in Associates

Significant management judgement is exercised in determining whether the investment in associates are impaired or not is on the basis of its nature of long term strategic investments and business projections

(xii) Defined Benefit Plans and Other Long Term Benefits

The cost of the defined benefit plan and other long term benefits, and the present value of such obligation are determined by the independent actuarial valuer. An actuarial valuation involves making various assumptions that may differ from actual developments in future. Management believes that the assumptions used by the actuary in determination of the discount rate, future salary increases, mortality rates and attrition rates are reasonable. Due to the complexities involved in the valuation and its long term nature, this obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(xiii) Determination of lease term of contracts as non-cancellable term

Significant management judgement is exercised in determining the lease term as non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised, by considering all relevant factors that create an economic incentive for it to exercise either the renewal or termination.

(xiv) Fair value measurement of financial instruments / Firm Commitments

When the fair values of financial assets and financial liabilities could not be measured based on quoted prices in active markets, management uses valuation techniques

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

including the Discounted Cash Flow (DCF) model / Net Asset Value Method, to determine its fair value. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is exercised in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

In case of unrecognised firm commitments denominated in foreign currency, which also qualify as a hedged item, the fair value of such firm commitments outstanding at the reporting date are measured at functional currency based on the quoted price in the active market prevailing on the reporting date.

(xv) Interests in Other Entities

Significant management judgement is exercised in determining the interests in other entities. The management believes that wherever there is a significant influence over certain companies belonging to its group, such companies are treated as Associate companies even though it holds less than 20% of the voting rights.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Reconciliation of the Income tax provision to the amount computed by applying the statutory Income tax rate to the Income before taxes is summarised below:

(₹ in Lakhs)

Particulars	31-03-2023	31-03-2022
Accounting Profit before Tax (including OCI)	(953.81)	–
Corporate Tax Rate %	25.168%	25.168%
Computed Tax Expense	(240.05)	–
Increase/(reduction) in taxes on account of:		
Non-deductible expenses	–	–
Change in Tax Rate	–	–
Changes in WDV as per Books and IT	984.57	–
Change in carried forward unabsorbed Depreciation	(1,049.76)	–
Income chargeable to tax under different tax rates (Capital Gains)	–	–
Tax Expenses related to Capital Gains	–	–
Others	19.41	–
Tax Expenses recognised in the Statement of Profit and Loss	(285.83)	656.17

Note: As per Section 115BAA of the Income Tax Act, 1961, the Company has an irrecoverable option of shifting to a lower tax rate (new tax regime) and simultaneously to forgo certain tax incentives, deductions and accumulated MAT Credit. In view of the overall tax benefits available under Section 115BAA, the Company had opted for shifting of new tax regime with effect from the AY 2021-22 (FY 2020-21). Consequently, the Company has charged off the accumulated MAT Credit entitlement of ₹ 3,273.11 Lakhs to Statement of Profit and Loss during the financial year 2021-22. The net deferred tax liability as at 01-04-2021 has been recomputed in accordance with reduced rate and thus reversed ₹ 1,133.82 Lakhs from deferred tax liability during the financial year 2021-22. The deferred tax provision of ₹ 549.33 Lakhs for the year ended 31-03-2022 is after netting-off the this.

NOTE NO. 45

As per Ind AS 19, the disclosures pertaining to "Employee Benefits" are given below:

Defined Contribution Plan:

Employer's Contribution to Provident Fund	174.84	154.86
Employer's Contribution to Superannuation Fund	12.47	9.68

Defined Benefit Plan - Gratuity

The Gratuity payable to employees is based on the employee's service and last drawn salary at the time of leaving the services of the Company and is in accordance with the rules of the Company read with Payment of Gratuity Act, 1972. This is a defined plan in nature. The Company makes annual contributions to "Sri Vishnu Shankar Mill Limited Employees' Gratuity Fund" administered by the Trustees and managed by LIC of India, based on the Actuarial Valuation by an Independent external actuary as at the Balance Sheet date using Projected Unit Credit method. The Company has the exposure of actuarial risk such as adverse salary growth, change in demography experience, inadequate return on underlying plan assets. This may result in an increase in cost of providing these benefits to employees in future. Since the benefits are lump sum in nature, the plan is not subject to any longevity risks.

Details of the post retirement gratuity plan (Funded) are as follows:

DISCLOSURE OF FAIR VALUE MEASUREMENTS

The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

Fair value hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTE NO. 51

FINANCIAL RISK MANAGEMENT

The Board of Directors (BOD) has overall responsibility for the establishment and oversight of the Company's risk management framework and thus established a risk management policy to identify and analyze the risk faced by the Company. Risk Management systems are reviewed by the BOD periodically to reflect changes in market conditions and the Company's activities. The Company through its training and management standards and procedures develop a disciplined and constructive control environment in which all employees understand their roles and obligations. The Audit Committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the risk management framework. The Audit committee is assisted in the oversight role by Internal Audit. Internal Audit undertakes reviews of the risk management controls and procedures, the results of which are reported to the Audit Committee.

The Company has the following financial risks:

Categories of Risk	Nature of Risk
Credit Risk	Receivables
	Financial Instruments and Cash deposits
Liquidity Risk	Fund Management
Market Risk	Foreign Currency Risk
	Cash flow and fair value interest rate risk

The Board of Directors regularly reviews these risks and approves the risk management policies, which covers the management of these risks:

Credit Risk

Credit Risk is the risk of financial loss to the Company if the customer or counterparty to the financial instruments fails to meet its contractual obligations and arises principally from the Company's receivables, treasury operations and other operations that are in the nature of lease.

SRI VISHNU SHANKAR MILL LIMITED, RAJAPALAIYAM

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer. The Company extends credit to its customers in the normal course of business by considering the factors such as financial reliability of customers. The Company evaluates the concentration of the risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets. In case of Corporate / Export Customer, credit risks are mitigated by way of enforceable securities. However, unsecured credits are extended based on creditworthiness of the customers on case-to-case basis.

Trade receivables are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company and where there is a probability of default, the company creates a provision based on Expected Credit Loss for trade receivables under simplified approach as below:

Financial Instruments and Cash deposits

Investments of surplus funds are made only with the approved counterparties. The Company is presently exposed to counter party risk relating to short term and medium term deposits placed with Banks. The Company places its cash equivalents based on the creditworthiness of the financial institutions.

Liquidity Risk

Liquidity Risks are those risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. In the management of liquidity risk, the Company monitors and maintains a level of cash and cash equivalents deemed adequate by the management to finance the company's operations and to mitigate the effects of fluctuations in cash flows.

Due to the dynamic nature of the underlying business, the Company aims at maintaining flexibility in funding by keeping both committed and uncommitted credit lines available. The Company has laid well defined policies and procedures facilitated by robust information system for timely and qualitative decision making by the management including its day to day operations.

Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods and borrowings in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk:

Decisions regarding borrowing in Foreign Currency and hedging thereof, (both interest and exchange rate risk) and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract packing credit in foreign currency which act as natural hedge against receivable. The Company enters the above transactions, after taking into consideration the anticipated Foreign exchange inflows / outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The Company uses derivative financial instruments viz. Foreign Exchange Forward Contracts exclusively for hedging currency risks that arise from imports / exports transactions. The Company measures the risk by forecasting foreign currency cash flows and manages its currency risks by appropriately hedging the transactions. When a forward contract is entered into for the purpose of being a hedge, the Company finalizes the terms of those forward contracts to match the terms of the hedged exposure i.e. receivables / payables / Firm Commitments. All identified exposures are managed as per the policy duly approved by the Board of Directors.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Cash flow and fair value interest rate risk

(₹ in Lakhs)

Interest rate risk arises from long term borrowings with variable rates which exposed the company to cash flow interest rate risk. The Company's fixed rate borrowing are carried at amortized cost and therefore are not subject to interest rate risk as defined in Ind AS 107 since neither the carrying amount nor the future cash flows will fluctuate because of the change in market interest rates. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed / floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost. The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.
